Big and Rich - Save a Horse (Ride a Cowboy)

**Intro, with Mr.-Brownstone-y b3's**

\[ E \quad A \]

\[ E \quad A \]

\[ E \quad A \]

**Vox on the 1**

\[ E \]

Well, I walk into the room

\[ A \]

Passing out hundred dollar bills

\[ E \]

And it kills, and it thrills, like the horns on my

\[ A \]

Silverado grill

\[ E \]

And I buy the bar a double round of Crown

\[ A \]

And everybody's getting down

\[ E \]

And this town, ain't never gonna be the same

\[ E \]

**Vox originally on the b3 the whole line, but easier to do the 1 until "horse"**

\[ E \]

'Cause I saddle up my horse

\[ E \]

Vox down to the 1 of the chord on "ride"

\[ A \]

And I ride into the city

\[ E \]

I make a lot of noise

\[ A \]

'Cause the girls they are so pretty

\[ E \]

Riding up and down Broadway

\[ A \]

On my old stud Leroy

\[ D \\ E \\ G \\ A \]

And the girls say --> save a horse, ride a cowboy

\[ D \\ E \\ G \\ A \]

Everybody says --> save a horse, ride a cowboy

\[ E \]

**More or less spoken**

\[ E \]

I'm a thoroughbred that's what she said

\[ A \]

In the back of my truck bed

\[ E \]

As I was gettin' buzzed on suds

\[ A \]

Out on some back country road

\[ E \]

We were flying high, fine as wine

\[ A \]

Having ourselves a big and rich time

\[ E \]
And I was going, just about as far as she'd let me go

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could think of
And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy

I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

Hey lord, take a look all around

D
Tonight to find where my baby's gonna be

Hey lord, would ya look out for her tonight

'Cause she is far across the sea

Hey lord, would ya look out for her tonight

And make sure that she's gonna be alright

And things are gonna be alright with me

Hey lord, would ya look out for her tonight

And make sure that all her dreams are sweet

Said now, would ya guide her along the roads

And make them softer for her feet

Hey lord, would ya look out for her tonight

And make sure that she's gonna be alright

Until she's home and here with me

Hey, lord would ya look out for her tonight

If she is sleepin' under the sky

Said now, make sure the ground she's sleepin' on

Is always warm and dry

Because my baby hates to cry

Hey lord, would ya look out for her tonight

'Cause it gets rough along the way

Said now, this song seems strange it's just because

I don't know how to pray

Mmmm, don'tcha give her too much rain

Try to keep her away from pain

Because my baby hates to cry

Hey lord, would ya look out for her tonight

'Cause it gets rough along the way

Said now, this song seems strange it's just because

I don't know how to pray

Mmmm, won'tcha give her peace of mind

And if you ever find the time

Won'tcha tell her I miss her everyday

'Cause you might enjoy some madness for a while

Now think of all the years you tried to
Find someone to satisfy you

I might be as crazy as you say
If I'm crazy then it's true
That it's all because of you
And you wouldn't want me any other way

You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights it's too late to change me
You may be wrong for all I know
But you may be right

Turn out the lights, aww don't try to save me

Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Blues Traveler - Hook

This tide of catchy little tunes
Or hip three-minute ditties
I wanna bust all your balloons
I wanna burn all of your cities

To the ground I've found
I will not mess around
Unless I play then hey
I will go on all day
Hear what I say, I have a prayer to pray
That's really all this was
And when I'm feeling stuck and need a buck
I don't rely on luck because

Was that the hook brings you back
I ain't tellin' you no lie
The hoooooo
On that you can rely

Bob Dylan - The Times They Are A-Changin'

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin
And there's no tellin' who that it's namin'
For the loser now
Will be later to win
For the times they are a-changin'

Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled
There's a battle outside
And it's ragin'
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'

Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is rapidly agin'
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'
The line it is drawn
The curse it is cast

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to us as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha

D
You can listen to the engine, moanin' out its one note song

A
You can think about the woman, or the girl you knew the night before

Em
And your thoughts will soon be wandering the way they always do

D
When you're riding sixteen hours and there's nothing much to do

A
You don't feel much like writing, you just wish the trip was through

D Em
But here I am, on the road again

D Em
Here I am, up on stage

D A
Here I go, playing the star again

C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away

D
Every ounce of energy you try to give away

A
And the sweat pours out your body like the music that you play

Em
Later on that evening, as you lie awake in bed

D
The echoes of the amplifiers ringin' in your head

A
And you smoke the day's last cigarette, remembering what she said

D Em
But here I am, on the road again

Right now, I'm just in so much pain, baby, 'cause you just won't come back to me, will you?

