All the i5's alternate w/VII5, which I leave out here.

Bette Midler - The Rose

*Originally in C, I play in G*

**Intro**

\[ \text{G} \]

\[ \text{G} \quad \text{D/F#} \]

Some say love, it is a river

\[ \text{C} \quad \text{D} \quad \text{G} \]

That drowns the tender reed

Some say love, it is a razor

\[ \text{C} \quad \text{D} \quad \text{G} \]

That leaves your soul to bleed

\[ \text{Bm} \quad \text{Em} \]

Some say love, it is a hunger

\[ \text{C} \quad \text{D7sus4} \quad \text{D} \]

An endless aching need

\[ \text{G} \quad \text{D} \]

I say love, it is a flower and

\[ \text{C} \quad \text{D} \quad \text{G} \]

You its only seed

\[ \text{G} \]

\[ \text{G} \quad \text{D} \]

It's the heart afraid of breaking

\[ \text{C} \quad \text{D} \quad \text{G} \]

That never learns to dance

\[ \text{G} \quad \text{D} \]

It's the dream afraid of waking

\[ \text{C} \quad \text{D} \quad \text{G} \]

That never takes the chance

\[ \text{Bm} \quad \text{Em} \]

It's the one who won't be taken

\[ \text{C} \quad \text{D7sus4} \]

Who can not seem to give

\[ \text{G} \quad \text{D} \]

And the soul afraid of dying

\[ \text{C} \quad \text{D} \quad \text{G} \]

That never learns to live

\[ \text{G} \]

\[ \text{G} \quad \text{D} \]

When the night has been too lonely

\[ \text{Bm} \quad \text{C} \quad \text{D} \quad \text{G} \]

And the road has been too long

\[ \text{G} \quad \text{D} \]

And you think that love is only

\[ \text{C} \quad \text{D} \quad \text{G} \]

For the lucky and the strong

\[ \text{Bm} \quad \text{Em} \]

Just remember in the winter

\[ \text{C} \quad \text{D7sus4} \]

Far beneath the bitter snow

\[ \text{G} \quad \text{D} \]

Lies the seed that with the sun's love

\[ \text{C} \quad \text{D} \quad \text{G} \]

In the spring becomes the rose

Billy Joel - Keeping the Faith

Originally in D, I play in A capo 2.

A

A
If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my younger days
D
Oh, then you should have known me much better
Cause my past is something that never got in my way oh no
A
Still I would not be here now if I never had the hunger
And I'm not ashamed to say the wild boys were my friends
D
Cause I never felt the desire till their music set me on fire
E6 D
And then I was saved, yeah
That's why I'm keeping the faith
D
Yeah, yeah, yeah, yeah
A
Keeping the faith
A
We wore matador boots
Only Flagg Brothers had them with the Cuban heel
Iridescent socks with the same color shirt
And a tight pair of chinos
D
I put on my shark skin jacket
You know the kind with the velvet collar
A
And ditty-bop shades

E6
I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

Combed my hair in a pompadour
Like the rest of the Romeos wore
A permanent wave yeah
We were keeping the faith
Yeah, yeah, yeah, yeah
Keeping the faith

Bridge

E D A
You can get just so much from a good thing
E D A
You can linger too long in your dreams
E D A
Say goodbye to the oldies but goodies
Bm7
Cause the good old days weren't always good
E7
And tomorrow ain't as bad as it seems
A
Learned stickball as a formal education
Lost a lot of fights but it taught me how to lose O.K.
D
I heard about sex but not enough
A
I found you could dance and still look tough anyway
D
I found out a man ain't just being macho
Ate an awful lot of late night drive-in food drank a lot of take-home pay
D
I thought I was the Duke of Earl
When I made it with a red-haired girl
E6 D
In a Chevrolet
We were keeping the faith
D
Yeah, yeah, yeah, yeah
Billy Joel - Keeping the Faith

Bridge

E     D     A
You can get just so much from a good thing
E     D     A
You can linger too long in your dreams
E     D     A
Say goodbye to the oldies but goodies
Bm7
Cause the good old days weren't always good
Hang this line if not doing a solo
E7
And tomorrow ain't as bad as it seems

Instrumental, listed here with lyrics but I usually skip if a solo is not appropriate.

E     D     A
You can get just so much from a good thing
E     D     A
You can linger too long in your dreams
E     D     A
Say goodbye to the oldies but goodies
Bm7
Cause the good old days weren't always good
E7
And tomorrow ain't as bad as it seems

A
Now I told you my reasons for the whole revival
Now I'm going outside to have an
Ice cold beer in the shade
D
I'm going to listen to my 45's
Ain't it wonderful to be alive
When the rock 'n' roll

E6     D
Plays yeah
E6     D
When the memory stays, yeah
E6
I'm keeping the faith
D
Yeah, yeah, yeah, yeah

D  D  D  G
x4

They say that these are not the best of times
But they’re the only times I’ve ever known
And I believe there is a time for meditation
In cathedrals of our own

Now I have seen that sad surrender
In my lover’s eyes
And I can only stand apart and sympathize
For we are always what our situations hand us
It’s either sadness or euphoria
Sadness or euphoria

And so we’ll argue and we’ll compromise
And realize that nothing’s really changed
For all our mutual experience
Our separate conclusions are the same

Now we are forced to recognize our
Inhumanity
Our reason coexists with our insanity
And so we choose between reality and madness

On guitar, play as barre and ignore most extensions.

