Big and Rich - Save a Horse (Ride a Cowboy)

Intro, with Mr.-Brownstone-y b3's
E  A
 x 4

Vox on the 1
E
Well, I walk into the room
A
Passing out hundred dollar bills
E
And it kills, and it thrills, like the horns on my
A
Silverado grill
E

And I buy the bar a double round of Crown
A
And everybody's getting down
E  A
And this town, ain't never gonna be the same

Vox originally on the b3 the whole line, but easier to do the 1 until "horse"
E
'Cause I saddle up my horse
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty
E
Riding up and down Broadway
A
On my old stud Leroy
D  E  G  A
And the girls say --> save a horse, ride a cowboy
D  E  G  A
Everybody says --> save a horse, ride a cowboy

Solo on verse chords

More or less spoken
E
I'm a thoroughbred that's what she said
A
In the back of my truck bed
E
As I was gettin' buzzed on suds
A
Out on some back country road
E
We were flying high, fine as wine
A
Having ourselves a big and rich time
And I was going, just about as far as she'd let me

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could think of
And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy
Bill Withers - Ain't No Sunshine

The progression at the end of the verse is really
Em-->Dm-->Am,
I prefer it as Dm7-->F-->Am
Starts voice only, on the 5 (E in Am)
Am Em Em/G Am

Ain't no sunshine when she's gone
G Am Em Em/G Am

It's not warm when she's away
Dm7

Ain't no sunshine when she's gone
Em7 F

And she's always gone too long
G Am Em Em/G Am

Anytime she goes away
Am Em Em/G Am

Wonder this time where she's gone
G Am Em Em/G Am

Wonder if she's gone to stay
Dm7

Ain't no sunshine when she's gone
Em7 F

And this house just ain't no home
G Am Em Em/G Am

Anytime she goes away
Am

And I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know

Dm7

Hey, I ought to leave the young thing alone
F G Am Em Em/G Am

But ain't no sunshine when she's gone
Am Em Em/G Am

Ain't no sunshine when she's gone

Only darkness everyday
Dm7

Ain't no sunshine when she's gone
Em7 F

Originally in D, I play in A capo 2.

If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my younger days

D
Oh, then you should have known me much better
Cause my past is something that never

A
Got in my way oh no

A
Still I would not be here now if I never had the hunger
And I'm not ashamed to say the wild boys were my friends

D
Cause I never felt the desire till their music set me on fire

E6 D
And then I was saved, yeah
That's why I'm keeping the faith

D
Yeah, yeah, yeah, yeah
Keeping the faith

A
We wore matador boots
Only Flagg Brothers had them with the Cuban heel
Iridescent socks with the same color shirt
And a tight pair of chinos

D
I put on my shark skin jacket
You know the kind with the velvet collar
And ditty-bop shades

I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

Bridge

E   D   A
You can get just so much from a good thing
E   D   A
You can linger too long in your dreams
E   D   A
Say goodbye to the oldies but goodies
Bm7
Cause the good old days weren't always good
E7
And tomorrow ain't as bad as it seems

A
Learned stickball as a formal education
Lost a lot of fights but it taught me how to lose O.K.

D
I heard about sex but not enough

A
I found you could dance and still look tough anyway
I found out a man ain't just being macho
Ate an awful lot of late night drive-in food drank a lot of take-home pay

D
I thought I was the Duke of Earl
When I made it with a red-haired girl

Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change

I was stranded in the combat zone
I walked through Bedford Sty alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane

You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights don't try to save me
You may be wrong for all I know
But you may be right

Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D Em
But here I am, on the road again
D Em
Here I am, up on stage
D A
Here I go, playing the star again
C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play
Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said
Em

But here I am, on the road again

Bon Jovi - Bed of Roses

"Well this hotel bar's hangover
Whiskey's gone dry the barkeeper's wig's crooked
And she's giving me the eye"

I might have said yes
But I laughed so hard I think I died

Solo on chorus chords, more or less

"Now as you close your eyes
Know I'll be thinking about you"

