\[ \quad \rightarrow \rightarrow \rightarrow \rightarrow \rightarrow \]
\[ \text{A E A E A} \]
\[ \quad \rightarrow \rightarrow \rightarrow \rightarrow \rightarrow \]

x2

Riff goes through the verse, approximating here

\[ \text{A D} \]
She was a fast machine, she kept her motor clean
\[ \text{E A} \]
She was the best damn woman that I ever seen
\[ \text{A D} \]
She had the sightless eyes, telling me no lies
\[ \text{E A} \]
Knockin' me out with those American thighs

\[ \text{A D} \]
Taking more than her share, had me fighting for air
\[ \text{E A} \]
She told me to come, but I was already there

\[ \text{A D} \]
'Cause the walls start shaking, the Earth was quaking
\[ \text{E E7} \]
My mind was aching, and we weren't thinkin' and

\[ \text{A D A/C# E D A/C#} \]
You shook me all night long
\[ \text{A D A/C# E D A/C#} \]
Yeah you, shook me all night long, knockin' me out

\[ \text{A D A/C# E D A/C#} \]
You shook me all night long, you had me shakin'

\[ \text{A D A/C# E} \]
And you shook me all night long
\[ \text{E} \]
Yeah you shook me, well you took me

Solo on verse chords if appropriate

You shook me all night long, yeah you shook me

Hard stop on "you" (yes, that's really how the song ends)

Solo on verse chords

More or less spoken
E I’m a thoroughbred that’s what she said
A In the back of my truck bed
E As I was gettin’ buzzed on suds
A Out on some back country road
E We were flying high, fine as wine
A Having ourselves a big and rich time

A Long necks down
E And I wouldn’t trade ol’ Leroy
A Or my Chevrolet for your Escalade
E Or your freak parade
A I’m the only John Wayne left in this town
E And I saddle up my horse
A And I ride into the city
E I make a lot of noise
A ’Cause the girls they are so pretty
E Riding up and down Broadway
A On my old stud Leroy
D E G A
And the girls say --> save a horse, ride a cowboy
D E G A
Everybody says --> save a horse, ride a cowboy

Well I don’t give a dang about nothing
E I’m singing and bling-blinging
While the girls are drinking
Hard stop on “long”
And I was going, just about as far as she'd let me go

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could think of
And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy

If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my
younger days
D
Oh, then you should have known me much better

We wore matador boots
Only Flagg Brothers had them with the Cuban heel
Iridescent socks with the same color shirt
And a tight pair of chinos

I put on my shark skin jacket
You know the kind with the velvet collar
A
And ditty-bop shades

I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

D
Combed my hair in a pompadour
Like the rest of the Romeos wore

Or was more of a hit at the Parkway Diner
We never knew we could want more than that
Surely Brenda and Eddie would always know how
to survive

Brenda and Eddie were still going steady in the
summer of seventy five
When they decided the marriage would be at the
end of July
Everyone said they were crazy
Brenda you know that you're much too lazy
And Eddie could never afford to live that kind of
life
Oh, but there we were waving Brenda and Eddie
goodbye

Well, they got an apartment with deep pile
carpets
And a couple of paintings from Sears
A big waterbed that they bought with the bread

They had saved for a couple of years
They started to fight when the money got tight
And they just didn't count on the tears

Well, they lived for a while in a very nice style
But it's always the same in the end
They got a divorce as a matter of course
And they parted the closest of friends
Then the king and the queen went back to the
green
But you can never go back there again, oh oh, oh

Brenda and Eddie had had it already by the
summer of seventy five
From the high to the low to the end of the show
For the rest of their lives
They couldn't go back to the greasers
The best they could do was pick up their pieces
We always knew they would both find a way to get by
That's all I heard about Brenda and Eddie
Can't tell you more cause I told you already
And here we are waving Brenda and Eddie goodbye
Bass notes are all that's really played here, chords somewhat fabricated