Blue Swede - Hooked on a Feeling

Originally in G#, I play in E capo 1
First verse is a cappella, with ooka-chaka's
I prefer to skip the ooka-chaka's, and just play muted

I can't stop this feeling deep inside of me
Girl, you just don't realize what you do to me
When you hold me in your arms so tight
You let me know everything's alright

Band enters on "feeling"

I-I-I-I-I-I, I'm hooked on a feeling
I'm high on believing

Ends with two hits on the last chord, which is a measure

That you're in love with me

Lips as sweet as candy their taste is on my mind
Girl you got me thirsty for another cup of wine
Got a bug from you girl but I don't need no cure
I just stay a victim if I can for sure
All the good love when we're all alone
Keep it up girl, yeah you turn me on

Band enters on "feeling"

I-I-I-I-I-I, I'm hooked on a feeling
I'm high on believing

Ends with two hits on the last chord

That you're in love with me

Hang the last chord

band out, with ooka-chaka's

This tide of catchy little tunes
Or hip three-minute ditties
I wanna bust all your balloons
I wanna burn all of your cities
To the ground I've found

Unless I play then hey

Hear what I say, I have a prayer to pray

On the jugglers and the clowns when they all did tricks for you

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

On a long and lonesome highway east of Omaha
You can listen to the engine, moanin' out its one note song
You can think about the woman, or the girl you knew the night before
And your thoughts will soon be wandering the way they always do
When you're riding sixteen hours and there's nothing much to do
You don't feel much like writing, you just wish the trip was through

But here I am, on the road again
Here I am, up on stage
Here I go, playing the star again
There I go, turn the page

Quiet, let chords ring...

Out there in the spotlight, you're a million miles away
Every ounce of energy you try to give away
And the sweat pours out your body like the music that you play

Later on that evening, as you lie awake in bed
The echoes of the amplifiers ringin' in your head
And you smoke the day's last cigarette, remembering what she said

But here I am, on the road again
Bob Seger - Turn The Page

Here I am, up on stage
Here I go, playing the star again
There I go, turn the page

Now getting loud again...

But here I am, on the road again
Here I am, up on stage
Here I go, playing the star again
There I go, there I go

Bon Jovi - Bed of Roses

Originally in F, I play in C capo 2.

F C F C
(x2)

F
Sitting here wasted and wounded at this old piano
C
Trying hard to capture the moment
C
This morning I don't know
Em F
’Cause a bottle of vodka is still lodged in my head
C
And some blond gave me nightmares
F
Think she's still in my bed
F
As I dream about movies they
G C
Won't make of me when I'm dead
F
With an ironclad fist
C
I wake up and French kiss the morning
F
While some marching band keeps its own beat
C
In my head while we're talking
Em F
About all of the things, that I long to believe
C
About love, the truth, what you mean to me
F
And the truth is
F G C G/B
Baby, you're all that I need
Am
I wanna lay
G F C
You down in a bed of roses
Am
For tonight
G F C
I sleep on a bed of nails
F C
Oh, I want to be just as close as
F C
The holy ghost is
Am G F
And lay you down
C
On a bed of roses
F
Well I'm so far away
C
Each step that I take's on my way home
F
A king's ransom in dimes
C
Given each night to see through this pay phone
Em
Still I run out of time
F
Or it's hard to get through
C
Till the bird on the wire flies me back to you
F
I'll just close my eyes, whisper
F G C G/B
Baby, blind love is true
Am
I wanna lay
G F C
You down in a bed of roses
Am
For tonight
G F C
I sleep on a bed of nails
F C
Oh, I want to be just as close as
F C
The holy ghost is
Am G F
And lay you down
C
On a bed of roses

Bridge
Well this hotel bar's hangover
Whiskey's gone dry the barkeeper's wig's crooked
And she's giving me the eye
I might have said yes
But I laughed so hard I think I died

Solo on chorus chords, more or less

Now as you close your eyes
Know I'll be thinking about you
While my mistress she calls me
To stand in her spotlight again
Tonight I won't be alone
But you know that don't mean I'm not lonely
I've got nothing to prove for it's you
That I'd die to defend

I wanna lay
You down in a bed of roses
For tonight
I sleep on a bed of nails
Oh, I want to be just as close as
The holy ghost is
And lay you down on a bed of roses

Counting Crows - Mr. Jones

Originally in C, I play in G. Still need to falsetto on "Jones".

Intro

\[\text{Em C Am D} \quad \text{Em C D} \]

Sha la la la la la la, uh-huh

\[\text{Em C Am} \quad \text{Em C D} \]

I was down at the New Amsterdam staring at this yellow-haired girl

\[\text{Em} \quad \text{C} \quad \text{Am} \quad \text{Em} \quad \text{C} \quad \text{D} \]

Mr. Jones strikes up a conversation with a black-haired flamenco dancer

\[\text{Em} \quad \text{C} \quad \text{Am} \]

You know she dances while his father plays guitar, she's suddenly beautiful

\[\text{Em} \quad \text{C} \quad \text{D} \]

Well we all want something beautiful, man I wish I was beautiful

\[\text{Em} \quad \text{C} \quad \text{D} \]

So come dance this silence down through the morning

\[\text{Am} \quad \text{D} \quad \text{Em} \quad \text{C} \quad \text{D} \]

Sha la la la la la la, la, yeah uh-huh, yeah

\[\text{Em} \quad \text{C} \quad \text{Am} \quad \text{Em} \quad \text{C} \quad \text{D} \]

Cut up, Maria, show me some of them Spanish dances

\[\text{Em} \quad \text{C} \quad \text{D} \]

Pass me a bottle, Mr. Jones

\[\text{Em} \quad \text{C} \quad \text{Am} \quad \text{D} \]

Believe in me, help me believe in anything

\[\text{Em} \quad \text{C} \quad \text{D} \]

'Cause I want to be someone who believes, yeah

\[\text{G} \quad \text{C} \quad \text{D} \]

Mr. Jones and me tell each other fairy tales

\[\text{G} \quad \text{C} \]

And we stare at the beautiful women

\[\text{G} \quad \text{C} \quad \text{D} \]

She's looking at you, ah, no, no, she looking at me

\[\text{G} \quad \text{C} \quad \text{D} \]

