Big and Rich - Save a Horse (Ride a Cowboy)

Intro, with Mr.-Brownstone-y b3's
E A
x 4

Vox on the 1
E
Well, I walk into the room
A
Passing out hundred dollar bills
E
And it kills, and it thrills, like the horns on my
A
Silverado grill

E
And I buy the bar a double round of Crown
A
And everybody's getting down
E A
And this town, ain't never gonna be the same

Vox originally on the b3 the whole line, but
easier to do the 1 until "horse"
E
'Cause I saddle up my horse
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty

E
Riding up and down Broadway
A
On my old stud Leroy
D E G A
And the girls say --> save a horse, ride a cowboy
D E G A
Everybody says --> save a horse, ride a cowboy

Solo on verse chords

More or less spoken
E
I'm a thoroughbred that's what she said
A
In the back of my truck bed
E
As I was gettin' buzzed on suds
A
Out on some back country road

E
We were flying high, fine as wine
A
Having ourselves a big and rich time
And I was going, just about as far as she'd let me go

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could think of
And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy
Bill Withers - Ain't No Sunshine

The progression at the end of the verse is really $\text{Em} \rightarrow \text{Dm} \rightarrow \text{Am}$,

I prefer it as $\text{Dm7} \rightarrow \text{F} \rightarrow \text{Am}$

Starts voice only, on the 5 (E in Am)

$\text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Ain't no sunshine when she's gone

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

It's not warm when she's away

$\text{Dm7}$

Ain't no sunshine when she's gone

$\text{Em7} \quad \text{F}$

And she's always gone too long

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Anytime she goes away

$\text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Wonder this time where she's gone

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Wonder if she's gone to stay

$\text{Dm7}$

Ain't no sunshine when she's gone

$\text{Em7} \quad \text{F}$

And this house just ain't no home

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Anytime she goes away

$\text{Am}$

And I know, I know, I know, I know, I know

I know, I know, I know, I know, I know, I know

I know, I know, I know, I know, I know, I know

I know, I know, I know, I know, I know, I know

I know, I know, I know, I know, I know, I know

Hey, I ought to leave the young thing alone

$\text{F} \quad \text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

But ain't no sunshine when she's gone

$\text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Ain't no sunshine when she's gone

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

Only darkness everyday

$\text{Dm7}$

Ain't no sunshine when she's gone

$\text{Em7} \quad \text{F}$

And this house just ain't no home

$\text{G} \quad \text{Am} \quad \text{Em} \quad \text{Em/G} \quad \text{Am}$

If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my
younger days

_D_
Oh, then you should have known me much better
Cause my past is something that never

_A_
Got in my way oh no

Still I would not be here now if I never had the
hunger
And I'm not ashamed to say the wild boys were
my friends

And then I was saved, yeah

Only Flagg Brothers had them with the Cuban

Iridescent socks with the same color shirt
And a tight pair of chinos

I put on my shark skin jacket
You know the kind with the velvet collar

And ditty-bop shades

We took a fresh pack of Luckies and a mint called
Sen-Sen
My old man's Trojans and his Old Spice after
shave

_I was keeping the faith_

Combed my hair in a pompadour
Like the rest of the Romeos wore

Just a word or two that she gets from you could

Ay-ay yo, oh
I am the entertainer and I know just where I stand

Another serenader and another long-haired band

Today I am your champion, I may have won your hearts

But I know the game, you'll forget my name

And I won't be here in another year

If I don't stay on the charts

I am the entertainer and I've had to pay my price

The things I did not know at first I learned by doin' twice

Ah, but still they come to haunt me

Still they want their say

So I've learned to dance with a hand in my pants

Let 'em rub my neck and I write 'em a check

And they go their merry way

I am the entertainer, been all around the world

I've played all kinds of palaces and laid all kinds of girls

I can't remember faces, I don't remember names

Ah, but what the hell, you know it's just as well

'Cause after a while and a thousand miles

It all becomes the same

I am the entertainer, I bring to you my songs

I'd like to spend a day or two, but I can't stay that long

No, I've got to meet expenses, I got to stay in line

Gotta get those fees to the agencies

And I'd love to stay but there's bills to pay

So I just don't have the time

I am the entertainer, I come to do my show

You've heard my latest record, it's been on the radio

Ah, it took me years to write it, they were the best years of my life

It was a beautiful song, but it ran too long

If you're gonna have a hit, you gotta make it fit

So they cut it down to 3:05

D5 E5
Generals gathered in their masses

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D Em
But here I am, on the road again
D Em
Here I am, up on stage
D A
Here I go, playing the star again
C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play

Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said

Em
But here I am, on the road again
Bob Seger - Turn The Page

Now getting loud again...

