Billy Joel - Keeping the Faith

Originally in D, I play in A capo 2.

A

A
If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my
younger days

D
Oh, then you should have known me much better
Cause my past is something that never

A
Got in my way oh no

A
Still I would not be here now if I never had the
hunger
And I'm not ashamed to say the wild boys were
my friends

D
Cause I never felt the desire 'til their music set me
on fire

E6 D
And then I was saved, yeah
E6 That's why I'm keeping the faith

D
Yeah, yeah, yeah, yeah
A
Keeping the faith

A
We wore matador boots
Only Flagg Brothers had them with the Cuban
heel
Iridescent socks with the same color shirt
And a tight pair of chinos

D
I put on my shark skin jacket
You know the kind with the velvet collar

A
And ditty-bop shades

I took a fresh pack of Luckies and a mint called
Sen-Sen
My old man's Trojans and his Old Spice after
shave

Billy Joel
Keeping the faith

Bridge

You can get just so much from a good thing
You can linger too long in your dreams
Say goodbye to the oldies but goodies
Cause the good old days weren't always good
Hang this line if not doing a solo
And tomorrow ain't as bad as it seems

Instrumental, listed here with lyrics but I usually skip if a solo is not appropriate.

You can get just so much from a good thing
You can linger too long in your dreams
Say goodbye to the oldies but goodies
Cause the good old days weren't always good
And tomorrow ain't as bad as it seems

Now I told you my reasons for the whole revival
Now I'm going outside to have an Ice cold beer in the shade
I'm going to listen to my 45's
Ain't it wonderful to be alive
When the rock 'n' roll plays yeah
When the memory stays, yeah
I'm keeping the faith
Yeah, yeah, yeah, yeah

In our Italian Restaurant

Sax solo

Things are okay with me these days
Got a good job, got a good office
Got a new wife, got a new life
And the family's fine

Oh, we lost touch long ago
You lost weight I did not know
You could ever look so nice after so much time

Do you remember those days hanging out at the village green
Engineer boots, leather jackets and tight blue jeans
Woah you drop a dime in the box play the song about New Orleans
Cold beer, hot lights
My sweet romantic teenage nights

Horn solo on the same chords as the previous verse

Oh oh, oh oh, oh oh oh
Oh oh, oh oh, oh oh oh
Brenda and Eddie were the popular steadies
And the king and the queen of the prom
Riding around with the car top down and the radio on
Nobody looked any finer
Billy Joel - Scenes from an Italian Restaurant

Or was more of a hit at the Parkway Diner
We never knew we could want more than that
Surely Brenda and Eddie would always know how
to survive

Brenda and Eddie were still going steady in the summer of seventy five
When they decided the marriage would be at the end of July
Everyone said they were crazy
Brenda you know that you're much too lazy
And Eddie could never afford to live that kind of life

Oh, but there we were waving Brenda and Eddie goodbye

Well, they got an apartment with deep pile carpets
And a couple of paintings from Sears
A big waterbed that they bought with the bread

They had saved for a couple of years
They started to fight when the money got tight
And they just didn't count on the tears

Well, they lived for a while in a very nice style
But it’s always the same in the end
They got a divorce as a matter of course
And they parted the closest of friends
Then the king and the queen went back to the green

But you can never go back there again, oh oh, oh

Brenda and Eddie had had it already by the summer of seventy five
From the high to the low to the end of the show
For the rest of their lives
They couldn't go back to the greasers
The best they could do was pick up their pieces
Billy Joel - Scenes from an Italian Restaurant

We always knew they would both find a way to get by

That's all I heard about Brenda and Eddie

Can't tell you more cause I told you already

And here we are waving Brenda and Eddie goodbye

Bass notes are all that's really played here, chords somewhat fabricated

Billy Joel - The Downeaster 'Alexa'

Originally in Am, I play in Em.
Sometimes I capo 2, the highest note is Bb in Am.
Mostly muted, be judicious with strumming.