Intro

Vox and guitar only
D

Madman drummers bammers and Indians in the
summer with a teenage diplomat
D
In the dumps with the mumps as the adolescent
pumps his way into his hat
D
With a boulder on my shoulder, feelin' kinda older
I tripped the merry-go-round
D

With this very unpleasing, sneezing and
wheezing, the calliope crashed to the ground

If you feel like it...
G A D
The calliope crashed to the ground

Band enters
D

Some all-hot half-shot was headin' for a hot spot
snappin' his fingers clappin' his hands
And some fleshpot mascot was tied into a lover's
knot with a whatnot in her hand
And now young Scott with a slingshot finally
found a tender spot and throws his lover in the
And some bloodshot forget-me-not whispers,
"Daddy's within earshot, save the buckshot, turn
up the band"

And she was blinded by the light
G A D
Oh, cut loose like a deuce another runner in the
night
G A D Bm
Blinded by the light
A
She got down but she never got tight, but she'll
make it alright

Hang on the minor chord
G Bm

Some brimstone baritone anti-cyclone rolling
A D
stone preacher from the East
D G
He says, "Dethrone the dictaphone, hit it in its
funny bone, that's where they expect it least"
D G
And some new-mown chaperone standin' in the
corner all alone watchin' the young girls dance
D G
And some fresh-sown moonstone was messin'
with his frozen zone to remind him of the feeling
of romance
D

And he was blinded by the light
G A D
Oh, cut loose like a deuce another runner in the
night
G A D Bm
Blinded by the light
A
He got down but he never got tight, but he's
gonna make it

Tonight

Bridge, quiet again
A
Some silicone sister with her manager's mister
told me I got what it takes
She said, "I'll turn you on sonny, to something
strong if you'll play that song with the funky
And Go-cart Mozart was checkin' out the weather
chart to see if it was safe to go outside
And little Early-Pearly came by in her curly-wurly
and asked me if I needed a ride

Loud again
Oh, some hazard from Harvard was skunked on
beer playin' backyard bombardier
Yes and Scotland Yard was trying hard, they sent
some dude with a calling card who said
"Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way
back home
He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on
your own"

And now in Zanzibar a shootin' star was ridin' in a
side car hummin' a lunar tune
Yes, and the avatar said, "Blow the bar but first
remove the cookie jar
We're gonna teach those boys to laugh too soon"

A screen door slams, Mary's dress waves

Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you're scared and you're thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Oh come take my hand

We're ridin' out tonight to case the promised land

Oh oh thunder road, oh thunder road, oh thunder road

Lyin' out there like a killer in the sun

Hey I know it's late, we can make it if we run

Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk

And my car's out back if you're

Ready to take that long walk
From your front porch to my front seat
The door’s open but the ride it ain’t free
And I know you’re hungry for words that I ain’t spoken
Tonight we’ll be free, all the promises will be broken
There were ghosts in the eyes of all the boys you sent away
They haunt this dusty beach road in the skeleton frames of
Burned-out Chevrolets
They scream your name at night in the street
Your graduation gown lies in rags at their feet
And in the lonely cool before dawn
You hear their engines roaring on
But when you get to the porch, they’re gone
On the wind, so Mary climb in
It’s a town full of losers, and I’m pulling out of here to win

Yesterday the sun shined but you knew that it wouldn't last
If yesterday was a bucket of seeds then today's just a patch of grass
When you woke up this morning you felt the rain fall on your head
Yesterday you cruised the sky but today you'll stay in bed

But you're an unusually blue bluebird

She don't got a lot to say but there's something about her
And you don't know why but you're dying to try

Possible she want you too, there is one way to ask her

Go on and kiss the girl

Boy too shy ain't gonna kiss the girl
Shalalalala ain't that sad it's such a
Shame, too bad, you're gonna miss the girl

So the letters came from an army camp
G
In California then Vietnam
C
And he told her of his heart, he might be in love
G
And all the things he was so scared of
G
He said when it's getting kinda rough over here
G
I think of that day sitting down at the pier
C
G
And I close my eyes and see your pretty smile
F
C
Don't worry but I won't be able to write for a while
G

Em
I cried
C
Never gonna hold the hand of another
G
Guy, too young for him they told her
D
Waiting for the love of a travelin' soldier
Em
Our love will never end
C
Waiting for the soldier to come back
G
Again, never more to be alone
D
G
When the letter says a soldier's coming home