While my mistress she calls me
To stand in her spotlight again

Tonight I won't be alone
But you know that don't mean I'm not lonely

I've got nothing to prove for it's you
That I'd die to defend

I wanna lay
You down in a bed of roses

"For tonight
I sleep on a bed of nails"

Oh, I want to be just as close as
The holy ghost is
And lay you down on a bed of roses"

Vox and guitar only
D G

Madman drummers bummers and Indians in the summer with a teenage diplomat
D A D G

In the dumps with the mumps as the adolescent pumps his way into his hat
A D G

With a boulder on my shoulder, feelin' kinda older I tripped the merry-go-round
A D G

With this very unpleasing, sneezing and wheezing, the calliope crashed to the ground
A D G

If you feel like it...
G A D

The calliope crashed to the ground

Band enters
D G

Some all-hot half-shot was headin' for a hot spot snappin' his fingers clappin' his hands
A D G

And some fleshpot mascot was tied into a lover's knot with a whatnot in her hand
A D G

And now young Scott with a slingshot finally found a tender spot and throws his lover in the
D G

And some bloodshot forget-me-not whispers, "Daddy's within earshot, save the buckshot, turn up the band"
A D G

And she was blinded by the light
G A D

Oh, cut loose like a deuce another runner in the night
G A D Bm

Blinded by the light
A

She got down but she never got tight, but she'll make it alright
G D

Hang on the minor chord
G Bm

Some brimstone baritone anti-cyclone rolling stone preacher from the East
A D G

He says, "Dethrone the dictaphone, hit it in its funny bone, that's where they expect it least"
A D G

And some new-mown chaperone standin' in the corner all alone watchin' the young girls dance
A D G

And some fresh-sown moonstone was messin' with his frozen zone to remind him of the feeling of romance
D G

And he was blinded by the light
G A D

Oh, cut loose like a deuce another runner in the night
G A D Bm

Blinded by the light
A

He got down but he never got tight, but he's gonna make it
G D

Tonight

Bridge, quiet again
Some silicone sister with her manager's mister
told me I got what it takes

She said, "I'll turn you on sonny, to something strong if you'll play that song with the funky

And Go-cart Mozart was checkin' out the weather chart to see if it was safe to go outside

And little Early-Pearly came by in her curly-wurly and asked me if I needed a ride

Oh, some hazard from Harvard was skunked on beer playin' backyard bombardier

Yes and Scotland Yard was trying hard, they sent some dude with a calling card who said "Do what you like, but don't do it here"

Well, I jumped up, turned around, spit in the air, fell on the ground, asked him which was the way back home

He said, "Take a right at the light, keep goin' straight until night, and then, boys, you're on your own"

And now in Zanzibar a shootin' star was ridin' in a side car hummin' a lunar tune

Yes, and the avatar said, "Blow the bar but first remove the cookie jar

We're gonna teach those boys to laugh too soon"

A screen door slams, Mary's dress waves

Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you're scared and you're thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

---

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Oh come take my hand

We're ridin' out tonight to case the promised land

Oh oh thunder road, oh thunder road, oh thunder road

Lyn' out there like a killer in the sun

Hey I know it's late, we can make it if we run

Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk

And my car's out back if you're

Ready to take that long walk
**Bruce Springsteen - Thunder Road**

**G**

From your front porch to my front seat

**F#m**

The door's open but the ride it ain't free

**G**

And I know you're hungry for words that I ain't spoken

I wouldn't know how to be this way now
And never back down
So I wanna say thank you

'Cause it makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter

Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter

Repeat intro (the crazy bridge)

How could this man I thought I knew turn out to
Be unjust so cruel could only see the good in
You pretended not to see the truth

You tried to hide your lies disguise yourself
Through living in denial but in the end you'll see
You won't stop me