Em

Vox start on I II III (B in G)

Well I’m on the Downeaster Alexa

And I’m cruising through Block Island Sound

I have charted a course to the Vineyard

But tonight I am Nantucket bound

We took on diesel back in Montauk yesterday

And left this morning from the bell in Gardiner’s Bay

Like all the locals here I’ve had to sell my home

Too proud to leave I worked my fingers to the bone

So I could own my Downeaster Alexa

And I go where the ocean is deep

There are giants out there in the canyons

And a good captain can’t fall asleep

I’ve got bills to pay and children who need clothes

I know there’s fish out there but where God only knows

They say these waters aren’t what they used to be

But I’ve got people back on land who count on me

So if you see my Downeaster Alexa

And if you work with the rod and the reel

Tell my wife I am trolling Atlantis

And I still have my hands on the wheel

Interlude, lots of ayyy-o and accordion noises

Now I drive my Downeaster Alexa

More and more miles from shore every year

Since they tell me I can’t sell no stripers

And there’s no luck in swordfishing here

I was a bayman like my father was before

Can’t make a living as a bayman anymore

There ain’t much future for a man who works the sea

But there ain’t no island left for islanders like me

Ay-ay yo, oh
I am the entertainer and I know just where I stand
Another serenader and another long-haired band
Today I am your champion, I may have won your hearts
But I know the game, you'll forget my name
And I won't be here in another year
If I don't stay on the charts
I am the entertainer and I've had to pay my price
The things I did not know at first I learned by doin' twice
Ah, but still they come to haunt me
Still they want their say
So I've learned to dance with a hand in my pants
Let 'em rub my neck and I write 'em a check
And they go their merry way
I am the entertainer, been all around the world
I've played all kinds of palaces and laid all kinds of girls
I am the entertainer, the idol of my age

But it just may be a lunatic you're looking for
Turn out the lights don't try to save me

They leave that role to the poor

Bob Dylan - If You Gotta Go

Originally in F#, Flying Burrito Brothers in E
Dylan version does I→IV throughout the verse,
I follow the Burrito Brothers arrangement that
doesn't do this until the chorus.
I also mix the lyrics from different versions here.

Intro

E
Listen to me baby
I've come to make you see
I want to be with you, girl
Hard stop on "you"
E
If you want to be with me

E A E
But if you got to go
E A E
That's all right
A E
But if you got to go, go now
B E
Or else you got to stay all night

E
It ain't that I'm questionin' you
To take part in any kind'a quiz
It's just that I ain't got no watch
E
An' you keep askin' me what time it is

E A E
But if you got to go

That's all right

But if you got to go, go now

Or else you got to stay all night

E
Said if you got to go
E A E
That's all right

But if you got to go, go now
B E
Or else you got to stay all night

E
I am just a poor boy lookin' to connect
And I certainly don't want you thinkin'
E
That I haven't got any respect

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha

D
You can listen to the engine, moanin' out its one note song

A
You can think about the woman, or the girl you knew the night before

Em
And your thoughts will soon be wandering the way they always do

D
When you're riding sixteen hours and there's nothing much to do

A
You don't feel much like writing, you just wish the Em trip was through

D Em
But here I am, on the road again

D Em
Here I am, up on stage

D A
Here I go, playing the star again

C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away

D
Every ounce of energy you try to give away

A
And the sweat pours out your body like the music Em that you play

Em
Later on that evening, as you lie awake in bed

D
The echoes of the amplifiers ringin' in your head

A
And you smoke the day's last cigarette, Em remembering what she said

Yes and Scotland Yard was trying hard, they sent
some dude with a calling card who said
"Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way
back home
He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on your own"

And now in Zanzibar a shootin' star was ridin' in a

We're gonna teach those boys to laugh too soon"

You ain't a beauty but hey you're all right

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Two days past 18

G
In California then Vietnam
C
And he told her of his heart, he might be in love
G
And all the things he was so scared of

G
He said when it's getting kinda rough over here
G
I think of that day sitting down at the pier
C
And I close my eyes and see your pretty smile
F C
Don't worry but I won't be able to write for a while

D G
When the letter says a soldier's coming home

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D   B7   Em
Never know how much I care
Em
When you put your arms around me

Elvis Presley - Suspicious Minds

We're caught in a trap, I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me?
When you don't believe a word I say?

Caught in a trap, I can't walk out
Because I love you too much baby

Don't you know I'm
Caught in a trap, I can't walk out
Because I love you too much baby

Although she is dressed to the nines

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

Bass and drums enter when vox come in, drums still pretty sparse

Well I guess it would be nice if I could touch your body

I know not everybody has got a body like you

But I've got to think twice before I give my heart away

Girl I know all the games you play 'cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Hard stop on 'door'

Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith

I gotta have faith
I gotta have faith, a-faith, a-faith

Hard stop on last "faith"

Before this river becomes an ocean

Before you throw my heart back on the floor

Wait for vox before entering... no matter how long...

