You can linger too long in your dreams
Say goodbye to the oldies but goodies
Cause the good old days weren't always good
Hang this line if not doing a solo
And tomorrow ain't as bad as it seems

Instrumental, listed here with lyrics but I usually skip

If a solo is not appropriate.
You can get just so much from a good thing
You can linger too long in your dreams
Say goodbye to the oldies but goodies
Cause the good old days weren't always good
And tomorrow ain't as bad as it seems

Now I told you my reasons for the whole revival
Now I'm going outside to have an ice cold beer in the shade
I'm going to listen to my 45's
Ain't it wonderful to be alive
When the rock 'n' roll

Plays yeah

Billy Joel - The Downeaster 'Alexa'

Originally in Am, I play in Em. Sometimes I capo 2, the highest note is Bb in Am. Mostly muted, be judicious with strumming.

Em

Vox start on I II III (B in G)

Well I'm on the Downeaster Alexa

And I'm cruising through Block Island Sound

I have charted a course to the Vineyard

But tonight I am Nantucket bound

We took on diesel back in Montauk yesterday

And left this morning from the bell in Gardiner's Bay

Like all the locals here I've had to sell my home

Too proud to leave I worked my fingers to the bone

So I could own my Downeaster Alexa

And I go where the ocean is deep

There are giants out there in the canyons

And a good captain can't fall asleep

I've got bills to pay and children who need clothes

I know there's fish out there but where God only knows

They say these waters aren't what they used to be

But I've got people back on land who count on me

So if you see my Downeaster Alexa

And if you work with the rod and the reel

Tell my wife I am trolling Atlantis

And I still have my hands on the wheel

Interlude, lots of ayyy-o and accordion noises

Now I drive my Downeaster Alexa

More and more miles from shore every year

Since they tell me I can't sell no stripers

And there's no luck in swordfishing here

I was a bayman like my father was before

Can't make a living as a bayman anymore

There ain't much future for a man who works the sea

But there ain't no island left for islanders like me

Ay-ay yo, oh

Billy Joel - The Downeaster 'Alexa'

G D Em D/F#
I am the entertainer and I know just where I stand
Another serenader and another long-haired band
Today I am your champion, I may have won your hearts
But I know the game, you'll forget my name
And I won't be here in another year
If I don't stay on the charts

I am the entertainer and I've had to pay my price
The things I did not know at first I learned by doin' twice
Ah, but still they come to haunt me
Still they want their say
So I've learned to dance with a hand in my pants
Let 'em rub my neck and I write 'em a check
And they go their merry way

I am the entertainer, been all around the world
I've played all kinds of palaces and laid all kinds of girls

I can't remember faces, I don't remember names
Ah, but what the hell, you know it's just as well
'Cause after a while and a thousand miles
It all becomes the same

I am the entertainer, I bring to you my songs
I'd like to spend a day or two, but I can't stay that long
No, I've got to meet expenses, I got to stay in line
So I just don't have the time

I am the entertainer, I come to do my show
You've heard my latest record, it's been on the radio
Ah, it took me years to write it, they were the best years of my life
It was a beautiful song, but it ran too long
If you're gonna have a hit, you gotta make it fit
So they cut it down to 3:05

I am the entertainer, the idol of my age
I make all kinds of money when I go on the stage
Ah, you've seen me in the papers
I've been in the magazines
But if I go cold I won't get sold
I'll get put in the back in the discount rack
Like another can of beans

Hanging stops
I am the entertainer and I know just where I stand

But I know the game, you'll forget my name
And I won't be here in another year

Billy Joel
Billy Joel - You May Be Right

A

A
Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change
I was stranded in the combat zone
I walked through Bedford Sty alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane

A
You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights don't try to save me
You may be wrong for all I know
But you may be right

A

A
Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Bob Dylan - The Times They Are A-Changin'

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin
And there's no tellin' who that it's namin'
For the loser now
Will be later to win
For the times they are a-changin'

Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled
There's a battle outside
And it's rarin'
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'

Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is rapidly agin'
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'
The line it is drawn
The curse it is cast

Bob Marley
Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em    D    Em    Em
Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D    Em
But here I am, on the road again
D    Em
Here I am, up on stage
D    A
Here I go, playing the star again
C    D    Em
There I go, turn the page
Quiet, let chords ring...
Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play
Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said

D    Em
But here I am, on the road again

Bon Jovi - Bed of Roses

Well this hotel bar's hangover
Whiskey's gone dry the barkeeper's wig's crooked
And she's giving me the eye
I might have said yes
But I laughed so hard I think I died