Vox start on I II III (B in G)

Well I'm on the Downeaster Alexa
And I'm cruising through Block Island Sound
I have charted a course to the Vineyard
But tonight I am Nantucket bound

We took on diesel back in Montauk yesterday
And left this morning from the bell in Gardiner's Bay
Like all the locals here I've had to sell my home
Too proud to leave I worked my fingers to the bone

So I could own my Downeaster Alexa
And I go where the ocean is deep
There are giants out there in the canyons
And a good captain can't fall asleep

I've got bills to pay and children who need clothes
I know there's fish out there but where God only knows
They say these waters aren't what they used to be

Bob Dylan - If You Gotta Go

Originally in F#, Flying Burrito Brothers in E
Dylan version does I-->IV throughout the verse,
I follow the Burrito Brothers arrangement that
doesn't do this until the chorus.
I also mix the lyrics from different versions here.

Intro
E

Listen to me baby
I've come to make you see
I want to be with you, girl
Hard stop on “you”
E
If you want to be with me

E A E
But if you got to go
E A E
That's all right
A E
But if you got to go, go now
B E
Or else you got to stay all night

E
It ain't that I'm questionin' you
To take part in any kind'a quiz
It's just that I ain't got no watch
E
An' you keep askin' me what time it is

E A E
But if you got to go
E A E
That's all right
A E
But if you got to go, go now
B E
Or else you got to stay all night

E
I am just a poor boy lookin' to connect
And I certainly don't want you thinkin'
E
That I haven't got any respect

G    D    C
I feel like I'm knockin' on heaven's door

Bob Dylan - Make You Feel My Love

Dylan in Db, Adele in Bb, Garth Brooks in D
I play in D on piano, in C capo 2 on guitar
Starts with a quick V-->I, or do an instrumental verse

\[ \text{C} \quad \text{G/B} \]
When the rain is blowing in your face
\[ \text{Gm/Bb} \quad \text{F/A} \]
And the whole world is on your case
\[ \text{Fm/Ab} \quad \text{C/G} \]
I could offer you a warm embrace
\[ \text{D9/F#} \quad \text{F/G} \quad \text{C} \]
To make you feel my love

\[ \text{C} \quad \text{G/B} \]
When evening shadows and the stars appear
\[ \text{Gm/Bb} \quad \text{F/A} \]
And there is no one there to dry your tears
\[ \text{Fm/Ab} \quad \text{C/G} \]
I could hold you for a million years
\[ \text{D9/F#} \quad \text{F/G} \quad \text{C} \]
To make you feel my love

\[ \text{F} \quad \text{C} \]
I know you haven't made your mind up yet
\[ \text{C+} \quad \text{F} \quad \text{C} \]
But I would never do you wrong
\[ \text{F} \quad \text{C} \]
I've known it from the moment that we met
\[ \text{Dm7} \quad \text{G} \]
No doubt in my mind where you belong

\[ \text{C} \quad \text{G/B} \]
I'd go hungry, I'd go black and blue
\[ \text{Gm/Bb} \quad \text{F/A} \]
I'd go crawling down the avenue
\[ \text{Fm/Ab} \quad \text{C/G} \]
Oh there's nothing that I wouldn't do
\[ \text{D9/F#} \quad \text{F/G} \quad \text{C} \]
To make you feel my love

Solo
\[ \text{C} \quad \text{G/B} \quad \text{Gm/Bb} \quad \text{F/A} \]
\[ \text{Fm/Ab} \quad \text{C/G} \quad \text{D9/F#} \quad \text{F/G} \quad \text{C} \]

The storms are raging on the rolling sea

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you're scared and you're thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Oh come take my hand

We're ridin' out tonight to case the promised land

Lyin' out there like a killer in the sun

Hey I know it's late, we can make it if we run

Note that the capo moves around in this song... it was done with the magic of multitracking for recording purposes, but I find I can do it live if I fade into a real quiet chord right before I move the capo, which happens to fit with the song (sort of)...