Smiling in the bright lights, comin' through in stereo

\[\text{G} \quad \text{C} \quad \text{D} \]

When everybody loves you, you can never be lonely

\[\text{Em} \quad \text{C} \quad \text{Am} \]

Well, I'm gon' paint my picture, paint myself in blue and red and black and gray

\[\text{Em} \quad \text{C} \quad \text{D} \]

All of the beautiful colors are very, very meaningful

\[\text{Em} \quad \text{C} \quad \text{Am} \]

Yeah, you know gray is my favorite color I felt so symbolic yesterday

\[\text{Em} \quad \text{C} \quad \text{D} \]

If I knew Picasso I would buy myself a gray guitar and play

\[\text{G} \quad \text{C} \quad \text{D} \]

Mr. Jones and me look into the future

\[\text{G} \quad \text{C} \]

Yeah, we stare at the beautiful women

\[\text{G} \quad \text{C} \]

Standing in the spotlight I bought myself a gray guitar

\[\text{G} \quad \text{C} \quad \text{D} \]

When everybody loves me, I will never be lonely

\[\text{G} \quad \text{C} \quad \text{D} \]

I will never be lonely

\[\text{Em} \quad \text{D} \]

Said I'm never gonna be lonely

\[\text{Em} \quad \text{C} \]

I wanna be a lion, everybody wanna pass as cats

\[\text{Em} \quad \text{D} \]

We all wanna be big, big stars, yeah but we got different reasons for that

\[\text{Em} \quad \text{C} \]

Believe in me 'cause I don't believe in anything

Dan Morris - Unusually Blue Bluebird

Yesterday the sun shined but you knew that it wouldn't last.
If yesterday was a bucket of seeds then today's just a patch of grass.
When you woke up this morning you felt the rain fall on your head.
Yesterday you cruised the sky but today you'll stay in bed.

You are an unusually blue bluebird.
I guess you won't fly today.
You are an unusually blue bluebird.
The wind just won't blow your way.

But you're an unusually blue bluebird.
Colors bright and strong.
You're an unusually blue bluebird.
So today you'll sing your song.

You're an unusually blue bluebird.
Make the best of the day.
You're an unusually blue bluebird.
You never know what will blow your way.

She's just a dream, just another door that you can't open

Just stay away

You know you've been through this before

But you can't sleep

Can't even breathe when you're without her

Each time the clock goes 'round

Your heart falls down

And you ask yourself just why it should be you

Why you should be the lucky one

You ask yourself what you can give her

When the day is over

Just to show her that it should be you

And when another sunlight falls upon her hair

Will you be there? Will she even care?

Will you be there when her summer breezes blow

Her leaves of autumn, her hint of winter snow

And while you're waiting and a month becomes a year

Will she care for your lost seasons, will she shed a single tear?

Will you be there, yeah

Will you be waiting dreaming wandering alone?

Will you be there will you be will you will you there?

Or will she see you waiting and wonder wonder where?

It's agony to wait (it's agony to wait)
Tell the guard to open up the gate

What I'm dreaming of
A chance to change my lonely world

I know it all ends tomorrow
So it has to be today
'Cause for the first time in forever
For the first time in forever

I went down to the sacred store
Where I'd heard the music years before

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

You have made my life complete, and I love you so

Love me tender, love me true, all my dreams fulfill
For my darling I love you, and I always will

For it's there that I belong, and we'll never part

Then I heard a bottle break against the bedroom wall
That old diesel engine made an eerie sound
When Papa fired it up and headed into town

Spoken
There goes the challenger being chased
By the blue, blue meanies on wheels
The vicious traffic squad cars are after our lone driver
The last American hero, the, the electric sin-tar
The demi-god, the super driver of the golden West
Two nasty Nazi cars are close behind the beautiful lone driver
The police cars are getting closer, closer
Closer to our soul hero in his soul mobile, yeah baby
They about to strike, they gonna get him, smash! rape!
The last beautiful free soul on this planet

But it is written if the evil spirit
Arms the tiger with claws
Brahman provided wings for the dove
Thus spake the super guru
Did you hear that?

Gonna find a way to cure this loneliness
Yeah, I'll find a way to cure the pain
If I said that you're my friend, and our love would never end

How long before I had your trust again

I opened up the doors when it was cold outside
Hoping that you'd find your own way in

Better tame that boy 'fore he's a man

I'm taking time for quiet consolation
In passing by this love that's passed away
I know it's never easy, so why should you believe me

Slow, let ring

I've long since retired, my son's moved away

Two extra beats after this line

I called him up just the other day

I said, I'd like to see you if you don't mind

He said I'd love to, Dad, if I could find the time

You see my new job's a hassle and the kids have the flu

But it's sure nice talkin' to you, Dad

It's been sure nice talkin' to you

And as I hung up the phone it occurred to me

He'd grown up just like me

My boy was just like me

And the cat's in the cradle and the silver spoon

Little boy blue and the man in the moon

When you comin' home son?

I don't know when but we'll get together then,

We're gonna have a good time then
Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do I get you alone?" on E,F, E--->D instead of G,F,E--->D.

