Arlo Guthrie - City of New Orleans

Vocal note - melody starts on the 5
Originally in G, I play in D capo 3, so in F

Riding on the City of New Orleans
Illinois Central, Monday morning rail
Fifteen cars and fifteen restless riders
Three conductors, and twenty five sacks of mail

All along the southbound odyssey
The train pulls out of Kankakee
And rolls along the houses, farms and fields

Passing trains that have no name
And freight yards full of old black men
And graveyards of the rusted automobiles

Good morning America, how are you?
Say don't you know me, I'm your native son
I'm the train they call the City of New Orleans
I'll be gone five hundred miles when the day is done

Dealing card games with the old men in the club cars
A penny a point, ain't no one keeping score
Pass the paper bag that holds the bottle
And feel the wheels rumbling 'neath the floor

But all the towns and people seem
to fade into a bad dream
The steel rail still ain't heard the news
The conductor sings his songs again
The passengers will please refrain
This train's got the disappearin' railroad blues
Good night America, how are you?
Say don't you know me, I'm your native son
I'm the train they call the City of New Orleans
I'll be gone five hundred miles when the day is done

I'll be gone five hundred miles when the day is done

He always found it hard to take her
She wouldn't listen to advice
And though he never tried to make her
She often thought it would be nice

Oh, and now she's headin' out to California
It's been a long time comin' but she's
Feeling like a woman tonight
And she left a little letter said
She's gonna make a stop in Nevada
Goodbye, goodbye

She tried for years to be a good wife
It never quite got off the ground
And all those stories of the good life
Convinced her not to hang around

Oh, and now she's headin' out to California
And she doesn't know what's comin' but
She's sure of what she's leaving behind
And she left a little letter said
She's gonna make a stop in Nevada

Originally in Bb, I play in A

A A G D
x2

Listen boy, I don't want to see you let a good thing slip away

You know I don't like watching anybody make the same mistakes I made

She's a real nice girl and she's always there for you

But a nice girl wouldn't tell you what you should do

Oh, listen boy, I'm sure that you think you got it all under control

You don't want somebody telling you the way to stay in someone's soul

You're a big boy now and you'll never let her go

But that's just the kind of thing she ought to know

Tell her about it, let her know how much you care

When she can't be with you, tell her you wish you were there

Tell her about it every day before you leave

Pay her some attention, give her something to believe

'Cause now and then she'll get to worrying

Just because you haven't spoken for so long

And though you may not have done anything

Will that be a consolation when she's gone?

Listen boy, it's good information from a man who's made mistakes

Let her know you need her, let her know how much she means

Listen, boy, it's not automatically a certain guarantee

To insure yourself, you've got to provide communication constantly

When you love someone you're always insecure

And there's only one good way to reassure

Tell her about it, let her know how much you care

When she can't be with you, tell her you wish you were there

Tell her about it every day before you leave

Pay her some attention, give her something to believe

Billy Joel - You May Be Right

A

Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change
I was stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane
You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights don't try to save me
You may be wrong for all I know
But you may be right

A

Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Solo if appropriate on verse chords

You may be right I may be crazy
You may be right I may be crazy
Hey but it just may be a lunatic you're looking for
Turn out the lights, aww don't try to save me

Bob Dylan - If You Gotta Go

Originally in F#, Flying Burrito Brothers in E
Dylan version does I→IV throughout the verse,
I follow the Burrito Brothers arrangement that
doesn't do this until the chorus.
I also mix the lyrics from different versions here.

Intro
E

E
Listen to me baby
I've come to make you see
I want to be with you, girl
Hard stop on "you"
E
If you want to be with me

E A E
But if you got to go
E A E
That's all right
A E
But if you got to go, go now
B E
Or else you got to stay all night

E
It ain't that I'm questionin' you
To take part in any kind'a quiz
It's just that I ain't got no watch
E
An' you keep askin' me what time it is

E A E
But if you got to go
E A E
That's all right
A E
But if you got to go, go now
B E
Or else you got to stay all night

E
I am just a poor boy lookin' to connect
And I certainly don't want you thinkin'
E
That I haven't got any respect