What can I do to say anything to you?
Or why can't I say it any more?
Do I need to fuck up my brain just to talk to myself?
(Am I too) happy, too old, or too bored?

And if you open your arms and put a smile on
Does that mean you'll be there to catch me when I fall?
And if I say it to you so you can hear me
Does that mean I never said anything at all?

You say you're well on the way to understanding
But still you're waiting for me to say more
And when my pen has run dry and I need you now
I just see your back as you walk out the door

When will you get I'm not your personal Picasso?
When will you get I'm not so different from you?
What will it take to get a little conversation?
A little hint that all your promises were true

Yesterday the sun shined but you knew that it wouldn't last

When you woke up this morning you felt the rain fall on your head

You are an unusually blue bluebird
I guess you won't fly today
You are an unusually blue bluebird
The wind just won't blow your way
But you're an unusually blue bluebird
Colors bright and strong
You're an unusually blue bluebird
So today you'll sing your song

Make the best of the day

You never know what will blow your way

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

do that, you won’t be able to sustain the tempo,
stay at 8ths.

George Michael - Faith

Originally somewhere between B and C, I play in A

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

Bass and drums enter when vox come in, drums still pretty sparse

Well I guess it would be nice if I could touch your body

I know not everybody has got a body like you

But I've got to think twice before I give my heart away

Girl I know all the games you play 'cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith

I gotta have faith

I gotta have faith, a-faith, a-faith

'Cause I gotta have faith

I gotta have faith, a-faith, a-faith

Baby I know you're asking me to stay
I gotta have faith
I gotta have faith, a-faith, a-faith
Hard stop on last "faith"
I gotta have faith, a-faith, a-faith
Gotye - Somebody That I Used to Know

Originally in Dm, I play in Am, which is really low in the verse, so take all opportunities to take the melody up rather than down. Playing in the original key and dropping the chorus an octave is also reasonable.

Am    G
      x 8

Vox on the 5
Am    G

Now and then I think of
Am    G    Am    G    Am    G
When we were together
Am    G
Like when you said you felt so
Am    G    Am    G    Am    G
Happy you could die

Am    G    Am    G
Told myself that you were right for me
Am    G    Am    G
But felt so lonely in your company
Am    G
But that was love and it's an
Am    G    Am    G    Am    G
Ache I still remember

Am    G
      x 8

Am    G
You can get addicted to a
Am    G    Am    G    Am    G
Certain kind of sadness
Am    G    Am
Like resignation to the end
G    Am    G    Am    G
Always the end
Am    G    Am    G
So when we found that we could not make sense
Am    G    Am    G
Well you said that we would still be friends
Am    G
But I'll admit that I was
Am    G    Am    G    Am    G
Glad that it was over

Am    G    F    G
But you didn't have to cut me off

Gotye
Gotye - Somebody That I Used to Know

And I wouldn't catch you hung up on somebody
that you used to know

Am   G   F   G
But you didn't have to cut me off
Am   G   F
Make out like it never happened
   G   Am
And that we were nothing
   G   F   G
And I don't even need your love
   Am   G
But you treat me like a stranger
   F   G
And that feels so rough
Am   G   F   G
No you didn't have to stoop so low
Am   G   F
Have your friends collect your records
   G   Am
And then change your number
   G   F   G
I guess that I don't need that though
Am   G   F   G
Now you're just somebody that I used to know

Grease - Freddy My Love

Originally in Db, I play in E
Get the vox ready for "flipped over that gray cashmere sweater", and also think hard about how serious you are about the melody in the bridge. It's rhythmically simple, but melodically wild. Plan on a class-II train wreck in the bridge.

Vox on the 7 of the chord on "touch", down to the 3 of the chord on "way"

Vox on 3 1 of the first chord ("keep your"), then 1 5 of the second ("from me"). That sets the tone, although this bridge is super-complicated to sing. Just hit the high 3 of the chord on "mind" at the end and it will be OK.