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier

Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier

Our love will never end
Waiting for the soldier to come back

G D Em  
When the jester sang for the king and queen
Am7 C  
In a coat he borrowed from James Dean
Em A7 D  
In a voice that came from you and me
And while the king was looking down

The jester stole his thorny crown

The courtroom was adjourned

No verdict was returned

And while Lenin read a book on Marx

The quartet practiced in the park

And we sang dirges in the dark

The day the music died

We were singin'

So bye, bye Miss American Pie

Drove my Chevy to the levy but the levy was dry

And good old boys were drinkin' whiskey and rye

Singin' this'll be the day that I die

This'll be the day that I die

Helter skelter in a summer swelter

The birds flew off with a fallout shelter

Eight miles high and fallin' fast

It landed foul on the grass

The players tried for a forward pass

With the jester on the sidelines in a cast

Now the halftime air was sweet perfume

While sergeants played a marching tune

We all got up to dance

But we never got the chance

'Cause the players tried to take the field

The marching band refused to yield

Do you recall what was the feel

The day the music died?

We started singin'

So bye, bye Miss American Pie

Drove my Chevy to the levy but the levy was dry

And good old boys were drinkin' whiskey and rye

Singin' this'll be the day that I die

This'll be the day that I die

And there we were all in one place

A generation lost in space

With no time left to start again

So come on Jack be nimble, Jack be quick

Jack Flash sat on a candle

Stick, 'cause fire is the devil's only friend

And as I watched him on the stage

My hands were clenched in fists of rage

No angel born in Hell

Could bread that Satan's spell

And as the flames climbed high into the night

To light the sacrificial rite

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A
in Em.
Crazy chromatic key changes are also common, but I
skip that when
doing it acoustic. This is fun to do with just bass and
vox, in
which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D B7 Em
Never know how much I care
Em
When you put your arms around me
B7 Em
I get a fever that's so hard to bear

Em C
You give me fever, when you kiss me

Fastball - Out of My Head

Sometimes I feel like I am drunk behind the wheel
The wheel of possibility
However it may roll
Give it a spin, see if it can somehow factor in
You know there's always more than one way
To say exactly what you mean to say

Was I out of my head, was I out of my mind?
How could I have ever been so blind?
I was waiting for an indication
It was hard to find
Don't matter what I say, no matter what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up too

Guitar solo on chorus chords... if there's _anyone_ around to play it
it would push the song over that critical 60-second mark.

George Michael - Faith

Originally somewhere between B and C, I play in A

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

Bass and drums enter when vox come in, drums still pretty sparse

Well I guess it would be nice if I could touch your body

I know not everybody has got a body like you

But I've got to think twice before I give my heart away

Girl I know all the games you play 'cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Hard stop on 'door'

Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith

I gotta have faith

I gotta have faith, a-faith, a-faith

Hard stop on last "faith"

I gotta have faith

Grease - Freddy My Love

Originally in Db, I play in E
Get the vox ready for “flipped over that gray cashmere sweater”,
and also think hard about how serious you are about the melody in the bridge. It’s rhythmically simple, but melodically wild. Plan on a class-II train wreck in the bridge.

B7 B6 B+ B7

Vox start on the 1
E Emaj7 A
Freddy my love, I miss you more than words can say
Vox on the 7 of the chord on “touch”, down to the 3 of the chord on “way”

Vox on 3 1 of the first chord ("keep your"), then 1 5 of the second ("from me").
That sets the tone, although this bridge is super-complicated to sing. Just hit the high 3 of the chord on “mind” at the end and it will be OK.

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don’t go up to “got by” (which is a G), just stay on the E. Similarly, sing the “how do i get you alone?” on E,F,E→D instead of G,F,E→D.

Vox on the 5 of the chord
Now I see you standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington Square

Our breath comes out of white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could have died then and there

Play long riff if not rocking

Now you're telling me you're not nostalgic
Then give me another word for it you who are so good with words
And at keeping things vague

'Cause I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly, and if you're offering diamonds and rust
I've already paid

John Lennon - Just Like Starting Over

Our life, together, is so precious, together

We have grown, we have grown

Although our love, is still special

Let's take a chance and fly away somewhere

It's been too long since we took the time

No one's to blame, I know time flies so quickly

But when I see you darlin'