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha

D
You can listen to the engine, moanin' out its one note song

A
You can think about the woman, or the girl you knew the night before

Em
And your thoughts will soon be wandering the way they always do

D
When you're riding sixteen hours and there's nothing much to do

A
You don't feel much like writing, you just wish the trip was through

D Em
But here I am, on the road again

D Em
Here I am, up on stage

D A
Here I go, playing the star again

C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away

D
Every ounce of energy you try to give away

A
And the sweat pours out your body like the music that you play

Em
Later on that evening, as you lie awake in bed

D
The echoes of the amplifiers ringin' in your head

A
And you smoke the day's last cigarette, remembering what she said

D Em
But here I am, on the road again

some dude with a calling card who said
"Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,

Well now I'm no hero that's understood Am C F

Well the night's busting open these Em F
Two lanes can take us anywhere G
We got one last chance to make it real C F
To trade in these wings on some wheels C
Climb in back, heaven's waiting down on the G tracks

Oh come take my hand C F

Oh oh thunder Road, oh thunder road, oh thunder C road

Lyin' out there like a killer in the sun C F
Hey I know it's late, we can make it if we run C Em F G
Oh oh thunder road, sit tight, take hold, thunder C road

Well I got this guitar and I learned how to make it C talk

And my car's out back if you're Am
Ready to take that long walk
From your front porch to my front seat
The door's open but the ride it ain't free
And I know you're hungry for words that I ain't spoken
Tonight we'll be free, all the promises will be broken
There were ghosts in the eyes of all the boys you sent away
They haunt this dusty beach road in the skeleton frames of
Burned-out Chevrolets
They scream your name at night in the street
Your graduation gown lies in rags at their feet

Stay on the 1 of the key on "lonely"
And in the lonely cool before dawn
You hear their engines roaring on
But when you get to the porch, they're gone
On the wind, so Mary climb in
It's a town full of losers, and I'm pulling out of here to win

And as I fall asleep at the station

On a train that's pulling away

I'm humming along with the engines

So let's do what we both know is right

And save this for another time

Dan Morris - Personal Picasso

What can I do to say anything to you?

Or why can't I say it any more?

Do I need to fuck up my brain just to talk to myself?

(Am I too) happy, too old, or too bored?

And if you open your arms and put a smile on

Does that mean you'll be there to catch me when

I fall?

And if I say it to you so you can hear me

Does that mean I never said anything at all?

You say you're well on the way to understanding

But still you're waiting for me to say more

And when my pen has run dry and I need you now

I just see your back as you walk out the door

When will you get I'm not your personal Picasso?

When will you get I'm not so different from you?

What will it take to get a little conversation?

A little hint that all your promises were true

x2
Yesterday the sun shined but you knew that it
wouldn't last
If yesterday was a bucket of seeds then today's
just a patch of grass
When you woke up this morning you felt the rain
fall on your head
Yesterday you cruised the sky but today you'll
stay in bed
You are an unusually blue bluebird
I guess you won't fly today
You are an unusually blue bluebird
The wind just won't blow your way
But you're an unusually blue bluebird

You're an unusually blue bluebird

And as I watched him on the stage
Em       D
My hands were clenched in fists of rage
C        G        A7
No angel born in Hell
C        D7
Could bread that Satan's spell
G        D        Em
And as the flames climbed high into the night
Am       C
To light the sacrificial rite
I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elton John - Your Song
Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Eve 6 - Inside Out

Asus2           E
I would swallow my pride, I would choke on the
          B
rinds
          A
But the lack thereof would leave me empty inside
          E           F#
Swallow my doubt turn it inside out
Find nothing but faith in nothing

Asus2           E
Want to put my tender heart in a blender
          F#
Watch it spin 'round into a beautiful oblivion
Asus2       E           F#
Rendezvous, then I'm through with you

B           F#
I burn, burn like a wicker cabinet
          A           G
Chalk white and oh so frail
          B           F#           E
I see our time has gotten stale
          B           F#
The tick tock of the clock is painful
          A           G
All sane and logical
          B           F#           E
I want to tear it off the wall

B           F#
I hear words in clips and phrases
          A           G
I think sick like ginger ale
          B           F#           G
My stomach turns and I exhale