'Cause I gotta have faith

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E-->D instead of G,F,E-->D.

Herman's Hermits - Mrs. Brown You've Got a Lovely Daughter

C Em Dm7 G7
x2

Mrs. Brown you've got a lovely daughter
Girls as sharp as her are somethin' rare

Am C Am C
But it's sad, she doesn't love me now
She's made it clear enough it ain't no good to pine

She wants to return those things I bought her
Tell her she can keep them just the same

Am C Am C
Things have changed, she doesn't love me now
She's made it clear enough it ain't no good to pine

Vox on the root (Eb), up a half step from "pine"
Walkin' about, even in a crowd, well
You'll pick her out, makes a bloke feel so proud

If she finds that I've been 'round to see you
Tell her that I'm well and feelin' fine

Don't let on, don't say she's broke my heart
I'd go down on my knees but it's no good to pine

Joan Baez - Diamonds and Rust
This is adapted loosely from the Judas Priest version.
The originals are in Em, I play in Em capo 5.
As a duet, I sing a 3rd below the lead and play in Em.
The songs is a dirge, so I follow the Priest version,
which is a rocking metal gallop.

Cause you know just know what to say

And you know just what to do
And I want to tell you so much

I long to see the sunlight in your hair
And tell you time and time again

Sometimes I feel my heart will overflow
Hello, I’ve just got to let you know

Are you somewhere feeling lonely?

Tell me how to win your heart

Originally in Ebm, I play in Em capo 3.
The fourth D in a phrase can be B7.

Em   D   C D

They told him don't you ever come around here
Don't wanna see your face you better disappear
The fire's in their eyes and their words are really clear
So beat it, just beat it

You better run, you better do what you can
Don't wanna see no blood, don't be a macho man
You wanna be tough, better do what you can
So beat it, but you wanna be bad

Just beat it, beat it
No one wants to be defeated
Showin' how funky strong is your right
It doesn't matter who's wrong or right
Just beat it, beat it

They're out to get you better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive, better do what you can
So beat it, just beat it

You have to show 'em that you're really not scared

Michael Jackson
Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7    D7

The original does i --> IV for the first half of each verse, I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5
'Cause this is thriller, thriller night
And no one's gonna save you from the beast about to strike

D7
You know it's thriller, thriller night You're fighting for your life inside a killer, thriller, tonight

Am
Vox up to the 5 of the first chord Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7
You're out to get you there's demons closing in on every side

Michael Jackson
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize your neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver...
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it. In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's). And start sloooow, the chorus is a lot of words.

 Misc - Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)(a)(e)(by)(a)(hi)(c)hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

You have shattered all of my dreams

And if sixty million dollars seems too much to spend in El Salvador

E
They say for half a billion they could do it right
Bomb all day, burn all night
Until there's not a living thing upright in El Salvador

They'll continue training troops in the USA
And watch the nuns that got away
And teach the military bands
To play South of the Border
And kill the people to set them free
Who put this price on their liberty?
Don't you think it's time to leave El Salvador?

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff Oh

Together they would travel on boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow when they came

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

A dragon lives forever, but not so little boys
Painted wings and giant's rings make way for other toys
One grey night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave

So, Puff that mighty dragon
Sadly slipped into his cave, but

Puff the magic dragon lives by the sea
And frolicks in the autumn mist
In a land called Honalee

Saturday summers when I was a kid
We'd run to the school yard and here's what we did
We'd pick out the captains and we'd choose up the teams
It was always a measure of my self esteem
Cause the fastest, the strongest played shortstop and first
The last ones they picked were the worst
I never needed to ask, it was sealed
I just took up my place in right field
Playing right field, it's easy you know
You can be awkward, you can be slow
That's why I'm here in right field
Just watching the dandelions grow
Playing right field can be lonely and dull
Little leagues never have lefties that pull
I dream of the day, when they hit one my way
They never did, but still I would pray
That I'd make a fantastic catch on the run
And not lose the ball in the sun
And then I'd awake from this long reverie
And pray that the ball never came out to me
Here in right field, it's easy you know
You can be awkward, you can be slow
That's why I'm here in right field