Now as you close your eyes
Know I'll be thinking about you
While my mistress she calls me
To stand in her spotlight again
Tonight I won't be alone

I am a little bear
So cute with fuzzy hair
Once upon a time I was so nice
Now I'm loved and hugged no more
And I'm stuck here at this store
And nine ninety-nine is my new price
I used to hang around
All glossy black and brown
In a high-rise apartment oh so fancy
But I lost my button eye
And began to slowly die
And now it's up to you to bring me mercy
This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn, old, and pale
And I am for sale
What I need is for someone to pick me
I was put out with the trash
With the fireplace ash
Torn dirty and clean out of luck
But the garbage men were kind
And they sewed up my behind
And put me on the grill of their truck
I lived there for a year
And shed so many tears
'Til one day I fell underneath the tires
Now the only single way
I'll go home with you today
Is if you're desperate for a doll
That's sick and tired
This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone to pick me
You saved me little kid
You saw that I had stories left to tell
Now your mom is getting used to a
Although she is confused by a
Slightly stinky old bear smell

This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone
What I need is for someone

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

C        Am

Em            D
If the bible tells you so?
And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

And there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be quick
Jack Flash sat on a candle
Stick, 'cause fire is the devil's only friend
And as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could bread that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite
Don McLean - American Pie

I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music
Wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A
in Em.
Crazy chromatic key changes are also common, but I
skip that when
doing it acoustic. This is fun to do with just bass and
vox, in
which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D   B7   Em
Never know how much I care
Em
When you put your arms around me
 B7   Em
I get a fever that's so hard to bear

Em C

Gotye - Somebody That I Used to Know

Originally in Dm, I play in Am, which is really low in the verse, so take all opportunities to take the melody up rather than down. Playing in the original key and dropping the chorus an octave is also reasonable.

Am  G  Am  G  Am  G
Glad that it was over

Gotye - Somebody That I Used to Know

And I wouldn't catch you hung up on somebody
that you used to know

Am    G        F        G
But you didn't have to cut me off
Am    G        F
Make out like it never happened

And that we were nothing
    G    F        G
And I don't even need your love
    Am    G
But you treat me like a stranger
    F    G
And that feels so rough
Am    G        F        G
No you didn't have to stoop so low
Am    G        F
Have your friends collect your records
    G    Am
And then change your number

I guess that I don't need that though

Grease - Freddy My Love

Originally in Db, I play in E
Get the vox ready for "flipped over that gray cashmere sweater", and also think hard about how serious you are about the melody in the bridge. It's rhythmically simple, but melodically wild. Plan on a class-II train wreck in the bridge.

B7 B6 B+ B7

Vox start on the 1
E Emaj7 A
Freddy my love, I miss you more than words can say

Vox on the 7 of the chord on "touch", down to the 3 of the chord on "way"

then on the 5 on "gray", which is not awkward.

Freddy my love

Vox on 3 1 of the first chord ("keep your"), then 1 5 of the second ("from me").
That sets the tone, although this bridge is super-complicated to sing. Just hit the high 3 of the chord on "mind" at the end and it will be OK.