In a little cafe just the other side of the border

She was just sitting there giving me looks that made my mouth water

So I started walking her way, she belonged to bad man Jose

Hard stop at the end of the line

And I knew, yes I knew I should leave when I heard her say, ay, ay

The IV is implied here

Come a little bit closer

You're my kind of man, so big and so strong

Come a little bit closer

I'm all alone, and the night is so long

So we started to dance, in my arms she felt so inviting

That I just couldn't resist just one little kiss, so exciting

Then I heard the guitar player say, "Vamoose, Jose's on his way"

And I knew, yes I knew I should run, but I heard her say, ay, ay

Then the music stopped, when I looked the cafe was empty

Then I heard Jose say "an, you know you're in trouble plenty"

Come a little bit closer

Nibblin' on sponge cake, watchin' the sun bake
All of those tourists covered with oil
Strummin' my six string, on my front porch swing
Smell those shrimp they're beginnin' to boil

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman to blame, but I know, it's nobody's fault

Don't know the reason, I stayed here all season
Nothin' to show but this brand new tattoo
But it's a real beauty, a Mexican cutie, how it got here
I haven't a clue

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman to blame, now I think, hell it could be my fault

I blew out my flip flop, stepped on a pop top
Cut my heel had to cruise on back home
But there's booze in the blender, and soon it will render
That frozen concoction that helps me hang on

This is adapted loosely from the Judas Priest version.

As a duet, I sing a 3rd below the lead and play in Em.
The songs is a dirge, so I follow the Priest version,
which is a rocking metal gallop.

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I'm feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it's a long 4 ("caaaaallllling"), and there's an awful lot of 3.

In A, play the intro A/E as:

- 4-
- 0-

A/E E A/E E A/E E A/E E

Go up on to the 4 on "under" D/A A
That you've been living under (Gloria)

Vox stay up where "under" was F#m B7
But you really don't remember E Amaj7
Was it something that they said? D E A
Are the voices in your head calling Gloria?

Vox back to where the first verse was, on 3-->2 of the first chord on "Gloria"
A/E E D/A
A-ha-ha, a-ha-ha, Gloria, how's it gonna go down? A

Will you meet him on the main line D/A A
Or will you catch him on the rebound? A/E E
Will you marry for the money D/A A
Take a lover in the afternoon? A/E E
Feel your innocence slipping away D/A A
Don't believe it's coming back soon
Laura Branigan - Gloria

And you really don't remember

Is it something that he said?

Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was

Both these phrases go up...

If everybody wants you, why isn't anybody calling?

You don't have to answer

Leave them hanging on the line, oh-oh-oh, calling

Vox start this line where "Gloria" was

Gloria (Gloria), I think they got your number

I think they got the aliases (Gloria)

That you've been living under (Gloria)

But you really don't remember

Lorde - Royals

I've never seen a diamond in the flesh
And I cut my teeth on wedding rings in the movies
And I'm not proud of my address
In the torn up town, no postcode envy

But every song is like
Gold teeth, grey goose, trippin' in the bathroom
Blood stains, ballgowns, trashin' the hotel room
We don't care, we're driving Cadillacs in our dreams

But everybody's like Cristal, Maybach, diamonds on your timepiece
Jet planes, islands, tigers on a gold leash
We don't care, we aren't caught up in your love affair

And we'll never be royals, it don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz
Let me be your ruler, you can call me queen bee
And baby I'll rule (I'll rule, I'll rule, I'll rule)
Let me live that fantasy

Oh oh oh, oh oh oh, oh oh
We're bigger than we ever dreamed
And I'm in love with being queen
Oh oh oh, oh oh oh, oh oh
Life is great without a care
We aren't caught up in your love affair

And we'll never be royals, it don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz

Let me be your ruler, you can call me queen bee
And baby I'll rule (I'll rule, I'll rule, I'll rule)
Let me live that fantasy

Michael Jackson - Beat It

Originally in Ebm, I play in Em capo 3.
The fourth D in a phrase can be B7.

Em D C D

They told him don't you ever come around here
Don't wanna see your face you better disappear
The fire's in their eyes and their words are really clear

C D
So beat it, just beat it

Em D
You better run, you better do what you can
Don't wanna see no blood, don't be a macho man
You wanna be tough, better do what you can

Em D
So beat it, but you wanna be bad

Em D
Just beat it, beat it
No one wants to be defeated
Showin' how funky strong is your right
It doesn't matter who's wrong or right

Em D
Just beat it, beat it

Em D
They're out to get you better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive, better do what you can

Em D
So beat it, just beat it

Em D
You have to show 'em that you're really not scared
Michael Jackson - Billie Jean

Originally in F#m, I play in Dm

Writing out the whole pattern here, then just abbreviating as im

\[ \text{Dm Em F Em} \]
\[ \times 2 \]

Vox on the 5

\[ \text{Dm Em F Em} \]
She was more like a beauty queen from a movie scene

\[ \text{Dm Em F Em} \]
I said don't mind but what do you mean, I am the one

\[ \text{Gm Dm} \]
Who will dance on the floor in the round

\[ \text{Gm} \]
She said I am the one

\[ \text{Gm Dm} \]
Who will dance on the floor in the round

\[ \text{Dm} \]
She told me her name was Billie Jean as she caused a scene

Then every head turned with eyes that dreamed

\[ \text{Gm} \]
Of being the one

\[ \text{Dm} \]
Who will dance on the floor in the round

\[ \text{A# Dm} \]
People always told me, be careful what you do

\[ \text{A# Dm} \]
And don't go around breaking young girls' hearts

\[ \text{A# Dm} \]
And mother always told me, be careful who you love

\[ \text{A# A7} \]
And be careful what you do, 'cause the lie becomes the truth, hey