Asus2           E
I would swallow my pride, I would choke on the
          B
rinds
          A
But the lack thereof would leave me empty inside
          E           F#
Swallow my doubt turn it inside out
Find nothing but faith in nothing

Asus2           E
Want to put my tender heart in a blender
          F#
Watch it spin 'round into a beautiful oblivion
Asus2       E           F#
Rendezvous, then I'm through with you
Make me blind when your eyes close  
Sink when you get close, tie me to the bedpost

I alone am the one you  
Don't know you need, you don't know you need me

Make me blind when your eyes close  
Tie me to the bedpost

Outro: Chorus lyrics but new chords

I would swallow my pride I would choke on the rinds  
But the lack thereof would leave me empty inside
Swallow my doubt, turn it inside out  
Find nothing but faith in nothing
Want to put my tender heart in a blender  
Watch it spin 'round to a beautiful oblivion
Rendezvous, then I'm through, now I'm through with

You  
Through with you
Rendezvous then I'm through with you
Evita - Don't Cry For Me Argentina

This follows the Me First and the Gimme Gimmes arrangement.
I pretty much play this as straight 8ths, punk-style, maybe opening up a little in the chorus.

_D_ Cadd9 G/B Cadd9 G

G C

It won’t be easy, you’ll think it strange

_D_

When I try to explain how I feel

_G_

That I still need your love after all that I’ve done

_Em_

You won’t believe me

_A7_

All you will see is a girl you once knew

_A7_

Although she is dressed to the nines

_D_

At sixes and sevens with you

_D_ Cadd9 G/B Cadd9 G

G C

I had to let it happen, I had to change

_D_

Couldn’t stay all my life down at heel

_G_

Looking out of the window, staying out of the sun

_Em_

So I chose freedom

_A7_

Running around, trying everything new

_A7_

But nothing impressed me at all

_D_

I never expected it to

_D_ Cadd9 G/B Cadd9 G

Don’t cry for me Argentina

_G_

The truth is I never left you

_D_

All through my wild days

_Cadd9_

My mad existence

_G_

I kept my promise

_Cadd9_

Don’t keep your distance (let ring)

_G_ C

And as for fortune, and as for fame

_D_

I never invited them in

_G_

Though it seemed to the world they were all I desired

_Em_

They are illusions

_A7_

They are not the solutions they promised to be

_A7_

The answer was here all the time

_D_

I love you and hope you love me

_D_ Cadd9 G/B Cadd9 G

Don’t cry for me Argentina

_G_

The truth is I never left you

_D_

All through my wild days

_Cadd9_

My mad existence

_G_

I kept my promise

_Cadd9_

Don’t keep your distance (let ring)

_Am_ D

Have I said too much?

_G_ D/F# _Em_

There’s nothing more I can think of to say to you

_Am_ D

But all you gotta do is look at me to know

_G_ D/F#_C_

That every word is true

Garth Brooks - Papa Loved Mama

E5
Papa drove a truck nearly all his life
A7
You know it drove mama crazy being a trucker's wife
B7
The part she couldn't handle was the being alone
C
I guess she needed more to hold than just a telephone
E5
Papa called Mama each and every night
A7
Just to ask her how she was and if us kids were alright
B7
Mama would wait for that call to come in
C
And when Daddy'd hang up she was gone again
A7
Mama was a looker lord how she shined
E7
Papa was a good’n but the jealous kind
A7
Papa loved Mama, Mama loved men
E7
Mama's in the graveyard Papa's in the pen
E5
Well it was bound to happen and one night it did
A7
Papa came home and it was just us kids
B7
He had a dozen roses and a bottle of wine
C
If he was lookin' to surprise us he was doin' fine
E5
I heard him cry for Mama up and down the hall

A7
Then I heard a bottle break against the bedroom wall
B7
That old diesel engine made an eerie sound
C
When Papa fired it up and headed into town
A7
Well the picture in the paper showed the scene real well
E7
Papa's rig was buried in the local motel
A7
The desk clerk said he saw it all real clear
After this line go right into the little riff
E7
He never hit the brakes and he was shifting gears

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

But I've got to think twice before I give my heart away

Girl I know all the games you play 'cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Hard stop on 'door'

Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith

Originally in Db, I play in E
Get the vox ready for “flipped over that gray

I usually capo 3 for this, so it's just higher than an octave down from the original.

