*Originally in D, I play in A capo 2.*

\[ A \]

A

If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my younger days

\[ D \]

Oh, then you should have known me much better
Cause my past is something that never

\[ A \]

Got in my way oh no

\[ A \]

Still I would not be here now if I never had the
And I'm not ashamed to say the wild boys were my friends

\[ D \]

Cause I never felt the desire till their music set me on fire

\[ E6 \]  \[ D \]

And then I was saved, yeah
That's why I'm keeping the faith

\[ E \]  \[ D \]  \[ A \]

You can get just so much from a good thing
You can linger too long in your dreams

\[ E \]  \[ D \]  \[ A \]

Say goodbye to the oldies but goodies
Cause the good old days weren't always good

\[ E7 \]

And tomorrow ain't as bad as it seems

\[ A \]

Learned stickball as a formal education
Lost a lot of fights but it taught me how to lose O.K.

\[ D \]

I heard about sex but not enough

\[ A \]

I found you could dance and still look tough anyway

\[ A \]

I found out a man ain't just being macho
Ate an awful lot of late night drive-in food drank a lot of take-home pay

\[ D \]

I thought I was the Duke of Earl
When I made it with a red-haired girl

\[ E6 \]  \[ D \]

In a Chevrolet

\[ E6 \]

We were keeping the faith

Billy Joel - The Entertainer

I am the entertainer and I know just where I stand
Another serenader and another long-haired band
Today I am your champion, I may have won your hearts
But I know the game, you'll forget my name
And I won't be here in another year
If I don't stay on the charts
The things I did not know at first I learned by doin' twice
Ah, but still they come to haunt me
Still they want their say
So I've learned to dance with a hand in my pants
Let 'em rub my neck and I write 'em a check
And they go their merry way

I am the entertainer, been all around the world
I've played all kinds of palaces and laid all kinds of girls

I can't remember faces, I don't remember names
Ah, but what the hell, you know it's just as well
'Cause after a while and a thousand miles
It all becomes the same
I am the entertainer, I bring to you my songs
I'd like to spend a day or two, but I can't stay that long
No, I've got to meet expenses, I got to stay in line
Gotta get those fees to the agencies
And I'd love to stay but there's bills to pay
So I just don't have the time
I am the entertainer, I come to do my show
You've heard my latest record, it's been on the radio
Ah, it took me years to write it, they were the Best years of my life
It was a beautiful song, but it ran too long
If you're gonna have a hit, you gotta make it fit
So they cut it down to 3:05
I am the entertainer, the idol of my age
I make all kinds of money when I go on the stage

Ah, you've seen me in the papers

I've been in the magazines

But if I go cold I won't get sold

I'll get put in the back in the discount rack

Like another can of beans

Hanging stops

I am the entertainer and I know just where I stand

Another serenader and another long-haired band

Today I am your champion, I may have won your hearts

But I know the game, you'll forget my name

And I won't be here in another year

Hey lord, would ya look out for her tonight

Billy Joel - You May Be Right

A
Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change
I was stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane
You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights, don't try to save me
You may be wrong for all I know
But you may be right
Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Bob Dylan - If You Gotta Go

Originally in F#, Flying Burrito Brothers in E
Dylan version does I→IV throughout the verse,

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to us as many voicings with the open high E string as I can.

Em  D  Em  Em

Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D  Em
But here I am, on the road again
D  Em
Here I am, up on stage
D  A
Here I go, playing the star again
C  D  Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play
Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said
Em
But here I am, on the road again
Bob Seger - Turn The Page

D       Em
Here I am, up on stage
D       A
Here I go, playing the star again
C       D       Em
There I go, turn the page

Now getting loud again...

But here I am, on the road again
D       Em
Here I am, up on stage
D       A
Here I go, playing the star again

When a soloist is available, play the chorus chorus, and come out in a chorus with vocals.
For typical acoustic performance, let everything just ring out in A minor for a while, then fade right into the verse.