Vox on the 1

\[ \text{Dm} \]
Billie Jean is not my lover

\[ \text{Gm} \]
She's just a girl who claims that I am the one

\[ \text{Gm} \]
But the kid is not my son

\[ \text{Gm} \]
She says I am the one

\[ \text{Gm} \]
But the kid is not my son

\[ \text{Dm} \]
For forty days and forty nights, law was on her side

But who can stand when she's in demand, her schemes and plans

\[ \text{Gm} \]
'Cause we danced on the floor in the round

\[ \text{Gm} \]
So take my strong advice

\[ \text{Dm} \]
Just remember to always think twice (don't think twice)

\[ \text{Dm} \]
She told my baby we danced 'til three, and she looked at me

Then showed a photo, my baby cried, his eyes were like mine

\[ \text{Gm} \]
So we danced on the floor in the round, baby

\[ \text{A# Dm} \]
People always told me, be careful what you do

\[ \text{A# Dm} \]
And don't go around breaking young girls' hearts (don't break no hearts)

\[ \text{A# Dm} \]
But you came and stood right by me, just a smell of sweet perfume

\[ \text{A#} \]
This happened much too soon

\[ \text{A7} \]
She called me to her room, hey

\[ \text{Dm} \]
Billie Jean is not my lover

She's just a girl who claims that I am the one

But the kid is not my son

Billie Jean is not my lover

She's just a girl who claims that I am the one

But the kid is not my son

She says I am the one

But the kid is not my son

Solo

Billie Jean is not my lover

She's just a girl who claims that I am the one

But the kid is not my son

She says I am the one

But the kid is not my son

She says I am the one

She says I am the one

They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it.)

In E, it's lots of open pentatonic minor, and E D A E (i.e., ignore all the slash chords and add9's).

And start sloooow, the chorus is a lot of words.

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vox start on the 1.
Vocal note: lull(e) drop (a) by (a) hi (c) hi. I find the first ‘e’ easy to find, but my instinct is to move right up. The ‘by’ is the same note.

You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

The other night, dear as I lay sleeping
I dreamed I held you in my arms
When I awoke, dear I was mistaken
So I hung my head and cried

I've always loved you and made you happy
And nothing else could come between
But now you've left me to love another
You have shattered all of my dreams

You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear

**Paramore - Still Into You**

*Originally in F, I play in C capo 5 (down an octave)*

Am
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want
to go up, but you don’t.
I should be over all the butterflies
But I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
No hard stop this time
I’m still into you

Some things just
Some things just make sense
And one of those is you and I

Recount the night that I first
Met your mother

I dig rock and roll music and I'd love to get the chance to play (and sing it)
I figure it's about the happiest sound going down today

The message may not move me
Or mean a great deal to me
But hey, it feels so groovy to say

I dig the Mamas and the Papas at "The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

And when they're really wailing
Michelle and Cass are sailing
Hey, they really nail me to the wall

I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

And when the Beatles tell you
They've got a word "love" to sell you
They mean exactly what they say

I dig rock and roll music
I could really get it on in that scene

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff Oh
Together they would travel on boat with billowed sail

Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow whene'er they came

Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave

So, Puff that mighty dragon
Sadly slipped into his cave, but

A dragon lives forever, but not so little boys
Painted wings and giant's rings make way for other toys

One grey night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane

Without his lifelong friend, Puff could not be brave

So, Puff that mighty dragon
Sadly slipped into his cave, but

Originally in G, I play in E

Birds and snakes, an aeroplane, Lenny Bruce is Amaj7
not afraid
\[ E \]
Eye of a hurricane, listen to yourself churn
Amaj7
World serves its own needs, don't misserve your own needs
\[ E \]
Speed it up a knock, speed, grunt, no, strength no Amaj7
Ladder starts to clatter with fear fight, down height
\[ G \]
Wire in a fire, representing seven games F#m
In a government for hire and a combat site
\[ E \]
Left of west and coming in a hurry with the furies breathing
Amaj7
Down your neck
\[ E \]
Team by team reporters baffled, trump, tethered, cropped, look at Plane, fine, then get one beat each Amaj7
That low plane, fine, then
\[ E \]
Uh oh, overflow, population, common group, but Amaj7
It'll do, save yourself, serve yourself, world serves its
\[ E \]
Own needs, listen to your heart bleed, tell me with the Amaj7

Rapture and the reverent in the right, right
\[ G \]
You vitriolic, patriotic, slam, fight, bright light F#m
Feeling pretty psyched

Six o'clock, TV hour, don't get caught in foreign tower

Every motive escalate, automotive incinerate
\[ E \]
Light a candle, light a motive, step down, step down Amaj7
Watch a heel crush, crush, uh oh, this means E
No fear, cavalier, renegade, steer clear Amaj7
A tournament, a tournament, a tournament of lies
\[ G \]
Offer me solutions, offer me alternatives and I F#m decline
With "might I have some time alone" for the rest of the song

G
Baby beluga in the deep blue sea
You swim so wild and you swim so free
Sky above and the sea below and a
Little white whale on the go

C     G
Baby beluga, baby beluga
A
Is the water warm? Is your mama home with
you? So happy...

G
Way down yonder where the dolphins play
Where you splash and dive all day
The waves roll in, and the waves roll out
See the water squirtin' out of your spout

C     G
Baby beluga, baby beluga
A
Sing your little song, sing for all your friends
We like to hear you

G
When it's dark and you're home and fed
Curled up snug in your Water bed
The moon is shining and the stars are out
Goodnight little whale goodnight

C     G
Baby beluga, baby beluga
A

With tomorrow's sun, another day has gone
You'll soon be waking

G
Baby beluga in the deep blue sea
You swim so wild and you swim so free
Sky above and the sea below
And a little white whale on the go
You're just a little white whale on the go

*Originally in G, I play in E*
*I like to strum the chorus but play the verse in a reggae style*

\[ E \ C\#m \ E \ C\#m \]

Savatage - All That I Bleed

Originally in Bb, I play in G. This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

G D C D

G D C D
Someone got themselves a letter
In the mail the other day
It's all ready worn and tattered
And I guess it gives away

Am G

And all is well until the heart betrays

G D C D

Things were bound to stray
The wind blows, she pulls her coat tighter
And the letter flies away

Smash Mouth - All Star

Originally in F#, I play in G (all power chords)
This is maybe the only song where I'm not writing out all the chords; it would be 3 pages for 4 chords.

Somewhere somebody told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold

Only shooting stars break the mold

Bridge

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold

Only shooting stars break the mold

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets?