I usually capo 3 for this, so it’s just higher than an octave down from the original.

I usually lead in with a slow rendition of the riff, an octave down (open position).

She’s got a smile that it seems to me
Reminds me of childhood memories
Where everything
Was as fresh as the bright blue sky

Now and then when I see her face
She takes me away to that special place
And if I’d stare too long
I’d probably break down and cry

Soft, crescendo through the chorus
Woah, oh, sweet child o' mine
Woah, oh, sweet love of mine

She’s got eyes of the bluest skies
As if they thought of rain
I’d hate to look into those eyes
And see an ounce of pain

Her hair reminds me of a warm safe place
Where as a child I’d hide
And pray for the thunder and the rain

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E--->D instead of G,F,E--->D.

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The songs is a dirge, so I follow the Priest version, which is a rocking metal gallop.

Em
Well I'll be damned here comes your ghost again
G
But that's not unusual it's just that the moon is full
Em
And you happened to call

Em
And here I sit hand on the telephone
G

Em

Em
Ten years ago I bought you some cuff-links
G
And you bought me something

D
We both know what memories can bring
Em
They bring diamonds and rust

Play short riff if not rocking, else another chorus

Em
You burst on the scene, already a legend
G
The unwashed phenomenon, the original vagabond

Em
You strayed into my arms

Em
And there you stayed, temporarily lost at sea
G
The Madonna was yours for free, the girl on the half-shell

Em
Could keep you unharmed

C
Well we both know what memories can bring
D
They bring diamonds and rust
C
Well we both know what memories can bring
D
They bring diamonds and rust
Well we both know what memories can bring
They bring diamonds and rust

Vox on the 5 of the chord
Now I see you standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington Square
Our breath comes out of white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could have died then and there
Play long riff if not rocking

Now you're telling me you're not nostalgic
Then give me another word for it you who are so good with words
And at keeping things vague

'Cause I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly, and if you're offering diamonds and rust
I've already paid

Joan Jett - I Hate Myself for Loving You

Hard stop on 'hate'
A5
I hate myself for loving you

Main riff 4x, with "I hate myself for loving you"
Hang on the last "you"
All my bags are packed I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' it's early morn
The taxi's waitin' he's blowin' his horn
Already I'm so lonesome I could cry
So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane
Let ring
Don't know when I'll be back again
Oh babe, I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go I'll think of you
Every song I sing I'll sing for you
When I come back I'll wear your wedding ring
So kiss me and smile for me
Tell me that you'll wait for me
Imagine there's no heaven, it's easy if you try
No hell below us, above us only sky
Imagine all the people, living for today
Imagine all the people, sharing all the world
You may say that I'm a dreamer, but I'm not the only one
I hope someday you'll join us, and the world will live as one
Imagine no possessions, I wonder if you can
No need for greed or hunger, a brotherhood of man
Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white
Well I never lived the dreams of the prom kings
And the drama queens I'd like to think the best of me
Is still hiding up my sleeve
They love to tell you
Stay inside the lines
But something's better on the other side
I wanna run through the halls of my high school
I wanna scream at the op of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above

These chords are just like playing F and A bar chords with the top two strings open

I wonder if they've wished for anything better
While in their memories tiny tragedies
They love to tell you
Stay inside the lines
But something's better on the other side
I wanna run through the halls of my high school
I wanna scream at the op of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above

As long as I'm alive

So the good boys and girls take the so called right track
When in their memories tiny tragedies
They read all the books but they can't find the answers
And all of our parents they're getting older

I'm gonna bust down the double doors
And when I stand on these tables before you
You will know what all this time was for

Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

On a warm summer's evenin' on a train bound for nowhere

I met up with the gambler, we were both too tired to sleep

So we took turns a-starin' out the window at the darkness

Till boredom overtook us, and he began to speak

He said, son, I've made a life out of readin' people's faces

And knowin' what their cards were by the way they held their eyes

And if you don't mind my sayin', I can see you're out of aces

For a taste of your whiskey I'll give you some advice

So I handed him my bottle and he drank down my last swallow

Then he bummed a cigarette and asked me for a light

And the night got deathly quiet, and his face lost all expression

Said, if you're gonna play the game, boy, ya gotta learn to play it right

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

Ev'ry gambler knows that the secret to survivin'

Is knowin' what to throw away and knowing what to keep

'Cause ev'ry hand's a winner and ev'ry hand's a loser

And the best that you can hope for is to die in your sleep

And when he'd finished speakin', he turned back towards the window

Crushed out his cigarette and faded off to sleep

And somewhere in the darkness the gambler, he broke even
Kenny Rogers - The Gambler

But in his final words I found an ace that I could keep.

You got to know when to hold 'em, know when to fold 'em.

Know when to walk away and know when to run.

You never count your money when you're sittin' at the table.

There'll be time enough for countin' when the dealin's done.

You got to know when to hold 'em, know when to fold 'em.

Know when to walk away and know when to run.

You never count your money when you're sittin' at the table.

There'll be time enough for countin' when the dealin's done.

Originally in A, I play in A capo 3, or if I'm feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it's a long 4 ("caaaaaallling"), and there's an awful lot of 3.

Michael Jackson - Thriller

Be sure to work out the melody ahead of time for the chorus and bridge

Am7    D7

Am7

D7
They're out to get you there's demons closing in on every side
Am7
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

For no mere mortal can resist the evil of the thriller

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it).

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start sloppy, the chorus is a lot of words.

Misc - Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)a (e)by (a)hi (c)hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

I dig rock and roll music and I'd
Love to get the chance to play (and sing it)
I figure it's about the happiest
Sound going down today

The message may not move me
Or mean a great deal to me
But hey, it feels so groovy to say

I dig the Mamas and the Papas at
"The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

And when they're really wailing
Michelle and Cass are sailing
Hey, they really
Nail me to the wall

I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

And when the Beatles tell you
They've got a word "love" to sell you
They mean exactly what they say

I dig rock and roll music
I could really get it on in that scene
If I had a hammer

If I had a hammer
I'd hammer in the morning
I'd hammer in the evening
All over this land

I'd hammer out danger
I'd hammer out a warning
I'd hammer out love between
My brothers and my sisters
All over this land

Well I've got a hammer
And I've got a bell
And I've got a song to sing

It's a hammer of justice
It's a bell of freedom
It's a song about love between

Hey there Delilah

What's it like in New York City?

I'm a thousand miles away

But girl tonight you look so pretty

Yes you do

Times Square can't shine as bright as you

I swear it's true

Hey there Delilah

Don't you worry about the distance

I'm right there if you get lonely

Give this song another listen

Close your eyes

Listen to my voice it's my disguise

I'm by your side

Oh it's what you do to me

Oh it's what you do to me

Oh it's what you do to me

Oh it's what you do to me

Oh it's what you do to me

Oh it's what you do to me

Bridge, vox on the 1 of the chord

A thousand miles seems pretty far

But they've got planes and trains and cars

I'd walk to you if I had no other way

Our friends would all make fun of us
And we'll just laugh along because
We know that none of them have felt this way

Delilah I can promise you
That by the time that we get through
Vox to the 5 of the chord on "world"
The world will never ever be the same
And you're to blame

Hey there Delilah you be good and don't you miss me

Two more years and you'll be done with school
And I'll be making history
Like I do

You'll know it's all because of you
We can do whatever we want to
Hey there Delilah here's to you
This one's for you

Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me

I Don't Want to Live on the Moon

I'd like to visit the moon
On a rocket ship high in the air
Yes I'd like to visit the moon
But I don't think I'd like to live there