It's like we both are fallin' in love again, it'll be

Just like starting over, starting over

Every day we used to make it, love

Why can't we be makin' love nice and easy

It's time to spread our wings and fly

Don't let another day go by, my love, it'll be

Just like starting over, starting over

Why don't we take off alone

Take a trip somewhere far, far away

We'll be together all alone, again

Like we used to in the early days

Sweet Home Alabama

Big wheels keep on turning,
Carry me home to see my kin,
Singing songs about the southland,
I miss ol' 'bamy once again, and I think it's a sin,

Well I heard mister Young sing about her
Well I heard old Neil put her down
Well I hope Neil Young will remember
A southern man don't need him around anyhow

Now Watergate does not bother me

I come from a land down under
Where beer does flow and men chunder

I skip the Bm intro and outros unless there's another guitar who wants to solo; it's kind of long to just doink around on one guitar.

Let the E ring out, then tempo up and into the closing riff.

When doing this acoustic, I like to hit the Em's on the and of 2, instead of the and of 1 like the original. Spending an 8th note on D is a little lame with a single acoustic.

Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7  D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Original vox on 1 7 on "thriller", I just do 5 5

Am  Am G/B  C

'Cause this is thriller, thriller night

D7  Dm7
And no one's gonna save you from the beast about to strike

Am  Am G/B  C
You know it's thriller, thriller night

D7  F7  D7
You're fighting for your life inside a killer, thriller, tonight

Am7

Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7  Am7/G  F#m7b5
There's no escapin' the jaws of the alien this time

Fmaj7  E7sus4  E7
This is the end of your life

Am7

D7
They're out to get you there's demons closing in on every side
They will possess you unless you change the number on your dial
Now is the time for you and I to cuddle close together
All through the night I'll save you from the terror on the screen
I'll make you see

That this is thriller, thriller night
'Cause I can thrill you more than any ghost would ever dare try
Thriller, thriller night
So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

Darkness falls across the land the midnight hour is close at hand Creatures crawl in search of blood to terrorize y'all's neighborhood And whosoever shall be found without the soul for getting down Must stand and face the hounds of hell and rot inside a corpse's shell The foulest stench is in the air the funk of forty thousand years And grizzly ghouls from every tomb are closing in to seal your doom And though you fight to stay alive your body starts to shiver

For no mere mortal can resist the evil of the thriller

End on "thrill you tonight", or keep going if appropriate...
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it).

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start slooooow, the chorus is a lot of words.

**Misc - You Are My Sunshine**

I play in E capo 3 with fast swung 8ths and 6ths
I'm also partial to skipping the first chorus
Vox on 5 1 6 on "you are my", 3 on "sunshine"

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

The other night, dear as I lay sleeping
I dreamed I held you in my arms
When I awoke, dear I was mistaken
So I hung my head and cried

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

I've always loved you and made you happy
And nothing else could come between
But now you've left me to love another
You have shattered all of my dreams

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear

The road to nowhere's gonna pass me by
I hope we never have to say goodbye
I never want to live without you, yeah

Paul Simon - 50 Ways to Leave Your Lover

I wish there was something I could do to make you smile again.

I said I appreciate that and would you please explain about the fifty ways.

And then she kissed me and I realized she probably was right.

Fifty ways to leave your lover.

You just slip out the back, Jack.
Make a new plan, Stan.
You don't need to be coy, Roy.
Just get yourself free.
Hop on the bus, Gus.
You don't need to discuss much.
Just drop off the key, Lee.
And get yourself free.

She said it grieves me so to see you in such pain.

Stand in the place where you live, now face north
Think about direction, wonder why you haven’t before
Now stand in the place where you work, now face west
Think about the place where you live, wonder why you haven’t before

If you are confused check with the sun
Carry a compass to help you along
Your feet are going to be on the ground
Your head is there to move you around, so

Stand, stand! Now face north
Think about direction, wonder why you haven’t before
Stand, stand! Now face west
Think about the place where you live, wonder why you haven’t

If wishes were trees the trees would be falling
Listen to reason, the season is calling
Your feet are going to be on the ground
Your head is there to move you around, so

Stand in the place where you live, now face north
Think about direction, wonder why you haven’t before
Now stand in the place where you work, now face west

D/G A/G Bm7/G Asus4 A

Oh, I can't fight this feeling any longer
And yet, I'm still afraid to let it flow
What started out as friendship, has grown
stronger
I only wish I had the strength to let it show
I tell myself that I can't hold out forever
I say there is no reason for my fear
'Cause I feel so secure when we're together
You give my life direction
You make everything so clear
And even as I wander, I'm keeping you in sight
You're a candle in the window on a cold dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore

And throw away the oars forever
Cause I can't fight this feeling anymore

And it always seems that I'm following you, girl
'Cause you take me to the places that alone I'd never find

And even as I wander, I'm keeping you in sight
You're a candle in the window on a cold dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore

Red Hot Chili Peppers - Under the Bridge

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend

Is the city I live in, the city of angels

Lonely as I am together we cry

I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am

She sees my good deeds and she kisses me windy

I never worry now that is a lie

I don't ever want to feel like I did that day
Take me to the place I love, take me all the way

It's hard to believe that there's nobody out there

It's hard to believe that I'm all alone
At least I have her love, the city she loves me

Lonely as I am together we cry

I don't ever want to feel like I did that day
Take me to the place I love, take me all the way

They said that there's no more tears
But I don't know why they say that

At least I have her love, the city she loves me

Lonely as I am together we cry

I don't ever want to feel like I did that day
Take me to the place I love, take me all the way

I got in town a month ago
I seen a lotta girls since then
If I could meet 'em I could get 'em but as yet I haven't met 'em
That's why I'm in the shape I'm in

Here another Saturday night and I ain't got nobody
I got some money 'cause I just got paid
Now how I wish I had someone to talk to
I'm in awful way

Now, another fella told me he had a sister who looked just fine
Instead of being my deliverance, she had a strange resemblance
To a cat named Frankenstein

Here another Saturday night and I ain't got nobody

Now how I wish I had some chick to talk to
I'm in awful, one more time

Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

\[G\ D\ C\ D\]
\[x 2\]

\[G\ D\ C\ D\]
Someone got themselves a letter
\[G\ D\ C\ D\]
In the mail the other day
\[G\ D\ C\ D\]
It's all ready worn and tattered
\[G\ D\ C\ D\]
And I guess it gives away

\[Am\ G\]
All the things we keep inside
\[Am\ D\]
All the things that really matter
\[Am\ G\]
The face puts on its best disguise
\[Am\ D\ G\]
And all is well until the heart betrays

\[G\ D\ C\ D\]
\[x 2\]

\[G\ D\ C\ D\]
She knows as she reads the letter that
\[G\ D\ C\ D\]
Things were bound to stray
\[G\ D\ C\ D\]
The wind blows, she pulls her coat tighter
\[G\ D\ C\ D\]
And the letter flies away

\[Am\ G\]
With all the things she keeps inside
\[Am\ D\]
All the things that really matter
\[Am\ G\]
The face puts on its best disguise
\[Am\ D\ G\]
And all is well until the heart betrays

Interlude, band enters on last chord in second phrase

\[G\ Em\ C\ D\]
\[x 2\]

\[G\ C\]
Lord bring on the night
\[G\ D\]
Wrap it all around me
\[G\ C\]
Let it hold me tight
\[G\ D\]
Soak up all that I bleed

\[G\ C\]
Lord bring on the night
\[G\ D\]
Wrap it all around me
\[G\ C\]
Let it hold me tight
\[G\ D\]
Soak up all that I bleed

\[G\ C\ D\]
And I'll fly away
\[G\ C\]
Yea I'll fly away
\[G\ D\]
Lord I'll fly away, watch me

Raging solo with *lots* of fast triplets...

\[G\ C\]
Lord bring on the night
\[G\ D\]
Wrap it all around me
\[G\ C\]
Let it hold me tight
\[G\ D\]
Soak up all that I bleed

\[G\]

Sesame Street - I Don't Want to Live on the Moon

Well I'd like to visit the moon
On a rocket ship high in the air
Yes I'd like to visit the moon
But I don't think I'd like to live there

Though I'd like to look down at the Earth from above
I would miss all the places and people I love
So although I might like it for one afternoon
I don't want to live on the moon

I'd like to travel under the sea
I could meet all the fish everywhere
Yes I'd travel under the sea
But I don't think I'd like to live there

I might stay for a day there if I had my wish
But there's not much to do when your friends are all fish
And an oyster and clam aren't real family
So I don't want to live in the sea

Somebody once told me the world is gonna roll me

I ain't the sharpest tool in the shed

She was looking kind of dumb with her finger and her thumb

In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming

Fed to the rules and I hit the ground running

Didn't make sense not to live for fun

Your brain gets smart but your head gets dumb

So much to do, so much to see

So what's wrong with taking the back streets

You'll never know if you don't go

You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play

Hey now, you're a rock star, get the show on, get paid

It's the eye of the tiger, it's the thrill of the fight
**Sweet - Ballroom Blitz**

**Prep note:** decide what you're going to do for vox in the chorus (see below).

I play the riff as:
- E 0221xx
- A/E 0422xx
- Asus4/E 0522xx
- Then A/E, E

**8 measures drums**

Are you ready Steve? Uh huh
Andy? Yeah
Mick? OK
Alright fellas, let's go!