You'll never shine if you don't glow

Someday, when my life has passed me by
I'll lay around and wonder
Why you were always there for me
One way, in the eyes of a passer by
I'll look around for another try
And fade away

Just close your eyes and I'll take you there
This place is warm, without a care
We'll take a swim in the deep blue sea
I go to leave but you reach for me
Some say, better things will come our way
No matter what they try to say
You were always there for me
Some way, when the sun begins to shine
I hear a song from another time
And fade away
And fade away

Just close your eyes and I'll take you there
This place is warm, without a care
We'll take a swim in the deep blue sea

Vox go from the low 1 up to the 5 1.5 octaves above, don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Foot on the pedal, never ever false metal
Engine running hotter than a boiling kettle

\[ D \]
My job ain't a job, it's a damn good time

\[ A \ F \]
City to city, I'm running my rhymes

\[ D \]
On location, touring around the nation
Beastie Boys always on vacation

\[ D \]
Itchy trigger finger but a stable turntable

\[ A \ F \]
I do what I do best because I'm willing and able

\[ D \]
Ain't no faking, your money I'm taking
Going coast to coast, to watch all the girlies shaking

\[ D \]
While you're at the job working nine to five
The Beastie Boys are at the Garden, cold kickin' it live

\[ D \ D \ F \ G \ A \ F \]
No sleep till
\[ D \ D \ F \ G \ A \ F \]

\[ D \]
Another plane, another train, another bottle in the brain
Another girl, another fight, another drive all night

\[ D \]
Our manager's crazy, he always smokes dust

\[ D \]
He's got his own room at the back of the bus
Tour around the world, you rock around the clock

\[ A \ F \]
Plane to hotel, girls on the jock

\[ D \]
We're trashing hotels like it's going out of style
Getting paid along the way 'cause it's worth your while

\[ D \]
Four on the floor, Ad Rock's out the door
MCA's in the back 'cause he's skeezin' with a whore

\[ D \]
We got a safe in the trunk with money in a stack
With dice in the front and Brooklyn's in the back

\[ D \ D \ F \ G \ A \ F \]
No sleep till
\[ D \ D \ F \ G \ A \ F \]

\[ D \]
Ain't seen the light since we started this band,
MCA, get on the mic my man

\[ D \]
Born and bred in Brooklyn, the U.S.A.
They call me Adam Yauch, but I'm MCA
Like a lemon to a lime, a lime to a lemon
I sip the def ale with all the fly women

\[ D \]
Limos, arenas, TV shows, autograph pictures and classy ho's

\[ D \]
Step off homes, get out of my way, taxing little
girlies form here to L.A.

\[ D \]
Waking up before I get to sleep, 'cause I'll be rocking this party eight days a week

The Beatles - Can't Buy Me Love

Originally in C, I play in A.
I do the opening chorus super slow, then break into a syncopated triplet beat.
The first vocal note is the root (C in C), so the first 'love' is the 5 above that (G in C), i.e. the third of the opening minor chord.

I once had a girl or should I say she once had me
She showed me her room isn't it good Norwegian wood

She asked me to stay and she told me to sit anywhere

But I looked around and I noticed there wasn't a chair

I sat on a rug biding my time drinking her wine
We talked until two and then she said it's time for bed

She told me she worked in the morning and started to laugh

I told her I didn't and crawled off to sleep in the bath

And when I awoke I was alone this bird had flown
So I lit a fire isn't it good Norwegian wood

Rocky didn't like that he said I'm gonna get that boy

Only to find Gideon's bible

Rocky had came equipped with a gun
G7 C C/B
To shoot off the legs of his rival

His rival it seems had broken his dreams
G7 C C/B
By stealing the girl of his fancy
Am7 Dsus4 D7
Her name was Magill, and she called herself Lil

But everyone knew her as Nancy

Am7 Dsus4 D7
Now she and her man who called himself Dan
G7 C C/B
Were in the next room at the hoe-down

Am7 Dsus4 D7
Rocky burst in and grinning a grin
G7 C C/B
He said Danny boy this is a showdown

But Daniel was hot he drew first and shot

And Rocky collapsed in the corner

With da da da

And Rocky said, Doc it's only a scratch
G7
And I'll be better
C C/B
I'll be better doc as soon as I am able

Am7 Dsus4 D7
And now Rocky Raccoon he fell back in his room

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

I don't care if Monday's blue
Tuesday's gray and Wednesday too
Thursday I don't care about you
It's Friday I'm in love

Monday you can fall apart
Tuesday, Wednesday break my heart
Oh Thursday doesn't even start
It's Friday I'm in love

Saturday wait
And Sunday always comes too late
But Friday never hesitates

I don't care if Monday's black
Tuesday, Wednesday heart attack
Thursday never looking back
It's Friday I'm in love

Monday you can hold your head
Tuesday, Wednesday stay in bed
Or Thursday watch the walls instead

Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you
And you'll soon find out it's true
And then you'll have to eat your lunch all by yourself

'Cause I'm already gone, and I'm
Feeling strong
I will sing this vict'ry song
Woo-hoo-hoo, my my, woo-hoo-hoo

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

The Eagles - Hotel California

Originally in Bm, I play in Am

Am    E
On a dark desert highway, cool wind in my hair
G    D
Warm smell of colitas, rising up through the air
F    C
Up ahead in the distance, I saw a shimmering light

Dm
My head grew heavy and my sight grew dim
E
I had to stop for the night

Am    E
There she stood in the doorway, I heard the mission bell
G
And I was thinking to myself
D
This could be heaven or this could be hell
F    C
Then she lit up a candle and she showed me the way

Dm
There were voices down the corridor
E
I thought I heard them say

F    C
Welcome to the Hotel California
Dm
Such a lovely place
Am
Such a lovely face
F    C
Plenty of room at the Hotel California
Dm    E
Any time of year, you can find it here

Am    E
Her mind is Tiffany-twisted, she got the Mercedes bends
G    D
She got a lot of pretty, pretty boys, that she calls friends

Dm
And they're gathered for the feast
E
They stab it with their steely knives

F
And in the master's chambers
C
They are gathered for the feast
Dm
They stab it with their steely knives
E
But they just can't kill the beast

The House Jacks - Gone

Originally in D, I play in G.