Intro

A
Well I ain't never been the Barbie doll type
No I can't swig that sweet champagne
Walk up through 2-b3-3 starts on "beer"
I'd rather drink beer all night

D
In a tavern, or in a honky-tonk
Or on a four-wheel drive tailgate

A
I've got posters on my wall of Skynyrd, Kid, and Strait

E7
Some people look down on me, but I don't give a rip

D
I'll stand bare-footed in my own front yard
Hard stop on "baby"
With a baby on my hip

A
'Cause I'm a redneck woman
I ain't no high-class broad
I'm just a product of my raising
I say hey y'all and yee-haw

D
And I keep my Christmas lights on
Hard stop on "let"
On my front porch all year long

A
And I know all the words to
Every Charlie Daniels song

E7
So here's to all my sisters
Out there keeping it country

No hard stop this time
D
Let me get a big hell yeah

D D
From the redneck girls like me

C A
Hell yeah

A
Victoria's Secret, well their stuff's real nice
Oh but I can buy the same damn thing
On a Walmart shelf half-price
And still look sexy, just as sexy, as those models

D
No, I don't need no designer tag
To make my man want me

E7
You might think I'm trashy, a little too hard-core

D
But in my neck of the woods, I'm just the girl next door

A
Hey I'm a redneck woman
I ain't no high-class broad
I'm just a product of my raising
I say hey y'all and yee-haw

D
And I keep my Christmas lights on
On my front porch all year long

A
And I know all the words to
Every Tanya Tucker song

Out there keeping it country

I usually capo 3 for this, so it's just higher than an octave down from the original.

She's got a smile that it seems to me
C
Reminds me of childhood memories
G
Where everything
D
Was as fresh as the bright blue sky

Now and then when I see her face
C
She takes me away to that special place
G
And if I'd stare too long
D
I'd probably break down and cry

Soft, crescendo through the chorus

To quietly pass me by

Woah, oh, sweet child o' mine
A C D
Woah, oh, sweet love of mine
A C D
Woah, oh, sweet child o' mine, oooh yeah
A C D
Woah, oh, sweet love of mine

And see an ounce of pain
D
Her hair reminds me of a warm safe place
C
Where as a child I'd hide
G
And pray for the thunder and the rain

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don’t go up to “got by” (which is a G), just stay on the E. Similarly, sing the “how do i get you alone?” on E, F, E→D instead of G, F, E→D.

I play the intro roughly as follows, leaving the second line on the m(7, not 9) to make the transition easier. Also not hitting the high string on that last chord will make the transition sound smoother.

Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

D G
On a warm summer's evenin' on a train bound for
nowhere
G D
I met up with the gambler, we were both too
tired to sleep
D G
So we took turns a-starin' out the window at the
darkness
G D A D
Till boredom overtook us, and he began to speak
D G
He said, son, I've made a life out of readin'
people's faces
G D
And knowin' what their cards were by the way
they held their eyes
D G
And if you don't mind my sayin', I can see you're
out of aces
G D A
For a taste of your whiskey I'll give you some
device
D G
So I handed him my bottle and he drank down my
last swallow
G D
Then he bummed a cigarette and asked me for a
light
D G
And the night got deathly quiet, and his face lost
all expression

Key change

E A E
Ev'ry gambler knows that the secret to survivin'
E A
Is knowin' what to throw away and knowing what
B to keep
E A
'Cause ev'ry hand's a winner and ev'ry hand's a
E loser
A E B
And the best that you can hope for is to die in
E your sleep
E A
And when he'd finished speakin', he turned back
E towards the window
A E B
Crushed out his cigarette and faded off to sleep
E A
And somewhere in the darkness the gambler, he
E broke even
Kenny Rogers - The Gambler

But in his final words I found an ace that I could keep

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I’m feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it’s a long 4 (“caaaaallllling”), and there’s an awful lot of 3.

In A, play the intro A/E as:

- x -
- 2 -
- 2 -
- 2 -
- 4 -
- 0 -

A/E E A/E E A/E E A/E E
D/A A D/A A D/A A D/A A

Vox on 3-->2 of the first chord on "Gloria"
A/E E D/A A

Gloria, you’re always on the run now
A/E E

Running after somebody, you gotta get him somehow
A/E E

I think you’ve got to slow down
D/A A

Before you start to blow it
A/E E

I think you’re headed for a breakdown
D/A A

So be careful not to show it

Vox stay where they were on "you really don’t", then up to 3 2 1 of the chord on me-hem-ber
F#m B7

You really don’t remember
E Amaj7

Was it something that he said?
D E A

Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was
A/E E D/A A

Gloria, don’t you think you’re falling?
Both these phrases go up...