I usually lead in with a slow rendition of the riff, an octave down (open position).

She's got a smile that it seems to me

Reminds me of childhood memories

Where everything

Was as fresh as the bright blue sky

Now and then when I see her face

She takes me away to that special place

And if I'd stare too long

I'd probably break down and cry

**Soft, crescendo through the chorus**

Woah, oh, sweet child o' mine

Woah, oh, sweet love of mine

Woah, oh, sweet child o' mine, oooh yeah

Woah, oh, sweet love of mine

Cha!

To quietly pass me by

Where do we go  oooh  where do we go now

Where do we go  oooh sweet child

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E--->D instead of G,F,E--->D.

But it's sad, she doesn't love me now

But it's a real beauty, a Mexican cutie, how it got here

Cut my heal had to cruise on back home  
But there's booze in the blender, and soon it will render

Joan Baez - Diamonds and Rust

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The song is a dirge, so I follow the Priest version, which is a rocking metal gallop.

As I remember, your eyes were bluer than robins' eggs

My poetry was lousy you said, but where are you calling from?

A booth in the mid-west

Ten years ago I bought you some cuff-links

And you bought me something

We both know what memories can bring

They bring diamonds and rust

Play short riff if not rocking

You burst on the scene, already a legend

The unwashed phenomenon, the original vagabond

You strayed into my arms

And there you stayed, temporarily lost at sea

The Madonna was yours for free, the girl on the half-shell

Could keep you unharmed

Well we both know what memories can bring

They bring diamonds and rust

Play short riff if not rocking, else another chorus

And you happened to call

And here I sit, hand on the telephone

I'm hearing a voice I'd known a couple of light years ago

Heading straight for a fall

Well we both know what memories can bring

They bring diamonds and rust

Well we both know what memories can bring
Well we both know what memories can bring
They bring diamonds and rust

Now I see you standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington Square

Our breath comes out of white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could have died then and there

Play long riff if not rocking

Now you're telling me you're not nostalgic
Then give me another word for it you who are so good with words
And at keeping things vague

'Cause I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly, and if you're offering diamonds and rust
I've already paid

All my bags are packed I'm ready to go

I'm standin' here outside your door

But the dawn is breakin' it's early morn

The taxi's waitin' he's blowin' his horn

Already I'm so lonesome I could cry

So kiss me and smile for me

Tell me that you'll wait for me

There's so many times I've let you down

So many times I've played around

Every place I go I'll think of you

Every song I sing I'll sing for you

When I come back I'll wear your wedding ring

Oh babe, I hate to go

Hold me like you'll never let me go

Cause I'm leavin' on a jet plane

Let ring

Don't know when I'll be back again

Oh babe, I hate to go

Now the time has come to leave you

One more time just let me kiss you

Close your eyes I'll be on my way

When I won't have to leave alone

About the times I won't have to say

So kiss me and smile for me

Tell me that you'll wait for me

'Cause all we are saying is give peace a chance
Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white
Well I never lived the dreams of the prom kings
And the drama queens I'd like to think the best of me
Is still hiding up my sleeve
They love to tell you
Stay inside the lines
But something's better on the other side
I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above

These chords are just like playing F and A bar chords with the top two strings open

I wonder if they've wished for anything better
While in their memories tiny tragedies
They love to tell you
Stay inside the lines
But something's better on the other side
I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing as the real world

I'm gonna bust down the double doors

I play the intro roughly as follows, leaving the second line on the m(7, not 9) to make the transition easier. Also not hitting the high string on that last chord will make the transition sound smoother.

Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

D | G
On a warm summer's evenin' on a train bound for nowhere

G | D
I met up with the gambler, we were both too tired to sleep

D | G
So we took turns a-starin' out the window at the darkness

G | D A | D
Till boredom overtook us, and he began to speak

D | G
He said, son, I've made a life out of readin' people's faces

G | D
And knowin' what their cards were by the way they held their eyes

D | G
And if you don't mind my sayin', I can see you're out of aces

G | D A
For a taste of your whiskey I'll give you some advice

D | G
So I handed him my bottle and he drank down my last swallow

G | D
Then he bummed a cigarette and asked me for a light

D | G
And the night got deathly quiet, and his face lost all expression

Said, if you're gonna play the game, boy, ya gotta learn to play it right

D | G
You got to know when to hold 'em, know when to fold 'em

G | D A
Know when to walk away and know when to run

D A D G
You never count your money when you're sittin' at the table

G | D A
There'll be time enough for countin' when the dealin's done

Key change

E | A | E
Ev'ry gambler knows that the secret to survivin'

A | E
Is knowin' what to throw away and knowing what to keep

E | A
'Cause ev'ry hand's a winner and ev'ry hand's a loser

A | E B
And the best that you can hope for is to die in your sleep

E | A
And when he'd finished speakin', he turned back towards the window

E
Crushed out his cigarette and faded off to sleep

E | A
And somewhere in the darkness the gambler, he broke even
But in his final words I found an ace that I could keep

You got to know when to hold 'em, know when to fold 'em
Know when to walk away and know when to run
You never count your money when you're sittin' at the table
There'll be time enough for countin' when the dealin's done

You got to know when to hold 'em, know when to fold 'em
Know when to walk away and know when to run
You never count your money when you're sittin' at the table
There'll be time enough for countin' when the dealin's done

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I'm feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it's a long 4 ("caaaaaallling"), and there's an awful lot of 3.

In A, play the intro A/E as:

- x -

- 2 -
- 2 -
- 4 -
- 0 -

A/E E A/E E A/E E A/E E
D/A A D/A A D/A A D/A A

Vox on 3--2 of the first chord on "Gloria"
A/E E D/A A
Gloria, you're always on the run now
A/E E
Running after somebody, you gotta get him somehow
A/E E
I think you've got to slow down
D/A A
Before you start to blow it
A/E E
I think you're headed for a breakdown
D/A A
So be careful not to show it

Vox stay where they were on "you really don't", then up to 3 2 1 of the chord on me-hem-ber
F#m B7
You really don't remember
E Amaj7
Was it something that he said?
D E A
Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was
A/E E D/A A
Gloria (Gloria), I think they got your number (Gloria)
A/E E
I think they got the aliases (Gloria)

Vox back to where the first verse was, on 3--2 of the first chord on "Gloria"
A/E E D/A
A-ha-ha, a-ha-ha, Gloria, how's it gonna go down?
A/E E
Will you meet him on the main line
D/A A
Or will you catch him on the rebound?
A/E E
Will you marry for the money
D/A A
Take a lover in the afternoon?
A/E E
Feel your innocence slipping away
D/A A
Don't believe it's coming back soon
F♯m  B7

Vox start this line where "Gloria" was
A/E  E  D/A  A
Gloria, don't you think you're fall-ing?
Both these phrases go up...
A/E  E  D/A
If everybody wants you, why isn't anybody c-all-ing?

Michael Jackson
Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7  D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5
'Cause this is thriller, thriller night

D7
There ain't no second chance to kill the thing with forty eyes girl

Am  Am G/B  C
Thriller, thriller night

D7  F7  D7
You're fighting for your life inside a killer, thriller, tonight

Am7
Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7  Am7/G  F#m7b5
There's no escapin' the jaws of the alien this time

Fmaj7  E7sus4  E7
This is the end of your life

Am7

D7
They're out to get you there's demons closing in on every side

Am7
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell

The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it. In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's). And start sloooow, the chorus is a lot of words.

Misc - Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)a (e)by (a)hi (c)hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

You'll never know, dear how much I love you
Please don't take my sunshine away

I've always loved you and made you happy
And nothing else could come between
But now you've left me to love another
You have shattered all of my dreams

You make me happy when skies are grey

Verse originally in Bb, I play in G if I want to work, otherwise C capo 3.

If you're capo'd, be ready to find those 9's. And on guitar, just play a 7 instead of the #9.