A screen door slams, Mary’s dress waves

Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you’re scared and you’re thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Oh come take my hand

We're ridin' out tonight to case the promised land

Oh oh thunder Road, oh thunder road, oh thunder road

Lynin' out there like a killer in the sun

Hey I know it's late, we can make it if we run

Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk

And my car's out back if you're

Ready to take that long walk

So thanks for making me a fighter

Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter

How could this man I thought I knew turn out to
Be unjust so cruel could only see the good in
You pretended not to see the truth

You tried to hide your lies disguise yourself
Through living in denial but in the end you'll see
You won't stop me

I am a fighter and I
I ain't 'gon stop
There is no turning back
I've had enough

Or "when will it rain?"

And when the coffee is gone you'll get back in your car

I'll get back on the train

'Cause I don't want to change your life And you don't want to ruin mine

So let's do what we both know is right

And save this for another time

And you're singing along with the Beatles and smiling

Yesterday the sun shined but you knew that it wouldn't last.

When you woke up this morning you felt the rain fall on your head.

Yesterday you cruised the sky but today you'll stay in bed.

You are an unusually blue bluebird.

I guess you won't fly today.

The wind just won't blow your way.

When the letter says a soldier's coming home

G

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

In a voice that came from you and me

Don McLean
And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While sergeants played a marching tune
We all got up to dance
I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

And they were singin'
Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.

Note the vocals ride mostly on IV in this key, i.e. the A in Em.

Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D    B7    Em
Never know how much I care
Em
When you put your arms around me
B7    Em
I get a fever that's so hard to bear

Elvis Presley - Suspicious Minds

G C/G G C/G

We're caught in a trap, I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me?
When you don't believe a word I say?

We can't go on together with suspicious minds
And we can't build our dreams on suspicious minds

So if an old friend I know drops by to say hello
Would I still see suspicion in your eyes?
Here we go again asking where I've been
You can see the tears are real I'm crying

We can't go on together with suspicious minds
And we can't build our dreams on suspicious minds

Bridge, switch to 6/8
Oh, let our love survive
I'll dry the tears from your eyes
Let's don't let a good thing die
When honey you know I've never
Lied to you, mmm
Yeah yeah

Repeat and fade, then unfade, which I think is silly.

Papa drove a truck nearly all his life
You know it drove mama crazy being a trucker's wife

The part she couldn't handle was the being alone
I guess she needed more to hold than just a telephone

Papa called Mama each and every night
Just to ask her how she was and if us kids were alright

Mama would wait for that call to come in
And when Daddy'd hang up she was gone again

Mama was a looker lord how she shined
Papa was a good'n but the jealous kind
Papa loved Mama, Mama loved men
Mama's in the graveyard Papa's in the pen

Well it was bound to happen and one night it did
Papa came home and it was just us kids

Slow, let ring

I've long since retired, my son's moved away

Two extra beats after this line

I called him up just the other day

I said, I'd like to see you if you don't mind

He said I'd love to, Dad, if I could find the time

You see my new job's a hassle and the kids have the flu

But it's sure nice talkin' to you, Dad

It's been sure nice talkin' to you

And as I hung up the phone it occurred to me

He'd grown up just like me

My boy was just like me

Back to tempo

And the cat's in the cradle and the silver spoon

Little boy blue and the man in the moon

When you comin' home son?

I don't know when but we'll get together then, Dad

We're gonna have a good time then
Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E--->D instead of G,F,E--->D.

Jimmy Buffet
Joan Baez - Diamonds and Rust

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The song is a dirge, so I follow the Priest version, which is a rocking metal gallop.

Well we both know what memories can bring
They bring diamonds and rust

Vox on the 5 of the chord
Now I see you standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington Square
Our breath comes out of white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could have died then and there

Play long riff if not rocking

Now you're telling me you're not nostalgic
Then give me another word for it you who are so good with words
And at keeping things vague

'Cause I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly, and if you're offering diamonds and rust
I've already paid

John Denver - Leaving on a Jet Plane

All my bags are packed I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' it's early morn
The taxi's waitin' he's blowin' his horn
Already I'm so lonesome I could cry

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go I'll think of you
Every song I sing I'll sing for you
When I come back I'll wear your wedding ring

So kiss me and smile for me
Tell me that you'll wait for me
John Lennon - Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace

You may say that I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Kenny Loggins
Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

On a warm summer's evenin' on a train bound for nowhere

I met up with the gambler, we were both too tired to sleep

So we took turns a-starin' out the window at the darkness

Till boredom overtook us, and he began to speak

He said, son, I've made a life out of readin' people's faces

And knowin' what their cards were by the way they held their eyes

And if you don't mind my sayin', I can see you're out of aces

For a taste of your whiskey I'll give you some advice

So I handed him my bottle and he drank down my last swallow

Then he bummed a cigarette and asked me for a light

And the night got deathly quiet, and his face lost all expression

Said, if you're gonna play the game, boy, ya gotta learn to play it right

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

The key change

Ev'ry gambler knows that the secret to survivin'

Is knowin' what to throw away and knowing what to keep

'Cause ev'ry hand's a winner and ev'ry hand's a loser

And the best that you can hope for is to die in your sleep

And when he'd finished speakin', he turned back towards the window

Crushed out his cigarette and faded off to sleep

And somewhere in the darkness the gambler, he broke even

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I’m feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it’s a long 4 (“caaaaaalling”), and there’s an awful lot of 3.
In A, play the intro A/E as:

- x -
- 2 -
- 2 -
- 2 -
- 4 -
- 0 -

A/E E A/E E A/E E A/E E
D/A A D/A A D/A A D/A A

Vox on 3-->2 of the first chord on "Gloria"
A/E E D/A A
Gloria, you’re always on the run now
A/E E
Running after someone, you gotta get him somehow
A/E E
I think you’ve got to slow down
D/A A
Before you start to blow it
A/E E
I think you’re headed for a breakdown
D/A A
So be careful not to show it

Vox start this line where "Gloria" was
A/E E D/A A

Both these phrases go up...

D/A A
That you’ve been living under (Gloria)

Vox stay up where "under" was
F#m B7
But you really don’t remember

Vox back to where the first verse was, on 3-->2 of the first chord on "Gloria"
A/E E D/A
A-ha-ha, a-ha-ha, Gloria, how’s it gonna go down?
A

A/E E
Will you meet him on the main line

Or will you catch him on the rebound?

Will you marry for the money
D/A A
Take a lover in the afternoon?
A/E E
Feel your innocence slipping away

Metallica - Fade to Black

I skip the Bm intro and outros unless there’s another guitar who wants to solo; it’s kind of long to just doink around on one guitar.

Am C G Em
Am C G Em

Life it seems will fade away, drifting further every day

Am C G
Getting lost within myself, nothing matters, no one else

Am C G Em
I have lost the will to live, simply nothing more to give

Am C G
There is nothing more for me, need the end to set me free

Interlude
Am C Am E  

Am C G
Things not what they used to be, missing one inside of me

Am C G
Deathly lost, this can’t be real, cannot stand this hell I feel

Am C G
Emptiness is filling me, to the point of agony

Am C G
Growing darkness taking dawn, I was me, but now he’s gone

Interlude
Am C Am E  

Let the E ring out, then tempo up and into the closing riff.

When doing this acoustic, I like to hit the Em’s on the and of 2, instead of the and of 1 like the original. Spending an 8th note on D is a little lame with a single acoustic.

D Em D Em G G/F# C/E D/F#  

No one but me can save myself but it’s too late

G G/F# C/E D/F#  

Now I can’t think, think why I should even try

G G/F# C/E D/F#  

Yesterday seems as though it never existed

D Em D Em  

Death greets me warm, now I will just say goodbye

G G/F# C/E D/F#  

Let the E ring out, then tempo up and into the closing riff.

Originally in Ebm, I play in Em capo 3.
The fourth D in a phrase can be B7.