**Riff x 4**

**Vox on the 6 (F# if the chord is A)**
- A

Well it's been getting so hard
Living with the things you do to me

**Riff x 2**

**My dreams are getting so strange**

I'd like to tell you everything I see

**Riff x 2**

**I write E, but it's close to NC**
- E

Oh I see a man at the back as a matter of fact
His eyes are as red as the sun
And a girl in the corner let no one ignore her

*Hard stop on "she"
She thinks she's the passionate one*

**E**

Oh yeah, it was like
- F#  A

Lightning, everybody was frightening
- C

And the music was soothing and they all started
- E

grooving

**These yeah's are basically on the 1**
- E

Yeah, yeah, yeah, yeah, yeah

**There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F# E D# E. Great if someone else can sing the real melody an octave down.**

**F#**
- A

And the man at the back said everyone attack
- B  E

And it turned into a ballroom blitz
- F#  A

And the girl in the corner said boy I wanna warn you
- B  E

And it turned into a ballroom blitz
- D5  D#5  E5

**Ballroom blitz**

**x4**

**Riff x 4, first two w/o drums**

- A

I'm reaching out for something
- E

Touching nothing's all I ever do

**Riff x 2**

- A

I softly call you over

**E**

When you appear there's nothing left of you

**Riff x 2**

- E

Now the man at the back is ready to crack
As he raises his hands to the sky
And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

**E**
- F#  A

Oh yeah, it was electric, so frightfully hectic
- C

And the band started leaping 'cause they all

**E**

stopped breathing
- E

Yeah, yeah, yeah, yeah, yeah
And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you
And it turned into a ballroom blitz
Bass breakdown and solo more or less on D D# E
It was like lightning, everybody was frightening
And the music was soothing and they all started grooving
Yeah, yeah, yeah, yeah, yeah
And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you
And it turned into a ballroom blitz
It's, it's a ballroom blitz
It's, it's a ballroom blitz
It's, it's a ballroom blitz
Yeah, it's a ballroom blitz

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am
I stay out too late
C
Got nothing in my brain
G
That's what people say, mmm
That's what people say, mmm

The Beach Boys - Sloop John B

Vox enter on the third (B)

We come on the sloop John B
My grandfather and me
Around Nassau town we do roam

Drinking all night

Got into a fight

Well I feel so broke up
I wanna go home

I wanna go home

So hoist up the John B's sail
See how the mainsail sets
Call for the captain ashore, let me go home

The first mate he got drunk
And broke in the captain's trunk
The constable had to come and take him away
Sheriff John Stone
Why don't you leave me alone, yeah yeah
Well I feel so broke up
I wanna go home

So hoist up the John B's sail
See how the mainsail sets
Call for the captain ashore, let me go home

Let me go home I wanna go home, yeah yeah
Well I feel so broke up I wanna go home

Let me go home I wanna go home, yeah yeah
Well I feel so broke up I wanna go home

Originally in Eb, I play in Eb but read in E

\[ E7 \]

If everybody had an ocean across the U.S.A.
Then everybody'd be surfin' like Californ-i-a
You'd see 'em wearin' their baggies, Huarachi sandals too
A bushy bushy blonde hairdo, surfin' U.S.A.

\[ E \]

You'll catch 'em surfin' at Del Mar, Ventura County
line
Santa Cruz and Trestles, Australia's Narabine
All over Manhattan, and down Doheny way
Everybody's gone surfin', surfin' U.S.A.

\[ E \]

We'll all be plannin' out a route, we're gonna take
real soon
We're waxin' down our surfboards, we can't wait
for June
We'll all be gone for the summer, we're on safari
to stay
Tell the teacher we're surfin', surfin' U.S.A.

Originally in C, I play in A.
I do the opening chorus super slow, then break into a syncopated triplet beat.
The first vocal note is the root (C in C), so the first 'love' is the 5 above that (G in C), i.e. the third of the opening minor chord.

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Indigo Girls - Closer to Fine

Originally in G capo 2, so really A, I play in G.