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me

As I was walking that ribbon of highway
I saw above me, that endless skyway
I saw below me, the golden valley
This land was made for you and me

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me

I roamed and rambled, and followed my footsteps
Through the sparkling sands of her diamond deserts
And all around me this voice kept saying
This land was made for you and me

What if I gave all my life

To find some way to stand beside you

'Cause I don't wanna be lonely no more

I don't wanna have to pay for this

I don't want to know the lover at my door

It's just another heartache on my list

I don't wanna be angry no more

You do know I could never stand for this

So when you tell me that you love me, know for sure

I don't wanna be lonely anymore

Smash Mouth - All Star

Originally in F#, I like it up at least a whole-step in G#, sometimes as high as Bb, but I don’t capo, I just play power chords. This is maybe the only song where I’m not writing out all the chords; it’s I V ii IV for all the verses, and it would be 3 pages for 4 chords if I wrote all that out.

Bb F Cm Eb
Somebody once told me the world is gonna roll me
I ain’t the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don’t stop coming
Fed to the rules and I hit the ground running
Didn’t make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what’s wrong with taking the back streets
You’ll never know if you don’t go
You’ll never shine if you don’t glow

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change
Well, the years start coming and they don’t stop coming
Fed to the rules and I hit the ground running
Didn’t make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do much to see
So what’s wrong with taking the back streets

Hey now, you’re an all-star, get your game on, go play

My world's on fire, how about yours
That's the way I like it and I never get bored

It's a cool place and they say it gets colder
You're bundled up now, wait 'til you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin
The waters gettin' warm so you might as well swim

**Riff x 4**

Vox on the 6 (F# if the chord is A)

Living with the things you do to me

My dreams are getting so strange
I'd like to tell you everything I see

I write E, but it's close to NC
Oh I see a man at the back as a matter of fact
His eyes are as red as the sun
And a girl in the corner let no one ignore her

Hard stop on "she"
She thinks she's the passionate one

Oh yeah, it was like
Lightning, everybody was frightening
And the music was soothing and they all started grooving

**These yeah's are basically on the 1**

Yeah, yeah, yeah, yeah, yeah

There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F# E D# E. Great if someone else can sing the real melody an octave down.

And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you

And it turned into a ballroom blitz

**Riff x 4, first two w/o drums**

I'm reaching out for something
Touching nothing's all I ever do

When you appear there's nothing left of you

Now the man at the back is ready to crack
As he raises his hands to the sky
And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

Oh yeah, it was electric, so frightfully hectic
And the band started leaping 'cause they all stopped breathing

Yeah, yeah, yeah, yeah, yeah
And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you
And it turned into a ballroom blitz

Taylor Swift - Shake it Off

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am I stay out too late
C Got nothing in my brain
G That's what people say, mmm
That's what people say, mmm

Am I go on too many dates

That's what people say, mmm

Am But I keep cruisin'
C Can't stop won't stop moving
G It's like I got this music in my mind
No hard stop this time
G Saying it's gonna be alright

In the low octave, start going back up on the third "play"

Am 'Cause the players gonna play, play, play, play
C And the haters gonna hate, hate, hate, hate, hate
baby
G I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Am Heartbreakers gonna break, break, break, break
C And the fakers gonna fake, fake, fake, fake, fake

Yea but I couldn't wait to get back in the states
Back to the cutest girls in the world

And the southern girls with the way they talk

They keep their boyfriends warm at night

If everybody had an ocean across the U.S.A.
Then everybody'd be surfin like Californ-i-a

All over Manhattan, and down Doheny way
Everybody's gone surfin', surfin' U.S.A.

We'll all be plannin' out a route, we're gonna take real soon
We're waxin' down our surfboards, we can't wait for June
We'll all be gone for the summer, we're on safari to stay

A9 A7
Why would she treat us so thoughtlessly?
A9 A7
How could she do this to me?
The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Cars - You Might Think

Originally in D, I play in A capo 1

A D E A
A D E F#m
D E A A

You might think I'm crazy, to hang around with you

Maybe you think I'm lucky, to have something to do

But I think that you're wild

Inside me is some child

You might think I'm foolish

Oh baby it's untrue (you might think)

You might think I'm crazy (all I want)

All I want is you

You might think it's hysterical, but I know when you're weak

You think you're in the movies, and everything's so deep

But I think that you're wild

When you flash that fragile smile

You might think it's foolish

What you put me through (you might think)