Intro, the first chord is really just fading in, and the progression really starts at the second chord. F# B/D# Bm/D C#m7 F#7

Vox on the 5 of the first chord, just up a step on "love" G D/F# A

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff Oh

Together they would travel on boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow whene'er they came

Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave

So, Puff that mighty dragon
Sadly slipped into his cave, but

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me
As the sun was shining, and I was strolling
Through the wheat fields waving and the dust clouds rolling
I could feel inside me and see all around me
This land was made for you and me
This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream

Through the sparkling sands of her diamond deserts
And all around me this voice kept saying
This land was made for you and me

Em
What’s it like in New York City?
C
I’m a thousand miles away
Em
But girl tonight you look so pretty
Am G
Yes you do
F G Am
Times Square can’t shine as bright as you
G
I swear it’s true

C
Hey there Delilah
Em
Don’t you worry about the distance
C
I’m right there if you get lonely
Em
Give this song another listen
Am G
Close your eyes

Listen to my voice it’s my disguise

I’m by your side

C Am
Oh it’s what you do to me
C Am
Oh it’s what you do to me
C Am
Oh it’s what you do to me
C Am
Oh it’s what you do to me

Bridge, vox on the 1 of the chord
F
A thousand miles seems pretty far
G
But they’ve got planes and trains and cars
C Am
I’d walk to you if I had no other way
F
Our friends would all make fun of us

C
And we'll just laugh along because
We know that none of them have felt this way

Delilah I can promise you
That by the time that we get through
Vox to the 5 of the chord on "world"
The world will never ever be the same
And you're to blame

Hey there Delilah you be good and don't you miss me
Two more years and you'll be done with school
And I'll be making history
Like I do

You'll know it's all because of you
We can do whatever we want to
Hey there Delilah here's to you
This one's for you

Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me

Queen - Crazy Little Thing Called Love

This thing, called love, I just can't handle it
This thing, called love, I must get 'round to it
I ain't ready, crazy little thing called love

This thing called love
It cries (like a baby) In a cradle all night
It swings it jives
It shakes all over like a jelly fish
I kinda like it
Crazy little thing called love

There goes my baby, she
Knows how to rock and roll
She drives me crazy
She gives me hot and cold fever
Then she leaves me in a cool, cool sweat

I gotta be cool relax, get hip
Get on my tracks
Take a back seat, hitch-hike
And take a long ride on my motor bike
Until I'm ready (ready, Freddie)

Solo if appropriate
Snaps only, no guitar, chords are "just in case"

Baby beluga in the deep blue sea

Sky above and the sea below and a  
Little white whale on the go

Baby beluga, baby beluga  
Is the water warm? Is your mama home with you? So happy...

Curled up snug in your Water bed  
The moon is shining and the stars are out  
Goodnight little whale goodnight

Sam Cooke - Cupid

I promise I will love her until eternity
I know, between the two of us, her heart we can steal

Now, I don't mean to bother you, but I'm in distress
There's danger of me losin' all of my happiness
For I love a girl who doesn't know I exist
And this you can fix, so

Cupid, don't you hear me
Calling I need you
Cupid

I like to strum the chorus but play the verse in a reggae style

E C#m E C#m
Cupid, draw back your bow
And let, your arrow go
Straight to my lover's heart for me, nobody but me
Cupid, please hear my cry
And let your arrow fly
Straight to my lover's heart for me

Now, cupid, if your arrow make her love strong for me

Sara Bareilles - Brave

Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of *love*")

C
You can turn a phrase into a weapon or a drug
Am
You can be the outcast
Am
Or be the backlash of somebody’s lack of love

C
Nothing’s gonna hurt you the way that words do

say what you wanna say
Am F
And let the words fall out
G C

Smash Mouth - All Star

Originally in F#, I play in G (6th-string power chords)
This is maybe the only song where I’m not writing out all the chords; it would be 3 pages for 4 chords.

G D Am C

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don’t stop coming
Fed to the rules and I hit the ground running
Didn’t make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do much to see
So what’s wrong with taking the back streets
You’ll never know if you don’t go
You’ll never shine if you don’t glow

Hey now, you’re an all-star, get your game on, go play
Hey now, you’re a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Bridge

Hey now, you’re an all-star, get your game on, go play
Hey now, you’re a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don’t stop coming
Fed to the rules and I hit the ground running
Didn’t make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do much to see
So what's wrong with taking the back streets?