Solo on chorus chords, more or less

Now as you close your eyes
Know I'll be thinking about you
While my mistress she calls me
To stand in her spotlight again
Tonight I won't be alone
But you know that don't mean I'm not lonely
I've got nothing to prove for it's you
That I'd die to defend

I wanna lay
You down in a bed of roses
For tonight
I sleep on a bed of nails
Oh, I want to be just as close as
The holy ghost is
And lay you down on a bed of roses

Bridge, quiet again
Some silicone sister with her manager's mister
told me I got what it takes
She said, "I'll turn you on sonny, to something
strong if you'll play that song with the funky
And Go-cart Mozart was checkin' out the weather
chart to see if it was safe to go outside
And little Early-Pearly came by in her curly-wurly
and asked me if I needed a ride

Oh, some hazard from Harvard was skunked on
beer playin' backyard bombardier
Yes and Scotland Yard was trying hard, they sent
some dude with a calling card who said
"Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way
back home
He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on your own"

And now in Zanzibar a shootin' star was ridin' in a
side car hummin' a lunar tune
Yes, and the avatar said, "Blow the bar but first
remove the cookie jar
We're gonna teach those boys to laugh too soon"

And some kidnapped handicap was complainin'
that he caught the clap from some mousetrap he bought last night
Well I unsnapped his skull cap, between his ears I saw a gap and figured he'd be all right
He was just blinded by the light
Cut loose like a deuce another runner in the night
Blinded by the light
Mama always told me not to look into the sights of the sun
Whoa, but mama that's where the fun is ooh, yeah
(I was blinded) Oh my my, oh my my
(I was blinded) Oh my my
(I was blinded) I was blinded by the light
(I was blinded) I was blinded by the light
(I was blinded) I was blinded by the light
(I was blinded) I was blinded by the light
(I was blinded) I was blinded

A screen door slams, Mary's dress waves
Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you're scared and you're thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Oh come take my hand

We're ridin' out tonight to case the promised land

Oh oh thunder Road, oh thunder road, oh thunder road

Oh I know it's late, we can make it if we run

Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk

And my car's out back if you're...
From your front porch to my front seat
The door's open but the ride it ain't free
And I know you're hungry for words that I ain't spoken
Tonight we'll be free, all the promises will be broken

There were ghosts in the eyes of all the boys you sent away
They haunt this dusty beach road in the skeleton frames of
Burned-out Chevrolets
They scream your name at night in the street
Your graduation gown lies in rags at their feet

And in the lonely cool before dawn
You hear their engines roaring on
But when you get to the porch, they're gone
On the wind, so Mary climb in
It's a town full of losers, and I'm pulling out of here to win

Two days past 18

He was waiting for a bus in his army greens

G
Guy, too young for him they told her
D
Waiting for the love of a travelin' soldier
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music
Wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elton John
Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D    B7    Em
Never know how much I care
Em
When you put your arms around me
B7    Em
I get a fever that's so hard to bear

Em C
You give me fever, when you kiss me
D    Em
Fever when you hold me tight
Em   C
Fever, in the morning
B7    Em
Fever all through the night

Em
Sun lights up the daytime
D    B7    Em
Moon lights up the night
Em
I light up when you call my name
B7    Em
And you know I'm gonna treat you right

Em C
You give me fever, when you kiss me
D    Em
Fever when you hold me tight
Em   C
Fever, I'm his missus
B7    Em
Oh daddy won't you treat him right

Em
Ev'rybody's got the fever
D    B7    Em
That is something you all know

Em
Fever isn't such a new thing
B7          Em
Fever started long ago

Em
Romeo loved Juliet
D    B7    Em
Juliet she felt the same
Em
When he put his arms around her, he said
B7    Em
Julie, baby, you're my flame

Em C
Thou givest fever, when we kisseth
D    Em
Fever when thy flaming youth
Em   C
Fever I'm afire
B7    Em
Fever, yea I burn forsooth

Em
Captain Smith and Pocahantas
D    B7    Em
Had a very mad affair
Em
When her Daddy tried to kill him, she said
B7    Em
"Daddy-o don't you dare."