Don't wanna see your face you better disappear
Em D
The fire's in their eyes and their words are really clear
C D
So beat it, just beat it

Em D
You better run, you better do what you can
Em D
Don't wanna see no blood, don't be a macho man
Em D
You wanna be tough, better do what you can
Em D
So beat it, but you wanna be bad

Em D
Just beat it, beat it
C B7
No one wants to be defeated
Em D
Showin' how funky strong is your right
C D
It doesn't matter who's wrong or right
Em D

Em D
Don't wanna be a boy, you wanna be a man
Em D
You wanna stay alive, better do what you can
Em D
So beat it, just beat it

Em D
You have to show 'em that you're really not scared

You're playin' with your life, this ain't no truth or dare
They'll kick you then they'll beat you
Then they'll tell you it's fair
So beat it, but you wanna be bad

Just beat it, beat it
No one wants to be defeated
Showin' how funky strong is your right
It doesn't matter who's wrong or right
Just beat it, beat it

Beat it, beat it
Beat it, beat it

Michael Jackson
Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7    D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

Am7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5

'Cause this is thriller, thriller night
D7
And no one's gonna save you from the beast about to strike

Am    Am G/B C
You know it's thriller, thriller night

D7
You're fighting for your life inside a killer, thriller, tonight

Am7
Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7    Am7/G
There's no escapin' the jaws of the alien this time

Fmaj7    G
This is the end of your life

Am7

D7
You hear the door slam and realize there's nowhere left to run

Am7

D7
You feel the cold hand and wonder if you'll ever see the sun

Am7
You close your eyes and hope that this is just imagination

D7
But all the while you hear the creature creepin' up behind

C
You're out of time

Am    Am G/B C
'Cause this is thriller, thriller night

D7
There ain't no second chance to kill the thing with forty eyes girl

Am    Am G/B C
Thriller, thriller night

D7
You're fighting for your life inside a killer, thriller, tonight

Am7

Vox on 1 7 on "thriller", can also do 7 5 or #6 5

'Cause this is thriller, thriller night
D7
And no one's gonna save you from the beast about to strike

Am    Am G/B C
You know it's thriller, thriller night

D7
You're fighting for your life inside a killer, thriller, tonight

Am7
Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7    Am7/G
There's no escapin' the jaws of the alien this time

Fmaj7    G
This is the end of your life

Am7

D7
They're out to get you there's demons closing in on every side
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it. )

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start sloooow, the chorus is a lot of words.

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)a (e)by (a)hi (c)hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff Oh

Together they would travel on boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow when'ever they came
Pirate ships would lower their flags
When Puff roared out his name

A dragon lives forever, but not so little boys
Painted wings and giant's rings make way for other toys
One grey night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar
His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave
So, Puff that mighty dragon
Sadly slipped into his cave, but

So, so you think you can tell
Heaven from hell, blue skies from pain
Can you tell a green field from a cold steel
Rail, a smile from a veil
Do you think you can tell?

And did they get you to trade your heroes for
Hot ashes for trees? Warm air for a cool breeze?
Cold comfort for change?
And did you exchange a walk on part in the war
for a lead role in a cage?

How I wish, how I wish you were here
We're just two lost souls swimming in a fish bowl
Year after year
Running over the same old ground
What have we found?
The same old fears, wish you were here

To fade
Sometimes I feel like I don't have a part - ner
Sometimes I feel like my only friend
Is the city I live in, the city of an-gels
Lonely as I am together we cry

I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am

She sees my good deeds and she kisses me windy
I never worry now that is a lie

I don't ever want to feel like I did that day
Take me to the place I love, take me all the way

It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love the city she loves me
Lonely as I am together we cry

I don't ever want to feel like I did that day
Take me to the place I love, take me all the way
I don't ever want to feel like I did that day

Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is
all about the second chorus, which sits on the 1

I'm sitting in a railway station

Got a ticket for my destination, mmmm

On a tour of one-night stands

My suitcase and guitar in hand

And every stop is neatly planned

For a poet and a one-man band

I wish I was homeward bound

Home, where my thoughts are 'scaping

Home, where my music's playing

Home, where my love lies waiting silently for me

For a poet and a one-man band

Home, where my thoughts are 'scaping

Home, where my music's playing

Home, where my love lies waiting silently for me

So tonight I'll sing my songs again

I'll play the game and pretend, mmmm

But all my words come back to me

In shades of mediocrity

Like emptiness in harmony

I need someone to comfort me

I wish I was homeward bound

I wish I was homeward bound

Home, where my thoughts are 'scaping

Home, where my music's playing

Home, where my love lies waiting silently for me

Silently for me, mmmm

G  D  Am  C
Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid

Only shooting stars break the mold

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself

And we could all use a little change

Well, the years start coming and they don't stop coming

Prep note: decide what you're going to do for vox in the chorus (see below).