G Am7sus4 Cadd9 D

Melody on the 5 (D)
G Am7sus4 Cadd9 D
I'm trying to tell you something about my life
G Am7sus4 Cadd9 D
Maybe give me insight between black and white
D11 C
The best thing you've ever done for me
D11 C
Is to help me take my life less seriously
It's only life
G Am7sus4 Cadd9 D
After all

Harmony enters on the 1 (G)
G Am7sus4 Cadd9 D
Well the darkness has a hunger that's insatiable
G Am7sus4 Cadd9 D
And the lightness has a call that's hard to hear
D11 C
I wrap my fear around me like a blanket
D11 C
I sailed my ship of safety till I sank it
G C G
I'm crawling on your shore

High part on F#, low on A
D Cadd9 G
I went to the doctor, I went to the mountains
D Cadd9 G
I looked to the children, I drank from the fountain
D11 C
There's more than one answer to these questions
C G
Pointing me in a crooked line
D11 C
The less I seek my source for some definitive

Low part on A, high on D
D11 C
The less I seek my source for some definitive

High part on E, low on C. It's actually the low part that
shoots up to high G, but usually easier to have the high
singer do that.
G Am7sus4 Cadd9 D
The closer I am to fine
G Am7sus4 Cadd9 D
The closer I am to fine
G Am7sus4 Cadd9 D
I went to see the doctor of philosophy
G Am7sus4 Cadd9
With a poster of Rasputin and a beard down to his knee
D11 C
He never did marry or see a B-grade movie
D11 C
He graded my performance, he said he could see through me
G Am7sus4 Cadd9
I spent four years prostrate to the higher mind,
D got my paper
C G
And I was free

D Cadd9 G
I went to the doctor, I went to the mountains
D Cadd9 G
I looked to the children, I drank from the fountain
D11 C

C G
Pointing me in a crooked line

Bridge over pre-chorus chords
D11 C D11 C G

G Am7sus4 Cadd9 D
I stopped by the bar at 3 a.m
G Am7sus4 Cadd9 D
To seek solace in a bottle or possibly a friend
I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before

And I went in seeking clarity

I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountain

We go to the doctor, we go to the mountains

We look to the children, we drink from the fountain

We go to the bible, we go through the workout

Let ring on "stand up" and "lookout"

We read up on revival and we stand up for the lookout

There's more than one answer to these questions

Pointing me in a crooked line

The less I seek my source for some definitive

The closer I am to fine

The closer I am to fine

The closer I am to fine

The closer I am to fine
The Jackson Five - I Want You Back

Note different rhythm here, downbeat on *IN* his arms

Strum and let ring

E          D
Please allow me to introduce myself

I'm a man of wealth and taste
E          D
I've been around for a long, long year
A               E
Stole many a man's soul and faith

Strum a little heavier

E          D
And I was 'round when Jesus Christ
A               E
Had his moment of doubt and pain
D
Made damn sure that Pilate
A               E
Washed his hands and sealed his fate

Come in full-blast now

E          D
I watched with glee while your kings and queens
A               E
Fought for ten decades for the Gods they made

E          D
I shouted out "Who killed the Kennedys?"
A               E
When after all it was you and me

E          D
Let me please introduce myself
A               E
I'm a man of wealth and taste
D
And I laid traps for troubadours
A               E
Who get killed before they reached Bombay

B               E
Pleased to meet you, hope you guess my name

But what's puzzling you is the nature of my game

Solo on verse chords if appropriate...

B               E
Pleased to meet you, hope you guess my name

Just as every cop is a criminal

And all the sinners saints
E          D
As heads is tails just call me Lucifer
A               E
'Cause I'm in need of some restraint

E          D
So if you meet me have some courtesy

Have some sympathy, and some taste

Toad the Wet Sprocket - Walk on the Ocean

Originally in G capo 4, I play in G

Vox on #4 5 #4 on "spotted the"

We spotted the ocean

At the head of the trail

Where are we going

That's so far away?

Somebody told me

This is the place

Where everything's better

And everything's safe

I take a line that puts me on the 5 of the chord on "ocean"

Now back at the homestead

We packed up our things

We wanted to send letters

And all of those little things

And they knew we were lying

But they smiled just the same

It seemed they'd already

Solo if appropriate on chorus chords

Don't even have pictures

Just memories to hold

As we slowly grow old

There's always some debate about whether the second chord in this song is Dsus4 or G. The bass clearly plays G. I like to split the difference and play Dsus4 in the verse, G in the chorus.