Em C
He gives me fever, with his kisses
D    Em
Fever when he holds me tight
Em   C
Fever, I'm his missus
B7    Em
Oh daddy won't you treat him right

Em
Now you've listened to my story
D    B7    Em
Here's a point that I have made
Em
Chicks were born to give you fever
B7    Em
Be it Fahrenheit or Centigrade
"Elvis Presley - Fever"

They give you fever, when you kiss them
Fever if you live and learn
Fever, till you sizzle

George Michael - Faith

Originally somewhere between B and C, I play in A

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

Bass and drums enter when vox come in, drums still pretty sparse

Well I guess it would be nice if I could touch your body

I know not everybody has got a body like you

But I've got to think twice before I give my heart away

Girl I know all the games you play 'cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Hard stop on 'door'

Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith

I gotta have faith

I gotta have faith, a-faith, a-faith

'Cause I gotta have faith

I gotta have faith, a-faith, a-faith

Baby I know you're asking me to stay

Say please, please, please, don't go away

You say I'm giving you the blues

Maybe girl you mean every word you say

Can't help but think of yesterday

And another one who tied me down to loverboy rules

Before this river becomes an ocean

Before you throw my heart back on the floor

Oh baby I'll reconsider my foolish notion

Hard stop on 'more'

Well I need someone to hold me but I'll wait for something more

'So I'm the one who's holding back the door'

I'm the one who's thinking 'cause I got the door

'Cause I gotta have faith

I gotta have faith

I gotta have faith, a-faith, a-faith

'Cause I gotta have faith

I gotta have faith, a-faith, a-faith

Wait for vox before entering... no matter how long...

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don’t go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E-->D instead of G,F,E-->D.

Originally in D, I play in D capo 2.

D
Nibblin' on sponge cake, watchin' the sun bake
A
All of those tourists covered with oil
A7
Strummin' my six string, on my front porch swing
D D7
Smell those shrimp they're beginnin' to boil

G A D D7
Wastin' away again in Margaritaville
G A D D7
Searchin' for my lost shaker of salt
G A D A
Some people claim that there's a woman to
G A D
Blame, but I know, it's nobody's fault

D
Don't know the reason, I stayed here all season
A
Nothin' to show but this brand new tattoo
A7
But it's a real beauty, a Mexican cutie, how it got here
D D7
I haven't a clue

G A D D7
Wastin' away again in Margaritaville
G A D D7
Searchin' for my lost shaker of salt
G A D A
Some people claim that there's a woman to
G A D
Blame, now I think, hell it could be my fault

D
I blew out my flip flop, stepped on a pop top
A
Cut my heal had to cruise on back home
A7
But there's booze in the blender, and soon it will render
D D7
That frozen concoction that helps me hang on

G A D D7
Wastin' away again in Margaritaville

Joan Baez - Diamonds and Rust
This is adapted loosely from the Judas Priest version.
The originals are in Em, I play in Em capo 5.
As a duet, I sing a 3rd below the lead and play in Em.
The songs is a dirge, so I follow the Priest version,
which is a rocking metal gallop.

Vox on the 5 of the chord
Now I see you standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington Square

Our breath comes out of white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could have died then and there

Play long riff if not rocking

Now you're telling me you're not nostalgic
Then give me another word for it you who are so good with words
And at keeping things vague

'Cause I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly, and if you're offering diamonds and rust
I've already paid

John Lennon
Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white

Well I never lived the dreams of the prom kings
And the drama queens I’d like to think the best of me
Is still hiding up my sleeve

They love to tell you
Stay inside the lines
But something’s better on the other side

I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there’s no such thing as the real world
Just a lie you’ve got to rise above

These chords are just like playing F and A bar chords with the top two strings open
I just can’t wait till my 10 year reunion
I’m gonna bust down the double doors

And you really don't remember

Is it something that he said?

Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was

Gloria, don't you think you're falling?

Both these phrases go up...

If everybody wants you, why isn't anybody calling?

You don't have to answer

Leave them hanging on the line, oh-oh-oh, calling

Gloria (Gloria), I think they got your number (Gloria)

I think they got the aliases (Gloria)

That you've been living under (Gloria)

But you really don't remember

Was it something that they said?

Are the voices in your head calling Gloria?

Fade on stuff like this...

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar,
I go down an octave for the chorus. Or I play

worth it.
In E, it's lots of open pentatonic minor, and
E D A D (i.e., ignore all the slash chords and

Misc - Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)a (e)by (a)hi (c)hi. I find the first 'e' (v) easy to find, but my instinct is to move right up. The 'by' is the same note.

Why be alone when we can be together baby?

Vox goes up a half-step from "baby", to the 2 of this chord on "you", then down to 1 (can) #7 (my) 6 "worth"

Paramore - Still Into You

Originally in F, I play in C capo 5 (down an octave)

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud
I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
No hard stop this time
I’m still into you

C
Recount the night that I first
Met your mother
And on the drive back to my house
I told you that, I told you that I loved ya

C
You felt the weight of the world
Fall off your shoulder
And to your favorite song
We sang along to the start of forever

F
And after all this time
I’m still into you

I should be over all the butterflies
But I’m into you, I’m into you

Paul Simon
Paul Simon - Kodachrome

Originally in D capo 2, which is where I play it. Originally in drop-D, which I don't bother with. Almost entirely alternating bass/upper pattern.