You might think I'm crazy (all I want)

All I want is you

And it was hard, so hard to take

There's no escape, without a scrape

Hard stop on both chords here

But you kept it going, 'till the sun fell down

You kept it going

Solo if appropriate, skip if solo acoustic

Well you might think I'm delirious, the way I run you down

But somewhere, sometimes, when you're curious, I'll be back around

And I think that you're wild

And so uniquely styled

You might think it's foolish

This chancy rendezvous (you might think)

You might think I'm crazy (all I want)

All I want is you

Solo if appropriate, skip if solo acoustic

To seek solace in a bottle or possibly a friend
I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before
And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountain
We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain
We go to the bible, we go through the workout
Let ring on "stand up" and "lookout"
We read up on revival and we stand up for the lookout

Pointing me in a crooked line
The less I seek my source for some definitive

It's like you're always stuck in second gear
Well it hasn't been your day, your week your
Month or even your year

I'll be there for you when the rain starts to fall
I'll be there for you like I've been there before
I'll be there for you 'cause you're there for me too

You're still at bed at 10, and work began at 8
You burned your breakfast so far things are going great
Your mother warned you there'd be days like these
But she didn't tell you when the world has brought you down to your knees

I'll be there for you when the rain starts to fall
I'll be there for you like I've been there before
I'll be there for you 'cause you're there for me too

From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights

There's always some debate about whether the
second chord in this
song is Dsus4 or G. The bass clearly plays G. I like to
split the
difference and play Dsus4 in the verse, G in the
chorus.

Originally in D, capo 3, so really in F.
I play in D or D capo 1.

Van Halen - Dreams

Originally in C, I play in C an octave down, and it's *still* a little too high. Insane.

Start with a slow approximation of the intro riff

\[ Cadd9 \ F \ Am \ G \]
\[ Fsus2 \ Am7 \]
\[ Csus4 \ C \ Csus2 \]
\[ \rightarrow \ - \ \rightarrow \]

Now fast, with excessive suspensions

I play only one of these, or play both but double-time

\[ C \ C/E \ F \ G \]
\[ C \ C/E \ Am \ G \]

Am \ F6
World turns black and white

Gsus2 \ Am
Pictures in an empty room

\[ F6 \ Gsus2 \]
Your love starts fallin' down

Am
Better change your tune

\[ F6 \ Gsus2 \]
Yeah, you reach for the golden ring

Am
Reach for the sky

\[ F6 \ Gsus2 \]
Baby, just spread your wings

Not super-faithful to the original chords here

\[ G/C \ C \ G/C \ C \]
And get higher and hi - gher

\[ Am \ Em \ Em7 \ F \]
Straight up we'll climb

\[ G/C \ C \ G/C \ C \]
We'll get higher and hi - gher

\[ Am \ Em \ Em7 \ F \]
Leave it all behind

Am \ F6
Run, run, run away

Gsus2 \ Am
Like a train runnin' off the track

\[ F6 \ Gsus2 \]
Got the truth being left behind

Am
Fall between the cracks

F6 \ Gsus2
Standin' on broken dreams

Am
Never losin' sight, ah

\[ F6 \ Gsus2 \]
Well just spread your wings

\[ G/C \ C \ G/C \ C \]
We'll get higher and hi - gher

\[ Am \ Em \ Em7 \ F \]
Straight up we'll climb

\[ G/C \ C \ G/C \ C \]
We'll get higher and hi - gher

\[ Am \ Em \ Em7 \ F \ Gsus4 \]
Leave it all behind

\[ Cadd9 \ C \ F \]
So baby dry your eyes

Am \ G
Save all the tears you've cried

\[ Fsus2 \ Am7 \ Csus4 \ C \ Csus2 \]
Oh, that's what dreams are made of

\[ Em7 \ F \ Am \ G \]
'Cause we belong in a world that must be strong

\[ Fsus2 \ Am7 \ Csus4 \ C \ Csus2 \]
Oh, that's what dreams are made o - f

Crazy out-of-place shredding here, I just repeat the
second part of the intro

\[ C \ C/E \ F \ G \]

\[ G/C \ C \ G/C \ Am7 \]
Yeah, we'll get higher and hi - gher

\[ Am \ Em \ Em7 \ F \]
Straight up we'll climb

Oh, we'll get higher and higher