Vox on the 6 on "blue", and in G, go *up* instead of *down* on "suns don't rise"

Bluish gray suns don't rise

Bathing deep in the stolen dreams from borrowed times

The morning breaks to vacant signs of

And the shallow pools as if the tears were mine

Shade the waves' reflections left behind

And I search my faith to never find a clue

And now you're gone, somehow you're gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

Ritard and hang on "on"

You're everything I could depend on

And now all you are is gone

And now you're gone, somehow you're gone

You were my midnight, you were my dawn

You were the shoulder that my life leaned on

You were my world, you were my song

Ritard and hang on "on"

You're everything I could depend on

And now all you are is gone

And I passed the blame to pass the time

To cross my heart and walk across that line

Whose will is this which poet's lines pull at

And now you're gone, somehow you're gone

Intro

You were working as a waitress in a cocktail bar
When I met you

Success has been so easy for you
But don't forget it's me who put you where you are now

And I can put you back there too

Don't, don't you want me?

The Temptations - Ain't Too Proud to Beg

I know you want to leave me
But I refuse to let you go
If I have to beg, plead for your sympathy
I don't mind, 'cause you mean that much to me

Ain't too proud to beg, sweet darlin'
Please don't leave me girl

Let ring, Temptations version doesn't have the IVs in verses other than the first

Now, I've heard a cryin' man, is half a man
With no sense of pride
But if I have to cry to keep you, I don't mind weepin'
If it'll keep you by my side

Ain't too proud to beg, sweet darlin'
Please don't leave me girl

If I have to sleep on your door step all night and day
Just to keep you from walkin' away
Let your friends laugh, even this I can stand
'Cause I wanna keep you, any way I can

Ain't too proud to beg, sweet darlin'
Please don't leave me girl
Ain't too proud to plead, baby, baby
Please don't leave me girl

Solo

Now I've got a love so deep in the pit of my heart
And each day it grows more and more
I'm not ashamed to come and plead to you, baby

Please don't leave me girl
Ain't too proud to plead, baby, baby

Toad the Wet Sprocket - Walk on the Ocean

Originally in G capo 4, I play in G

Vox on #4 5 #4 on "spotted the"

We spotted the ocean

At the head of the trail

Where are we going

That's so far away?

Somebody told me

This is the place

Where everything's better

And everything's safe

I take a line that puts me on the 5 of the chord on "ocean"

Walk on the ocean

Step on the stones

Flesh becomes water

Wood becomes bone

Solo if appropriate on chorus chords

Now back at the homestead

Where the air makes you choke

And people don't know you

And trust is a joke

Don't even have pictures

Just memories to hold

They grow sweeter each season

As we slowly grow old
Tom Cochrane - Life is a Highway

**Chorus**

I loved you now like I loved you then
This is the road, and these are the hills

**D**

From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights

**E**

Knock me down and back up again
You're in my blood, I'm not a lonely man

**F#m**

There's no load I can't hold, roads are rough, this I know

**D**

I'll be there when the light comes in

**B**

Just tell 'em we're survivors

**F#m**

We won't hesitate to break down the garden gate
There's not much time left today

**B**

Generally skip this repeat if acoustic, there will be plenty of bonus chorus later

**F#m**

If you're going my way, I wanna drive it
All night long

**F#m**

If you're going my way, I wanna ride it
All night long

**Bridge, vox in on the 5 of the first chord**

There was a distance between you and I
A misunderstanding once, but now we look it in the eye
Tom Cochrane - Life is a Highway

Solo on intro/chorus chords, with mmmm's and oooh's

If solo acoustic, just play the intro

\[F\#m \quad E\]

There ain't no load that I can't hold, roads are rough, this I know

\[D\]

I'll be there when the light comes in

There's always some debate about whether the second chord in this song is Dsus4 or G. The bass clearly plays G. I like to split the difference and play Dsus4 in the verse, G in the chorus.

Weird Al - The Biggest Ball of Twine in Minnesota

Originally in Eb, I play in D
Intro
D

Vox on the 3
D
Well, I had two weeks of vacation time coming
G
After working all year down at Big Roy's Heating
D and Plumbing
Am
So one night when my family and I were gathered 'round the dinner table
D D9
I said, "Kids, if you could go anywhere in this great big world now
G
Where'd you like to go ta?"

Vox on the 1 of the chord on "biggest"
D C
They said, "Dad, we wanna see the biggest ball of
twine in Minnesota"
C G
They picked the biggest ball of twine in
D Minnesota

D
So the very next day we loaded up the car
G
With potato skins and pickled wieners
D
Crossword puzzles, Spider-Man comics
A
And mama's home made rhubarb pie

Vox on the 3 on "pulled", 5 on "drive", down to the 1 of the chord (4 of the key) on "neighbors"
D D7 G
Pulled out of the driveway and the neighbors

Weird Al - The Biggest Ball of Twine in Minnesota

Gm D
They all waved good-bye and so began our three
A day journey

D D7 G
We picked up a guy holding a sign that said,
G "Twine ball or bust"
D A
He smelled real bad and he said his name was
D Bernie

Vox down to the 3 of the chord
C D
I put in a Slim Whitman tape, my wife put on a brand new hair net
C D
Kids were in the back seat jumping up and down, yelling "are we there yet?"
G Em D
And all of us were joined together in one common Bm thought
A
As we rolled down the long and winding D interstate in our '53 DeSoto
C G
We're gonna see the biggest ball of twine in D Minnesota
C G
We're headin' for the biggest ball of twine in D Minnesota

D
Oh, we couldn't wait to get there G
So we drove straight through for three whole D days and nights
Of course, we stopped for more pickled wieners now and then.