Riff on the verse/intro G is some version of:

\[\begin{align*}
D|--------0-0-----| \\
A|--1-2-----1-2-| \\
E|3-3-------------|
\end{align*}\]

\[\begin{align*}
D & \text{ Dmaj7 } \\
D7 & \text{ G } \\
Em & \text{ A7 } \\
A7 & \text{ D } \\

When I think back on all the crap I learned in high school it's a wonder I can think at all And though my lack of education hasn't hurt me none

\[\begin{align*}
Em & \text{ A7 } \\
A7 & \text{ D } \\
Em & \text{ A7 }
\end{align*}\]

I can read the writing on the wall

\[\begin{align*}
G & \text{ G/F# } E \\
\text{Kodachrome- o- o- ome} & \text{ Am } D7 \\
\text{They give us those nice bright colors} & \text{ G } C \\

Double-time feel

Mama don't take my Kodachrome away

\[\begin{align*}

If you took all the girls I knew when I was single And put 'em all together for one night I know they'd never match my sweet imagination And everything looks worse in black and white

\[ A \quad B \quad G\#m \quad C\#m \quad A \quad B \quad E \]

Little Latin flourish on the 3rd and 4th strings, roughly

\[ G\#m \quad F\#m \]

\[ E \]
There's a sunny little country south of Mexico

Food and medicine and hand grenades for El Salvador

PPM play this in A, I play in G capo 1.

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream

This land was made for you and me

As I was walking that ribbon of highway
I saw above me, that endless skyway
I saw below me, the golden valley

This land was made for you and me

I roamed and rambled, and followed my footsteps
Through the sparkling sands of her diamond deserts
And all around me this voice kept saying

This land was made for you and me

Sam Cooke
Sara Bareilles - Brave

*Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of *love*")
Highest note is the 4 (on "I wanna see you")
That's a whopping Eb in the original key, plus there's a long braaaave on the 3*

**Vox on 3 on "you can"
C**
You can be amazing
C
You can turn a phrase into a weapon or a drug
Am
You can be the outcast
Am
Or be the backlash of somebody's lack of love
F G C
Or you can start speaking up

C
Nothing's gonna hurt you the way that words do
C
And they settle 'neath your skin
Am
Kept on the inside and no sunlight
Am
Sometimes a shadow wins
F G
But I wonder what would happen if you

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave

Note switch from 1645 to 1465
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you

G
I wanna see you be brave
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you
Hard stop on last "brave"
G
I wanna see you be brave

C
Everybody's been there, everybody's been stared down

C Am
By the enemy
Am Am
 Fallen for the fear and done some disappearing
Am
Bow down to the mighty
F G
Don't run, stop holding your tongue

Vox up to 1 on "maybe", down to 3 on "live"
Vox same note on "way" and "out"
C
Maybe there's a way out of the cage where you live
Same melody, but last note is 4 instead 3
Am
Maybe one of these days you can let the light in
Hard stop around "your brave"
F G
Show me how big your brave is

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave

Note vi on last 'brave'
Honestly I wanna see you be brave

Bridge
Vox on the 1 of the minor chord (6 of the key)
And since your history of silence
Won’t do you any good
Did you think it would?

Let your words be anything but empty
Why don’t you tell them the truth?

No instruments this chorus
Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave
With what you want to say
And let the words fall out
Honestly I wanna see you be brave

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

Hard stop on 1
Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

Prep note: decide what you're going to do for vox in the chorus (see below).

I play the riff as:
E 0221xx
A/E 0422xx
Asus4/E 0522xx
Then A/E, E

8 measures drums

Are you ready Steve? Uh huh
Andy? Yeah
Mick? OK
Alright fellas, let's go!

Riff x 4

Vox on the 6 (F# if the chord is A)

Well it's been getting so hard
Living with the things you do to me

Riff x 2

I'd like to tell you everything I see

I write E, but it's close to NC
Oh I see a man at the back as a matter of fact
His eyes are as red as the sun
And a girl in the corner let no one ignore her 'cause

Hard stop on "she"
She thinks she's the passionate one

Oh yeah, it was like
Lightning, everybody was frightening
And the music was soothing and they all started grooving

These yeah's are basically on the 1
Yeah, yeah, yeah, yeah, yeah

There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F# E D# E. Great if someone else can sing the real melody an octave down.