A/E E D/A

If everybody wants you, why isn’t anybody calling?

You don’t have to answer
G D E

Leave them hanging on the line, oh-oh-oh, calling
A Gloria

Vox start this line where "Gloria" was

Gloria (Gloria), I think they got your number (Gloria)

A/E E

I think they got the aliases (Gloria)
Go up on to the 4 on "under"

Vox back to where the first verse was, on 3-->2 of the first chord on "Gloria"
A/E E D/A

A-ha-ha, a-ha-ha, Gloria, how’s it gonna go down?
A

A/E E

Will you meet him on the main line
D/A A

Or will you catch him on the rebound?
A/E E

Will you marry for the money
D/A A

Take a lover in the afternoon?
A/E E

Feel your innocence slipping away

Don’t believe it’s coming back soon
Laura Branigan - Gloria

And you really don't remember

**Intro**

```
D D A A D A D D D

```

I was cutting the rug, down at place called The Jug

With a girl named Linda Lou

When in walked a man with a gun in his hand

And he was looking for you know who

He said hey there, fellow with the hair colored yellow

'Cause that's my woman there and I'm a man who cares

And this might be all for you

I said, "Excuse me"

I was scared and fearing for my life

I was shaking like a leaf on a tree

'Cause he was lean, mean, big and bad, lord

Pointin' that gun on me

Oh, wait a minute, mister I didn't even kiss her

Don't want no trouble with you

And I know you don't owe me but I wish you would let me

Ask one favor from you

Oh won't you gimme three steps, gimme three steps, mister

Gimme three steps toward your door

Gimme three steps, gimme three steps, mister

And you'll never see me no more

For, sure

Well the crowd cleared away, and I began to pray

And the water fell on the floor

And I'm telling you, son, well, it ain't no fun

Staring straight down a forty-four

Well, he turned and screamed at Linda Lou

And that's the break I was looking for

And you could hear me screaming a mile away

As I was headed out toward your door

Oh won't you gimme three steps, gimme three steps, mister

Gimme three steps toward your door

Gimme three steps, gimme three steps, mister

And you'll never see me no more

Show me the back door

Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7  D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

Am7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5

'Cause this is thriller, thriller night

D7
And no one's gonna save you from the beast about to strike

Am
You know it's thriller, thriller night

D7
You're fighting for your life inside a killer, thriller, tonight

Am7

Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7
There's no escapin' the jaws of the alien this time

Fmaj7
This is the end of your life

Am7

D7
They're out to get you there's demons closing in on every side
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzly ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it.

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start slowooow, the chorus is a lot of words.

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

The other night, dear as I lay sleeping
I dreamed I held you in my arms
When I awoke, dear I was mistaken
So I hung my head and cried

I've always loved you and made you happy
And nothing else could come between
But now you've left me to love another
You have shattered all of my dreams

You are my sunshine my only sunshine
You make me happy when skies are gray
You'll never know, dear

Peter, Paul, and Mary - Right Field

Saturday summers when I was a kid
We'd run to the school yard and here's what we did
We'd pick out the captains and we'd choose up the teams
It was always a measure of my self esteem
Cause the fastest, the strongest played shortstop and first
The last ones they picked were the worst
I never needed to ask, it was sealed
I just took up my place in right field
Playing right field, it's easy you know
You can be awkward, you can be slow
That's why I'm here in right field
Just watching the dandelions grow

Playing right field can be lonely and dull
Little leagues never have lefties that pull
I dream of the day, when they hit one my way
They never did, but still I would pray
That I'd make a fantastic catch on the run
And not lose the ball in the sun
And then I'd awake from this long reverie

And pray that the ball never came out to me
Here in right field, it's easy you know
You can be awkward, you can be slow
That's why I'm here in right field
Just watching the dandelions grow

Solo if appropriate
Playing right field can be lonely and dull
Little leagues never have lefties that pull
I dream of the day, when they hit one my way
They never did, but still I would pray
That I'd make a fantastic catch on the run
And not lose the ball in the sun
And then I'd awake from this long reverie

Here in right field, it's important you know
You gotta know how to catch, you gotta know how to throw
That's why I'm here in right field
Just watching the dandelions grow

Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

\[
\begin{align*}
G & \quad D \quad C \quad D \\
& \times 2
\end{align*}
\]

Someone got themselves a letter

\[
\begin{align*}
G & \quad D \quad C \quad D
\end{align*}
\]

In the mail the other day

\[
\begin{align*}
G & \quad D \quad C \quad D
\end{align*}
\]

It's already worn and tattered

\[
\begin{align*}
G & \quad D \quad C \quad D

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Bridge

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets?