I am a fighter and I
I ain't 'gon stop
There is no turning back
I've had enough

**Verse 1**

**Chorus**

Ground control to Major Tom
Ground control to Major Tom
Commencing countdown engines on
Hang on the last chord for a bit...
Check ignition and may God's love be with you

This is ground control to Major Tom
You've really made the grade
And the papers want to know whose shirt you wear
Now it's time to leave the capsule if you dare

This is Major Tom to ground control
I'm stepping through the door
And I'm floating in a most peculiar way
And the stars look very different today

**Bridge**

Bridge, I usually skip and just hang the previous line a bit

Though I'm past one hundred thousand miles
I'm feeling very still
And I think my spaceship knows which way to go
Tell my wife I love her very much she knows

Can you hear me Major Tom?
Can you hear me Major Tom?
Can you hear me Major Tom? Can you...

Here am I floating 'round my tin can

Far above the moon
Planet Earth is blue and there's nothing I can do

**Instrumental**

For here am I sitting in a tin can
Far above the world
Planet Earth is blue and there's nothing I can do

Elton John - Love Lies Bleeding

Originally in A, I play in D capo 4
Highest note that matters is the vi ("love lies bleeding"

On the passing Bb (in D), don't try to hit the whole chord, just play it as an octave.

\[ D \ F \ C \ A\# \ C \quad \rightarrow \ x\ 2 \]

The roses in the window box
Have tilted to one side
Everything about this house
Was born to grow and die

\[ D \quad \quad D/F\# \quad G \quad Em \quad D \quad A \quad G \quad A \]

Oh it doesn't seem a year ago to this very day
You said I’m sorry honey
If I don’t change the pace
I can’t face another day

\[ Bm \quad Em \quad A \quad Asus4 \quad A \]

And love lies bleeding in my hand
Oh it kills me to think of you with another man
I was playing rock and roll and you were just a fan
But my guitar couldn't hold you
So I split the baaaa-a-ha-a-nd
Love lies bleeding in my hands

\[ D \quad F \quad C \quad A\# \quad C \quad \rightarrow \ x\ 2 \]

I wonder if those changes
Have left a scar on you

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em

D B7 Em
Never know how much I care

When you put your arms around me

I get a fever that's so hard to bear

Fastball - Out of My Head

Sometimes I feel like I am drunk behind the wheel
The wheel of possibility
However it may roll
Give it a spin, see if it can somehow factor in
You know there's always more than one way
To say exactly what you mean to say

Was I out of my head, was I out of my mind?
How could I have ever been so blind?
I was waiting for an indication
It was hard to find
Don't matter what I say, no matter what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up too

Guitar solo on chorus chords... if there's anyone around to play it
it would push the song over that critical 60-second mark.

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

And I know all the words to
Every Charlie Daniels song

Oh but I can buy the same damn thing

To make my man want me

E7
You might think I'm trashy, a little too hard-core

Hey I'm a redneck woman
I ain't no high-class broad
I'm just a product of my raising
I say hey y'all and yee-haw

And I keep my Christmas lights on
On my front porch all year long

And I know all the words to

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F, E-->D instead of G,F, E-->D.

**Joan Baez - Diamonds and Rust**

Well we both know what memories can bring

They bring diamonds and rust

*Vox on the 5 of the chord*

Now I see you standing with brown leaves falling all around

And snow in your hair

Now you're smiling out of the window of that crummy hotel

Over Washington Square

Our breath comes out of white clouds

Mingles and hangs in the air

Speaking strictly for me

We both could have died then and there

*Play long riff if not rocking*

Now you're telling me you're not nostalgic

Then give me another word for it you who are so good with words

And at keeping things vague

'Cause I need some of that vagueness now

It's all come back too clearly

Yes I loved you dearly, and if you're offering diamonds and rust

I've already paid

All my bags are packed I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' it's early morn
The taxi's waitin' he's blowin' his horn
Already I'm so lonesome I could cry

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane

Oh babe, I hate to go

G C
Now the time has come to leave you
One more time just let me kiss you
Close your eyes I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times I won't have to say