And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you
And it turned into a ballroom blitz
D5 D#5 E5

Riff x 4, first two w/o drums

I'm reaching out for something
Touching nothing's all I ever do

When you appear there's nothing left of you

Now the man at the back is ready to crack
As he raises his hands to the sky
And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

Oh yeah, it was electric, so frightfully hectic
And the band started leaping 'cause they all stopped breathing

Yeah, yeah, yeah, yeah, yeah
And the man at the back said everyone attack
And it turned into a ballroom blitz

The Beatles - Can't Buy Me Love

Originally in C, I play in A. I do the opening chorus super slow, then break into a syncopated triplet beat. The first vocal note is the root (C in C), so the first 'love' is the 5 above that (G in C), i.e. the third of the opening minor chord.

The Beatles - Happiness Is A Warm Gun

She's not a girl who misses much
Doo doo doo doo doo doo oh yeah
Vox on the 6 of the chord

She's well acquainted with the touch of the velvet hand
Like a lizard on a window pane
The man in the crowd with the multicolored mirrors on his

Hobnail boots
Lying with his eyes
While his hands are busy working overtime
A soap impression of his wife, which he ate
And donated to the National Trust

Switch to 3/4

I need a fix 'cause I'm goin' down
Down to the bits that I left up town
I need a fix, 'cause I'm goin' down
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun

Happiness is a warm gun
(Bang, bang, shoot, shoot)
Happiness is a warm gun, mama
(Bang, bang, shoot, shoot)
When I hold you in my arms (oh yeah)
And I feel my finger on your trigger (oh yeah)
I know nobody can do me no harm
Because (happiness) is a warm gun mama
(Bang, bang, shoot, shoot)

Hanging stop

Happiness is a warm, yes it is...

Don't you know that happiness
(Is a warm gun yeah)

The Beatles - Revolution

You say you want a revolution, well you know
We all want to change the world
You tell me that it's evolution, well you know
We all want to change the world
But when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be alright
Don't you know it's gonna be alright

You say you got a real solution, well you know
We'd all love to see the plan
You ask me for a contribution, well you know
We're all doing what we can

But if you want money from people with minds that hate
All I can tell you is brother you have to wait
Don't you know it's gonna be alright
Don't you know it's gonna be alright
Don't you know it's gonna be alright

The Beatles - Something

After the first 'I don't know' in each chorus, I do a descending A --> Ab --> G --> Gb --> F --> E. I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' on guitar; that F always feels like a rocky start. Sometimes I just skip the 'intro'. When I play that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Already Gone

G D C C
x2

Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you
And you'll soon find out it's true
And then you'll have to eat your lunch all by yourself

'Cause I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
Woo-hoo-hoo, my my, woo-hoo-hoo

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

I don't usually do the key change when I'm singing

Hold the first two chords
Yes I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
Hold all three chords
'Cause I'm already gone

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway, I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle and she showed me the way

There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place

The Indigo Girls - Closer to Fine

Originally in G capo 2, so really A.
My vocal comments are written in G.

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

Melody on the 5 (D)
\[ G \quad Am7sus4 \quad Cadd9 \quad D \]
I'm trying to tell you something about my life
\[ G \quad Am7sus4 \quad Cadd9 \quad D \]
Maybe give me insight between black and white
\[ D11 \quad C \]
The best thing you've ever done for me
\[ D11 \quad C \]
Is to help me take my life less seriously
It's only life
\[ G \quad Am7sus4 \quad Cadd9 \quad D \]
After all

Harmony enters on the 1 (G)
\[ G \quad Am7sus4 \quad Cadd9 \quad D \]
Well the darkness has a hunger that's insatiable
\[ G \quad Am7sus4 \quad Cadd9 \quad D \]
And the lightness has a call that's hard to hear
\[ D11 \quad C \]
I wrap my fear around me like a blanket
\[ D11 \quad C \]
I sailed my ship of safety till I sank it
\[ G \quad C \quad G \]
I'm crawling on your shore

High part on F#, low on A
\[ D \quad Cadd9 \quad G \]
I went to the doctor, I went to the mountains
\[ D \quad Cadd9 \quad G \]
I looked to the children, I drank from the fountain
\[ D11 \quad C \]
There's more than one answer to these questions
\[ C \quad G \]
Pointing me in a crooked line

Low part on A, high on D
\[ D11 \quad C \]
The less I seek my source for some definitive

High part on E, low on C. It's actually the low part that
I woke up with a headache like my head against a board
Twice as cloudy as I'd been the night before
And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountain
We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain
We go to the bible, we go through the workout
Let ring on "stand up" and "lookout"
We read up on revival and we stand up for the lookout

There's more than one answer to these questions
Pointing me in a crooked line
The less I seek my source for some definitive
The closer I am to fine
The Jackson Five - I Want You Back