The Beatles - Let It Be

*Originally in C, I play in A, or maybe Bb on piano*

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken hearted people

Living in the world agree

There will be an answer, let it be

But though they may be parted

There is still a chance that they will see

There will be an answer, let it be

Let it be, let it be, let it be, let it be

There will be an answer, let it be

*Interlude, which I usually play even when there's no solo.*

And when the night is cloudy

There is still a light that shines on me

Shine until tomorrow, let it be

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Cars - You Might Think

Originally in D, I play in A capo 1

A D E A
A D E F#m
D E A A

You might think I'm crazy, to hang around with you

Maybe you think I'm lucky, to have something to do

But I think that you're wild

Inside me is some child

You might think I'm foolish

Oh baby it's untrue (you might think)

You might think I'm crazy (all I want)

All I want is you

You might think it's hysterical, but I know when you're weak

You think you're in the movies, and everything's so deep

But I think that you're wild

When you flash that fragile smile

You might think it's foolish

What you put me through (you might think)

You might think I'm crazy (all I want)

All I want is you

And it was hard, so hard to take

There's no escape, without a scrape

Hard stop on both chords here

But you kept it going, till the sun fell down

You kept it going

Solo if appropriate, skip if solo acoustic

You might think I'm delirious, the way I run you down

Well you might think I'm curious, I'll be back around

And I think that you're wild

And so uniquely styled

You might think it's foolish

This chancy rendezvous (you might think)

You might think I'm crazy (all I want)

All I want is you

The Eagles - Lyin' Eyes

\[ G \quad Gm7 \quad C \]
\[ Am \quad D \quad G \]

\[ G \quad Gm7 \quad C \]
City girls just seem to find out early
\[ Am7 \quad D \]
How to open doors with just a smile
\[ G \quad Gm7 \quad C \]
A rich old man, and she won't have to worry

The House Jacks - Gone

*Originally in D, I play in A.*

Vox on the 6 on "blu"

Bluish gray suns don't rise

Bathing deep in the stolen dreams from borrowed times

The morning breaks to vacant signs of

You

And the shallow pools as if the tears were mine

And I search my faith to never find a clue

And now you're gone, somehow you're gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

You're everything I could depend on

And now all you are is gone

And now all you are is gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

You're everything I could depend on

And now all you are is gone

And now all you are is gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before
And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountain
We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain
We go to the bible, we go through the workout
Let ring on "stand up" and "lookout"
We read up on revival and we stand up for the lookout

There's more than one answer to these questions
Pointing me in a crooked line
The less I seek my source for some definitive
The closer I am to fine

The closer I am to fine

Van Halen - Dreams

Van Halen - Dreams

Started in C, I play in C an octave down, and it’s *still* a little too high. Insane.

Start with a slow approximation of the intro riff

\[
\begin{align*}
\text{Cadd9} & \quad \text{F} & \quad \text{Am} & \quad \text{G} \\
\text{Fsus2} & \quad \text{Am7} \\
\text{Csus4} & \quad \text{C} & \quad \text{Csus2} \\
\text{Csus4} & \quad \text{C} & \quad \text{Csus2}
\end{align*}
\]

Now fast, with excessive suspensions

I play only one of these, or play both but double-time

\[
\begin{align*}
\text{C} & \quad \text{C/E} & \quad \text{F} & \quad \text{G} \\
\text{C} & \quad \text{C/E} & \quad \text{Am} & \quad \text{G}

\]

\[
\begin{align*}

\text{World turns black and white} & \quad \text{Am} \\