G C
There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go I'll think of you
Every song I sing I'll sing for you
When I come back I'll wear your wedding ring

Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white
Well I never lived the dreams of the prom kings
And the drama queens I'd like to think the best of me
Is still hiding up my sleeve
They love to tell you
Stay inside the lines
But something's better on the other side
I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above
These chords are just like playing F and A bar chords with the top two strings open
As long as I'm alive
I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above
I just can't wait till my ten year reunion
I'm gonna bust down the double doors
And when I stand on these tables before you
You will know what all this time was for
Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white

And the drama queens I'd like to think the best of me

Just a lie you've got to rise above
So the good boys and girls take the so called right track
Faded white hats grabbing credits and maybe transfers
They read all the books but they can't find the answers
And all of our parents they're getting older
I wonder if they've wished for anything better

While in their memories tiny tragedies
They love to tell you
Stay in side the lines
But something's better on the other side

I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing as the real world

Led Zeppelin - Stairway to Heaven

There's a lady who's sure all that glitters is gold
And she's buying a stairway to heaven
When she gets there she knows, if the stores are all closed
With a word she can get what she came for
Ooh, oo - h, and she's buying a stairway to heaven

There's a sign on the wall but she wants to be sure
'Cause you know sometimes words have two meanings
In a tree by the brook, there's a songbird who sings
Sometimes all of our thoughts are misgiven

There's a feeling I get when I look to the west
And my spirit is crying for leaving

In my thoughts I have seen rings of smoke through the trees
And the voices of those who stand looking
And it's whispered that soon if we all call the tune
Then the piper will lead us to reasoning
And a new day will dawn for those who stand long
And the forests will echo with laughter

If there's a bustle in your hedgerow, don't be alarmed now
It's just a spring clean for the May queen
Yes, there are two paths you can go by, but in the long run
There's still time to change the road you're on

Your head is humming and it won't go, in case you don't know
The piper's calling you to join him
"Stairway to Heaven"

Dear lady, can you hear the wind blow, and did you know

Your stairway lies on the whispering wind

And as we wind on down the road
Our shadows taller than our soul
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold
And if you listen very hard
The tune will come to you at last
When all are one and one is all
To be a rock and not to roll

And she's buying a stairway to heaven

Michael Jackson - Thriller

Originally in C#, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge.

Am7  D7

The original does i --> IV for the first half of each verse, I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5

'Cause this is thriller, thriller night

D7
And no one's gonna save you from the beast about to strike

D7
You know it's thriller, thriller night

You're fighting for your life inside a killer, thriller, tonight

Am7

Vox up to the 5 of the first chord
Can also do 3 2 1 on the first chord on "night creatures"

D7
Night creatures call and the dead start to walk in their masquerade

Am7

There's no escapin' the jaws of the alien this time

Am7

This is the end of your life

D7

They're out to get you there's demons closing in on every side
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

\[ \text{That this is thriller, thriller night} \]
\[ \text{'Cause I can thrill you more than any ghost would ever dare try} \]
\[ \text{Thriller, thriller night} \]
\[ \text{So let me hold you tight and share a killer, thriller, ow!} \]

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

 Darkness falls across the land the midnight hour is close at hand
 Creatures crawl in search of blood to terrorize y'all's neighborhood
 And whosoever shall be found without the soul for getting down
 Must stand and face the hounds of hell and rot inside a corpse's shell
 The foulest stench is in the air the funk of forty thousand years
 And grizzy ghouls from every tomb are closing in to seal your doom
 And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it.

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start sloooww, the chorus is a lot of words.

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e) a (e) by (a) hi (c) hi. I find the first 'e' (v) easy to find, but my instinct is to move right up. The 'by' is the same note.

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want
to go up, but you don’t.
I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
Hard stop on "still"

Paul Simon - Me and Julio Down by the Schoolyard

Originally in G, I play in G capo 2.