Weird Al - The Biggest Ball of Twine in Minnesota

Original in Eb, I play in D
Intro
D

Vox on the 3
D

Well, I had two weeks of vacation time coming
G
After working all year down at 'Big Roy's Heating
D
and Plumbing'

Am
So one night when my family and I were gathered
round the dinner table

D
I said, "Kids, if you could go anywhere in this great
G
big world now

Where'd you like to go ta?"

D
They said, "Dad, we wanna see the biggest ball of
G
twine in Minnesota"
C
They picked the biggest ball of twine in
D
Minnesota

D
So the very next day we loaded up the car
G
With potato skins and pickled wieners
D
Crossword puzzles, Spider-Man comics
A
And mama's home made rhubarb pie

D
Pulled out of the driveway and the neighbors

D
They all waved good-bye and so began our three
A
day journey

D
We picked up a guy holding a sign that said,
G
"Twine ball or bust"

D
He smelled real bad and he said his name was
A
Bernie

Vox on the 3 of the chord
C
I put in a Slim Whitman tape, my wife put on a
D
brand new hair net
C
Kids were in the back seat jumping up and down,
D
yelling "are we there yet?"

D
And all of us were joined together in one common
Em
thought

D
As we rolled down the long and winding
D
interstate in our '53 DeSoto

C
We're gonna see the biggest ball of twine in
G
Minnesota

C
We're headin' for the biggest ball of twine in
G
Minnesota

D
Oh, we couldn't wait to get there
G
So we drove straight through for three whole
D
days and nights
Of course, we stopped for more pickled wieners now and then.

The scenery was just so pretty, boy I wish the kids could've seen it.

But you can't see out of the side of the car.

Because the windows are completely covered with the decals from all the places where we've already been.

Like Elvis-O-Rama, the Tupperware Museum, The Boll Weevil Monument and Cranberry World, The Shuffleboard Hall Of Fame, Poodle Dog Rock, And the Mecca of Albino Squirrels.

We've been to ghost towns, theme parks, wax museums, And the place where you can drive through the middle of a tree.

We've seen alligator farms and tarantula ranches.

But there's still one thing we gotta see.

Well, we crossed the state line about 6:39.

And we saw the sign that said, "Twine Ball exit, fifty miles."

Oh, the kids were so happy they started singing, "99 Bottles Of Beer On The Wall" for the twenty-seventh time that day.
Yes, on these hallowed grounds, open ten to eight on weekdays

In a little shrine, under a makeshift pagoda

There sits the biggest ball of twine in Minnesota

I tell you, it's the biggest ball of twine in Minnesota

Oh, what on Earth would make a man decide to do that kind of thing?

Oh, windin' up twenty-one thousand, one hundred forty pounds of string

Let ring

What was he trying to prove? Who was he trying to impress?

Why did he build it? How did he do it? It's anybody's guess

Where did he get the twine? What was goin' through his mind?

Did it just seem like a good idea at the time?

Well, we walked up beside it and I warned the kids

"Now, you better not touch it, those ropes are there for a reason"

I said, "Maybe if you're good, I'll tie it to the back of our car"

And we can take it home", but I was only teasin'

Then we went to the gift shop and stood in line

Bought a souvenir miniature ball of twine

Some window decals and anything else they'd sell us

And I bought a couple postcards

"Greetings from the twine ball, wish you were here"

Won't the folks back home be jealous?

I gave our camera to Bernie and we stood by the ball

And we all gathered 'round and said "cheese"

Then Bernie ran away with my brand new Instamatic

But at least we got our memories

So we all just stared at the ball for a while

And my eyes got moist but I said with a smile

"Kids this here's what America's all about"

Then I started feelin' kinda gooey inside

And I fell on my knees and I cried and cried
And that's when those security guards threw us out
You know, I bet if we unraveled that sucker it'd roll all the way down to Fargo, North Dakota
'Icause it's the biggest ball of twine in Minnesota
I'm talkin' 'bout the biggest ball of twine in Minnesota
Well, we stayed that night at the Twine Ball Inn
In the morning we were on our way home again
But we really didn't want to leave, that was perfectly clear
I said, "Folks, I can tell you're all sad to go"
Then I winked my eye and I said "You know, I got a funny kind of feelin'"
'We'll be comin' back again next year"
'Icause I've been all around this great big world
And I can't think of anywhere else I'd rather go ta
Than the biggest ball of twine in Minnesota
I said the biggest ball of twine in Minnesota Minnesota, Minnesota, Minnesota!