Taylor Swift - Shake it Off

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am
I stay out too late
C
Got nothing in my brain
G
That's what people say, mmm
That's what people say, mmm

Am
I go on too many dates
C
But I can't make 'em stay
G
At least that's what people say, mmm
That's what people say, mmm

Am
But I keep cruisin'
C
Can't stop won't stop moving
G
It's like I got this music in my mind
No hard stop this time
G
Saying it's gonna be alright

In the low octave, start going back up on the third "play"

Am
'Cause the players gonna play, play, play, play
C
And the haters gonna hate, hate, hate, hate
G
I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Am
Heartbreakers gonna break, break, break, break
C
And the fakers gonna fake, fake, fake, fake, fake baby
G
I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Percussion out

Am
I never miss a beat
C

Percussion back in

That's what they don't see, mmm

Am

Saying it's gonna be alright

And the haters gonna hate, hate, hate, hate
baby
G
I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off
Heartbreakers gonna break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake baby

I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Shake it off, I shake it off, I I
I shake it off, I shake it off, I I
I shake it off, I shake it off, I I
I shake it off, I shake it off

Percussion only in the original, but way less awkward acoustic to keep the chords going. Talk over the first part, sing the second part on the chorus melody.

Hey, hey, hey, just think
While you've been gettin' down and out
About the liars and dirty, dirty cheats of the world
You could've been gettin' down to this sick beat

She's like "oh my god" I'm just gonna shake it
To the fella over there with the hella good hair
Won't you come on over baby we could shake shake shake

The Beatles
The Beatles - Here, There and Everywhere

Originally in G, I play in E

To lead a better life, I need my love to be here

Here, making each day of the year
Changing my life with a wave of her hand
Nobody can deny that there's something there

There, running my hands through her hair
Both of us thinking how good it can be
Someone is speaking, but she doesn't know he's there

I want her everywhere
And if she's beside me I know I need never care
But to love her is to need her

Everywhere, knowing that love is to share
Each one believing that love never dies
Watching her eyes, and hoping I'm always there

The Beatles
The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Already Gone

*Solo on verse chords*

Well, I know it wasn't you who held me down
Heaven knows it wasn't you who set me free
So oftentimes it happens that we live our lives in chains
That we never even know we have the key

Me I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
'Cause I'm already gone

I don't usually do the key change when I'm singing

Hold the first two chords
Yes I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
Hold all three chords
'Cause I'm already gone

The Eagles

The Eagles - Already Gone

Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you
And you'll soon find out it's true
And then you'll have to eat your lunch all by yourself
'Cause I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
'Cause I'm already gone

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

'Cause I'm already gone, and I'm
Feeling strong
I will singing this vict'ry song
Woo-hoo-hoo, my my, woo-hoo-hoo

The Hollies
The House Jacks - Gone

**Chorus**

I play in A capo 1.

Vox on the 6 on “blu”

Bluish gray suns don’t rise

Bathing deep in the stolen dreams from borrowed times

The morning breaks to vacant signs of You

And the shallow pools as if the tears were mine

Shade the waves’ reflections left behind

And I search my faith to never find a Clue

And now you’re gone, somehow you’re gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

You’re everything I could depend on

But now all you are is gone

You were my world, you were my song

You’re everything I could depend on

But now all you are is gone

And now you’re gone, somehow you’re gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

You’re everything I could depend on

But now all you are is gone

And I passed the blame to pass the time

To cross my heart and walk across that line

Whose will is this which poet’s lines pull at You

And now you’re gone, somehow you’re gone

Harmony enters on the 1 (G)
G Am7sus4 Cadd9 D
Well the darkness has a hunger that's insatiable
G Am7sus4 Cadd9 D

G Am7sus4 Cadd9 D
I stopped by the bar at 3 a.m
G Am7sus4 Cadd9 D
To seek solace in a bottle or possibly a friend
I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before

And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountain
We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain
We go to the bible, we go through the workout
Let ring on "stand up" and "lookout"
We read up on revival and we stand up for the lookout

Pointing me in a crooked line
The less I seek my source for some definitive