Intro
G C G D
x 2

G
The Mama pajama rolled outta bed
And she ran to the police station
When the papa found out, he began to shout
He started the investigation
It's against the law, it was against the law
What the mama saw, it was against the law

G
Mama look down and spit on the ground
Every time her name gets mentioned
The papa said oy, if I get that boy
I'm gonna stick him in the house of detention

Well I'm on my way, I don't know where I'm goin'
I'm on my way, I'm takin' my time
But I don't know where
Goodbye to Rosie, the queen of Corona
Seein' me and Julio down by the schoolyard

Peter, Paul, and Mary - El Salvador

Original in E, I prefer it in E on guitar, but D vocally.

A  B  G#m  C#m  A  B  E

Little Latin flourish on the 3rd and 4th strings, roughly

E

There's a sunny little country south of Mexico

F#7

Where the winds are gentle and the waters flow

A  Am

But breezes aren't the only things that blow in El Salvador

E

If you took the little lady for a moonlight drive

F#7

Odds are still good you'd come back alive

A  Am

But everyone is innocent until they arrive in El Salvador

E  E7

If the rebels take a bus on the grand highway

G#m  C#m

The government destroys a village miles away

A

The man on the radio says

Go down to the 1 instead of up to the 3 on "border"

B  E  E7

Now we'll play South of the Border

A  B

And in the morning the natives say

G#m  C#m

We're happy you have lived another day

A

Last night a thousand more

B  E

Passed away in El Salvador

C#m  B

Oooh Oooh

E

There's a television crew here from ABC

F#7

Filming Rio Lempe and the refugees

A  Am

Calling murdered children the tragedy of El Salvador

E

Before the government camera twenty feet away

F#7

Another man is asking for continued aid

A  Am

Food and medicine and hand grenades for El Salvador

E  E7

There's a thump, a rumble, and the buildings sway

G#m  C#m

A soldier fires the acid spray

A

The public address system

B  E  E7

Starts to play South of the Border

A  B

You run for cover and hide your eyes

G#m  C#m

You hear the screams from paradise

A  B

They've fallen further than you realize

C#m

In El Salvador

A  F#7  B

La, la, ooh

Pause and ease into the next verse rubato

E

Just like Poland is protected by her Russian "friends"

F#7

The junta is assisted by Americans

A  Am

And if sixty million dollars seems too much to spend in El Salvador

E

They say for half a billion they could do it right
Bomb all day, burn all night
Until there's not a living thing upright in El Salvador

They'll continue training troops in the USA
And watch the nuns that got away
And teach the military bands
To play South of the Border
And kill the people to set them free
Who put this price on their liberty?
Don't you think it's time to leave El Salvador?

Peter, Paul, and Mary - I Dig Rock and Roll Music

Tricky to get this to sound not stupid without percussion.
I try to mix up the D7 in as many positions as I can and be percussive about it, and mix in D9's and D7#9's.

Originally in G, I play in E
Vox on the 5 for basically the whole song
I play all the IVmaj7's as IV's

\[ E \quad Amaj7 \]
That's great, it starts with an earthquake
\[ E \]
Birds and snakes, an aeroplane, Lenny Bruce is \[ Amaj7 \] not afraid

\[ E \]
Eye of a hurricane, listen to yourself churn
\[ Amaj7 \]
World serves its own needs, don't misserve your own needs

\[ E \]
Speed it up a knock, speed, grunt, no, strength no \[ Amaj7 \]
Ladder starts to clatter with fear fight, down height

\[ G \]
Wire in a fire, representing seven games \[ F#m \]
In a government for hire and a combat site

\[ E \]
Left of west and coming in a hurry with the furies breathing
\[ Amaj7 \]
Down your neck
\[ E \]
Team by team reporters baffled, trump, tethered, cropped, look at Plane, fine, then get one beat each
\[ Amaj7 \]
That low plane, fine, then

\[ E \]
Uh oh, overflow, population, common group, but \[ Amaj7 \]
It'll do, save yourself, serve yourself, world serves its

\[ E \]
Own needs, listen to your heart bleed, tell me with the \[ Amaj7 \]