I play the riff as:

His eyes are as red as the sun
And a girl in the corner let no one ignore her

She thinks she's the passionate one

Oh yeah, it was like
Lightning, everybody was frightening
And the music was soothing and they all started grooving

These yeah's are basically on the 1

Yeah, yeah, yeah, yeah, yeah

There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F# E D#. Great if someone else can sing the real melody an octave down.

And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you

And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

Oh yeah, it was electric, so frightfully hectic
And the band started leaping 'cause they all stopped breathing

Taylor Swift - Shake it Off

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I
  don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find
  the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

  Am
I stay out too late
  C
Got nothing in my brain
  G
That's what people say, mmm
That's what people say, mmm

  Am

But I can't make 'em stay

At least that's what people say, mmm
That's what people say, mmm

  Am
But I keep cruisin'
  C
Can't stop won't stop moving
  G
It's like I got this music in my mind
No hard stop this time
  G
Saying it's gonna be alright

In the low octave, start going back up on the third
"play"

  Am
'Cause the players gonna play, play, play, play,
  C
And the haters gonna hate, hate, hate, hate, hate, baby
  G
I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

  Am
Heartbreakers gonna break, break, break, break, break
  C
And the fakers gonna fake, fake, fake, fake, fake, fake, baby
  G
I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Percussion out

I never miss a beat

And that's what they don't see, mmm
That's what they don't see, mmm

The Beach Boys
The Beach Boys - Sloop John B

Vox enter on the third (B)

We come on the sloop John B
My grandfather and me

Around Nassau town we do roam

Drinking all night
Got into a fight
Well I feel so broke up
I wanna go home

So hoist up the John B's sail
See how the mainsail sets
Call for the captain ashore, let me go home

The first mate he got drunk
And broke in the captain's trunk
The constable had to come and take him away
Sheriff John Stone
Why don't you leave me alone, yeah yeah
Well I feel so broke up
I wanna go home

So hoist up the John B's sail
See how the mainsail sets
Call for the captain ashore, let me go home

The Beatles - Let It Be

Originally in C, I play in A, or maybe Bb on piano

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken hearted people

Living in the world agree

There will be an answer, let it be

But though they may be parted

There is still a chance that they will see

There will be an answer, let it be

Interlude, which I usually play even when there's no solo.

And when the night is cloudy

There is still a light that shines on me

Shine until tomorrow, let it be

Dear Sir or Madam, will you read my book?  
It took me years to write, will you take a look
It's based on a novel by a man named Lear
And I need a job so I want to be a paperback writer

His son is working for the Daily Mail
It's a steady job but he wants to be a paperback writer

I'll be writing more in a week or two
I can make it longer if you like the style

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play that riff on guitar, I try to be super-soft on the Eb.

The Drifters - Save The Last Dance For Me

You can dance every dance with the guy who gives you the eye
Let him hold you tight
You can smile every smile for the man who held your hand
'Neath the pale moonlight

But don't forget who's taking you home
And in whose arms you're gonna be
So darling, save the last dance for me

Oh I know that the music's fine like sparkling wine
Go and have your fun
Laugh and sing but while we're apart
Don't give your heart to anyone

But don't forget who's taking you home
And in whose arms you're gonna be
So darling, save the last dance for me

Baby don't you know I love you so
Can't you feel it when we touch
I will never never let you go
Cause I love you oh so much
You can dance, go and carry on

Tom Cochrane - Life is a Highway

I loved you now like I loved you then
This is the road, and these are the hills

From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down and back up again
You're in my blood, I'm not a lonely man

There's no load I can't hold, roads are rough, this I know

I'll be there when the light comes in
Just tell 'em we're survivors

Generally skip this repeat if acoustic, there will be plenty of bonus chorus later

Through all these cities and all these towns