Though I'd like to look down at the Earth from above
I would miss all the places and people I love
So although I might like it for one afternoon
I don't want to live on the moon

I'd like to travel under the sea
I could meet all the fish everywhere
Yes I'd travel under the sea
But I don't think I'd like to live there

I might stay for a day there if I had my wish
But there's not much to do when your friends are all fish
And an oyster and clam aren't real family
So I don't want to live in the sea

Bridge, vox on the 3 of the chord on "visit"
I'd like to visit the jungle hear the lions roar
Go back in time and meet a dinosaur
There's so many strange places I'd like to be

```

```

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

```

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets?

Prep note: decide what you're going to do for vox in the chorus (see below).

I play the riff as:

Then A/E, E

Are you ready Steve? Uh huh

Riff x 2

I write E, but it's close to NC
E
Oh I see a man at the back as a matter of fact
His eyes are as red as the sun
And a girl in the corner let no one ignore her

F# A
Lightning, everybody was frightening
C
And the music was soothing and they all started
grooving

These yeah's are basically on the 1
E
Yeah, yeah, yeah, yeah, yeah

There's basically no chance of me singing this at pitch, so I either drop an octave, or descend on F#/E/D#E. Great if someone else can sing the real melody an octave down.

F#/ A
And the man at the back said everyone attack
B E
And it turned into a ballroom blitz

As he raises his hands to the sky
And the girl in the corner is everyone's mourner
She could kill you with a wink of her eye

E F#/ A

C
And the band started leaping 'cause they all stopped breathing
E

Bass breakdown and solo more or less on D D# E

And the music was soothing and they all started grooving

**Vox on 3 3 5 on "forty-one"**

She's forty-one and her daddy still calls her baby  
All the folks 'round Brownsville say she's crazy  
Cause she walks downtown with a suitcase in her hand  
Looking for a mysterious dark-haired man  
In her younger days they called her Delta Dawn  
Prettiest woman you ever laid eyes on  
Then a man of low degree stood by her side  
And he promised her he'd take her for his bride

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am I stay out too late
C Got nothing in my brain
G That's what people say, mmm
That's what people say, mmm

It's not because I'm sad
But you're the only love that I've ever had

Ask me why I'll say I love you
And I'm always thinking of you

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Lyin' Eyes

G    Gmaj7    C
Am    D    G

G    Gmaj7    C
Am7    D

City girls just seem to find out early how to open doors with just a smile
A rich old man, and she won't have to worry
She'll dress up all in lace and go in style

G    Gmaj7    C
Late at night a big old house gets lonely
I guess every form of refuge has its price
And it breaks her heart to think her love is only
Given to a man with hands as cold as ice

G    Gmaj7    C
Am7    D

So she tells him she must go out for the evening
to comfort an old friend who's feelin' down
But he knows where she's goin' as she's leavin'
She is headed for the cheatin' side of town

G    Gmaj7    C
Am    D    G

You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin' eyes

G    Gmaj7    C
Am    D    G

She drives on through the night anticipating
'Cause he makes her feel the way she used to feel

G    Gmaj7    C
She rushes to his arms they fall together
She whispers that it's only for a while
She swears that soon she'll be coming back

G    Gmaj7    C
Am    D    G

She pulls away and leaves him with a smile
You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin' eyes

G    Gmaj7    C
Am    D    G

She gets up and pours herself a strong one
And stares out at the stars up in the sky
Another night, it's gonna be a long one
She draws the shade and hangs her head to cry
She wonders how it ever got this crazy
She thinks about a boy she knew in school
Did she get tired or did she just get lazy
She's so far gone she feels just like a fool

G    Gmaj7    C
My, oh my, you sure know how to arrange things
You set it up so well, so carefully
Ain't it funny how your new life didn't change things?
You're still the same old girl you used to be
You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin' eyes
There ain't no way to hide your lyin' eyes
Honey you can't hide your lyin' eyes

I play only one of these, or play both but double-time