The scenery was just so pretty, boy I wish the kids could've seen it.

But you can't see out of the side of the car.

Because the windows are completely covered with the decals from all the places where we've already been.

We've been to ghost towns, theme parks, wax museums.

And the place where you can drive through the middle of a tree.

We've seen alligator farms and tarantula ranches.

But there's still one thing we gotta see.

Well, we crossed the state line about 6:39.

And we saw the sign that said, "Twine Ball exit, fifty miles."

Oh, the kids were so happy they started singing "99 Bottles Of Beer On The Wall" for the twenty-seventh time that day.

So, we pulled off the road at the last chance gas station.

Got a few more pickled wieners and a diet chocolate soda.

On our way to see the biggest ball of twine in Minnesota.

We're gonna see the biggest ball of twine in Minnesota.

Finally, at 7:37 early Wednesday evening.

As the sun was setting in the Minnesota sky.

Out in the distance, on the horizon.

It appeared to me like a vision before my unbelieving eyes.

I parked the car and walked with awe-filled reverence.

To-ward that glorious, huge majestic sphere.

I was just so overwhelmed by its sheer immensity.

I had to pop myself a beer.
Weird Al - The Biggest Ball of Twine in Minnesota

G
Yes, on these hallowed grounds, open ten to
C
eight on weekdays

D
In a little shrine, under a makeshift pagoda

G
There sits the biggest ball of twine in Minnesota
C
I tell you, it's the biggest ball of twine in
D
Minnesota

D
Oh, what on Earth would make a man decide to
G
do that kind of thing?

D
Oh, windin' up twenty-one thousand, one
G
hundred forty pounds of string

D
Let ring
C
G
What was he trying to prove? Who was he trying
D
C
G
to impress?

D
Why did he build it? How did he do it? It's
G
anybody's guess

D
Where did he get the twine? What was goin'
G
through his mind?

C
G
A
Did it just seem like a good idea at the time?

D
Well, we walked up beside it and I warned the
G
kids

G
"Now, you better not touch it, those ropes are
D
there for a reason"

D
I said, "Maybe if you're good, I'll tie it to the back
G
of our car

D
And we can take it home", but I was only teasin'

D
Then we went to the gift shop and stood in line
C
Bought a souvenir miniature ball of twine
D
G
Some window decals and anything else they'd sell
us

D
And I bought a couple postcards

A7
"Greetings from the twine ball, wish you were
here"

D
Won't the folks back home be jealous?

G
D
I gave our camera to Bernie and we stood by the
ball

A
D
And we all gathered 'round and said "cheese"

G
D
Then Bernie ran away with my brand new
Instamatic

E
A
But at least we got our memories

D
So we all just stared at the ball for a while

G
And my eyes got moist but I said with a smile

D
A
"Kids this here's what America's all about"

D
Then I started feelin' kinda gooey inside

G
And I fell on my knees and I cried and cried
Weird Al - The Biggest Ball of Twine in Minnesota

And that's when those security guards threw us out

You know, I bet if we unraveled that sucker

Take me dancing tonight

Don't you dare leave me hanging on...
Boom boom boom boom boom...
Whitesnake - Here I Go Again

*Originally in G, I play in E*

Intro, in E use open-string suspensions

\[E\ B\ A\ A\]
\[\times\ 2\]

\[E\ B\ A\ A\]

I don't know where I'm going

\[E\ B\ A\ A\]

But I sure know where I've been

5 of the chord on "hanging", same as previous line

\[E\ B/D#\ A/C#\ A\ E/G#\]

Hanging on the promises in songs of yesterday

\[F#m\ B\]

And I've made up my mind

\[F#m\ B\]

I ain't wasting no more time

\[C#m\ F#m\]

Here I go again

\[E\ C#m\ F#m\ A\ B\]

Here I go again -->

\[E\ B\ A\ A\]

Though I keep searching for the answer

\[E\ B\ A\ A\]

I never seem to find what I'm looking for

Up to the 1 on "oh lord"

\[E\ B/D#\ A/C#\ A\ E/G#\]

Oh lord I pray you give me strength to carry on

\[F#m\ B\]

'Cause I know what it means

\[F#m\ B\ A\ B\]

To walk along the lonely street of dreams

\[E\ A\ B\ A\ B\]

And here I go again on my own

\[E\ A\ B\ A\ B\]

Going down the only road I've ever known

\[E\ A\ B\ A\ E/G#\]

Like a drifter I was born to walk alone

\[F#m\ B\]

And I've made up my mind

\[F#m\ B\]

I ain't wasting no more time

But here I go again

\[C#m\ F#m\]

Here I go again

\[C#m\ F#m\]

Here I go again

Vox on the 2 of the chord on "goooo"

\[C#m\ F#m\ A\ B\]

Here I gooooo

Solo if appropriate on verse chords, else vamp quietly on intro

\[F#m\ B\]

'Cause I know what it means

\[F#m\ B\ A\ B\]

To walk along the lonely street of dreams

\[E\ A\ B\ A\ B\]

And here I go again on my own

Going up to the 3 on "known" is usually not worth it

\[E\ A\ B\ A\ B\]

Going down the only road I've ever known

\[E\ A\ B\ A\ E/G#\]

Like a drifter I was born to walk alone

Bigger vocal drop here than you think

\[F#m\ B\]

And I've made up my mind

\[F#m\ B\ A\ B\]

I ain't wasting no more time

\[Bass\ is\ on\ the\ root\ until\ "know\ what\ it\ means"\ in\ this\ verse\]