Rapture and the reverent in the right, right
\[ G \]
You vitriolic, patriotic, slam, fight, bright light \[ F#m \]
Feeling pretty psyched

\[ E \quad B \quad F#m \]
It's the end of the world as we know it
\[ E \quad B \quad F#m \]
It's the end of the world as we know it
\[ E \quad B \quad F#m \]
It's the end of the world as we know it
\[ A \]
And I feel fine

\[ E \]
Six o'clock, TV hour, don't get caught in foreign tower
\[ Amaj7 \]
Slash and burn, return, listen to yourself churn
\[ E \]
Lock him in uniform, and book burning, blood letting
\[ Amaj7 \]
Every motive escalate, automotive incinerate

\[ E \]
Light a candle, light a motive, step down, step down
\[ Amaj7 \]
Watch a heel crush, crush, uh oh, this means
\[ E \]
No fear, cavalier, renegade, steer clear \[ Amaj7 \]
A tournament, a tournament, a tournament of lies
\[ G \]
Offer me solutions, offer me alternatives and I \[ F#m \] decline

With “might I have some time alone” for the rest of the song

\[ E \quad B \quad F#m \]
It's the end of the world as we know it
\[ E \quad B \quad F#m \]
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine

I feel fine

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine

The other night I dreamed of knives, continental drift divide
Mountains sit in a line, Leonard Bernstein
Leonid Breshnev, Lenny Bruce and Lester Bangs
Birthday party, cheesecake, jelly bean, boom
You symbiotic, patriotic, slam, but neck, right?

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine

Sara Bareilles - Brave

Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of *love*")
Highest note is the 4 (on "I wanna see you")
That's a whopping Eb in the original key, plus there's a long braaaaave on the 3

Vox on 3 5 on "you can"
C You can be amazing
C You can turn a phrase into a weapon or a drug
Am You can be the outcast
Am Or be the backlash of somebody's lack of love
F G Or you can start speaking up
C Nothing's gonna hurt you the way that words do
C And they settle 'neath your skin
Am Kept on the inside and no sunlight
Am Sometimes a shadow wins
F G But I wonder what would happen if you

C Say what you wanna say
Am F And let the words fall out
C Honestly I wanna see you be brave
C With what you want to say
Am F And let the words fall out
C Honestly I wanna see you be brave

Note switch from 1645 to 1465
C I just wanna see you
F I just wanna see you
Am I just wanna see you

G I wanna see you be brave
C I just wanna see you
F I just wanna see you
Am I just wanna see you
Hard stop on last "brave"
G I wanna see you be brave
C Everybody's been there, everybody's been stared down
Am Am Fallen for the fear and done some disappearing
Am Bow down to the mighty
F G Don't run, stop holding your tongue
Vox up to 1 on "maybe", down to 3 on "live"
Vox same note on "way" and "out"
C Maybe there's a way out of the cage where you live

Same melody, but last note is 4 instead 3
Am Maybe one of these days you can let the light in
Hard stop around "your brave"
F G Show me how big your brave is

C Say what you wanna say
Am F And let the words fall out
C Honestly I wanna see you be brave
C With what you want to say
Am F And let the words fall out

"Savatage - All That I Bleed"

Originally in Bb, I play in G.
This is really low in the verse, but this song is
all about the second chorus, which sits on the 1 and
goes up to the 2, so totally worth the low verse.

G    D    C    D
Things were bound to stray
G    D    C    D
The wind blows, she pulls her coat tighter
G    D    C    D

Prep note: decide what you're going to do for vox in the chorus (see below).

I play the riff as:
E 0221xx
A/E 0422xx
Asus4/E 0522xx
Then A/E, E

8 measures drums

Are you ready Steve? Uh huh
Andy? Yeah
Mick? OK
Alright fellas, let's go!

Riff x 4

Vox on the 6 (F# if the chord is A)

Well it's been getting so hard
Living with the things you do to me

My dreams are getting so strange
I'd like to tell you everything I see

I write E, but it's close to NC
Oh I see a man at the back as a matter of fact
His eyes are as red as the sun
And a girl in the corner let no one ignore her

Hard stop on "she"
She thinks she's the passionate one

Oh yeah, it was like
Lightning, everybody was frightening
And the music was soothing and they all started grooving

These yeah's are basically on the 1
Yeah, yeah, yeah, yeah, yeah

There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F# E D# E. Great if someone else can sing the real melody an octave down.

And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you

And it turned into a ballroom blitz
D5 D#5 E5
Ballroom blitz
x4

Riff x 4, first two w/o drums

I'm reaching out for something
Touching nothing's all I ever do

When you appear there's nothing left of you

Now the man at the back is ready to crack
As he raises his hands to the sky
And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

Oh yeah, it was electric, so frightfully hectic
And the band started leaping 'cause they all stopped breathing

Yeah, yeah, yeah, yeah, yeah
And the man at the back said everyone attack
And it turned into a ballroom blitz
And the girl in the corner said boy I wanna warn you
And it turned into a ballroom blitz
Bass breakdown and solo more or less on D D# E
It was like lightning, everybody was frightening
And the music was soothing and they all started grooving

And the man at the back said everyone attack
And it turned into a ballroom blitz

The Beatles - Can't Buy Me Love

Originally in C, I play in A.
I do the opening chorus super slow, then break into a syncopated triplet beat.
The first vocal note is the root (C in C), so the first ‘love’ is the 5 above that (G in C), i.e. the third of the opening minor chord.

The Beatles - Let It Be

*Originally in C, I play in A, or maybe Bb on piano*

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken hearted people

Living in the world agree

There will be an answer, let it be

But though they may be parted

There is still a chance that they will see

There will be an answer, let it be

*Interlude, which I usually play even when there's no solo.*

And when the night is cloudy

There is still a light that shines on me

Shine until tomorrow, let it be

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

F Eb G/D

G D C
Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you
And you'll soon find out it's true

G D C
'Cause I'm already gone, and I'm feeling strong
G D C
I will sing this vict'ry song
G D C
Woo-hoo-hoo, my my, woo-hoo-hoo

G D C
The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

G D C
'Cause I'm already gone, and I'm feeling strong
G D C
I will sing this vict'ry song

F C
We're livin' it up at the Hotel California
Dm E
What a nice surprise, bring your alibis

And she said we are all just prisoners here, of our own device

F
And in the master's chambers
C
They are gathered for the feast
Dm
They stab it with their steely knives
E
But they just can't kill the beast

F C
How they dance in the courtyard, sweet summer sweat
Dm E
Some dance to remember, some dance to forget
Am
So I called up the captain
E
Please bring me my wine

He said, we haven't had that spirit here since nineteen sixty-nine

The Hollies - Bus Stop

*Originally in Am, I play in Em capo 2*

*Optionally keep this pattern going throughout the verse*

**Em**

Bus stop, wet day, she's there, I say

Please share my umbrella

Bus stops, bus goes, she stays, love grows

Under my umbrella

**G D Em**

All that summer we enjoyed it

Wind and rain and shine

That umbrella, we employed it

By August, she was mine

**G F#7 Bm Bm/A G**

Every morning I would see her waiting at the stop

Sometimes she'd shopped and she would show me what she bought

Other people stared as if we were both quite insane

Someday my name and hers are going to be the same

**Em**

Bus stop, wet day, she's there, I say

Please share my umbrella

Bus stops, bus goes, she stays, love grows

Under my umbrella

That's the way the whole thing started

Silly but it's true

Thinkin' of a sweet romance

The best thing you've ever done for me

Is to help me take my life less seriously

It's only life

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

After all

Harmony enters on the 1 (G)

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

Well the darkness has a hunger that's insatiable

I looked to the children, I drank from the fountain

There's more than one answer to these questions

\[ C \quad G \]

Pointing me in a crooked line

Low part on A, high on D

\[ D11 \quad C \]

The less I seek my source for some definitive

High part on E, low on C. It's actually the low part that

shooting up to high G, but usually easier to have the high singer do that.

I went to see the doctor of philosophy

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

With a poster of Rasputin and a beard down to his knee

\[ D11 \quad C \]

He never did marry or see a B-grade movie

\[ D11 \quad C \]

He graded my performance, he said he could see through me

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

I spent four years prostrate to the higher mind,

\[ D \quad G \]

And I was free

\[ D \quad Cadd9 \quad G \]

I went to the doctor, I went to the mountains

\[ D \quad Cadd9 \quad G \]

I looked to the children, I drank from the fountain

There's more than one answer to these questions

\[ C \quad G \]

Pointing me in a crooked line

\[ D11 \quad C \quad D11 \quad C \quad G \]

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

I stopped by the bar at 3 a.m

\[ G \quad Am7sus4 \quad Cadd9 \quad D \]

To seek solace in a bottle or possibly a friend
I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before

And I went in seeking clarity

I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountain

We go to the doctor, we go to the mountains

We look to the children, we drink from the fountain

We go to the bible, we go through the workout
Let ring on "stand up" and "lookout"

We read up on revival and we stand up for the lookout

There's more than one answer to these questions

Pointing me in a crooked line

The less I seek my source for some definitive

The closer I am to fine

The closer I am to fine

The closer I am to fine

The Who - Behind Blue Eyes

No one knows what it's like, to be the bad man
To be the sad man, behind blue eyes
No one knows what it's like to be hated
To be fated, to telling only lies

But my dreams, they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance that's never free

No one knows what it's like to feel these feelings
Like I do, and I blame you
No one bites back as hard on their anger
None of my pain and woe, can show through

But my dreams, they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance that's never free

When my fist clenches crack it open
Before I use it and lose my cool
When I smile tell me some bad news
Before I laugh and act like a fool
And if I swallow anything evil

Originally in G capo 4, I play in G

Vox on #4 5 #4 on "spotted the"

We spotted the ocean

At the head of the trail

Where are we going

That's so far away?

Somebody told me

This is the place

Where everything's better

And everything's safe

I take a line that puts me on the 5 of the chord on "ocean"

Walk on the ocean

Step on the stones

Flesh becomes water

Wood becomes bone

Solo if appropriate on chorus chords

Now back at the homestead

Where the air makes you choke

And people don't know you

And trust is a joke

Don't even have pictures

Just memories to hold

They grow sweeter each season

As we slowly grow old

Van Morrison - Brown Eyed Girl

---

So hard to find my way, now that I'm on my own
I saw you just the other day, my how you have grown
Cast my memory back there, lord sometimes I'm overcome thinking 'bout
Making love in the green grass behind the stadium with you
You my brown-eyed girl
You my brown-eyed girl

Whatever happened to Tuesdays and so slow
Going down the old mine with a transistor radio
Standing in the sunlight laughing, hiding behind a rainbow's wall
Slipping and a sliding all along the waterfall with
You my brown-eyed girl
You my brown-eyed girl

Do you remember when we used to sing
Sha la la la la la la la tee da just like that
Sha la la la la la la la la tee da la tee da

---

Hey where did we go days when the rain came
Down in the hollow, playing a new game
Laughin' and a runnin' hey, hey, skipping and a jumping
In the misty morning fog oh our hearts a thumpin' and
You my brown-eyed girl
You my brown-eyed girl

Whatever happened to Tuesdays and so slow
Going down the old mine with a transistor radio
Standing in the sunlight laughing, hiding behind a rainbow's wall
Slipping and a sliding all along the waterfall with
You my brown-eyed girl
You my brown-eyed girl
