Arlo Guthrie - City of New Orleans

Vocal note - melody starts on the 5
Originally in G, I play in D capo 3, so in F

D A D
Riding on the City of New Orleans
Bm G D
Illinois Central, Monday morning rail
D A D
Fifteen cars and fifteen restless riders
Bm A D
Three conductors, and twenty five sacks of mail

Bm
All along the southbound odyssey
F#m
The train pulls out of Kankakee
A E
And rolls along the houses, farms and fields

Bm
Passing trains that have no name
F#m
And freight yards full of old black men
A D
And graveyards of the rusted automobiles

G A D
Good morning America, how are you?
Bm G D
Say don't you know me, I'm your native son
A D A Bm
I'm the train they call the City of New Orleans
C G A
I'll be gone five hundred miles when the day is done

D A D
Dealing card games with the old men in the club cars
Bm G D
A penny a point, ain't no one keeping score
D A D
Pass the paper bag that holds the bottle
Bm A D
And feel the wheels rumbling 'neath the floor

Bm
And the sons of Pullman porters
F#m7
And the sons of engineers
A E
Ride their fathers' magic carpet made of steel

Bm
Mothers with their babes asleep
F#m7
Rocking to the gentle beat
A D
And the rhythm of the rails is all they feel

G A D
Good morning America, how are you?
Bm G D
Say don't you know me, I'm your native son
A D A Bm
I'm the train they call the City of New Orleans
C G A
I'll be gone five hundred miles when the day is done

D A D
Nighttime on the City of New Orleans
Bm G D
Changing cars in Memphis, Tennesee
D A D
Halfway home, and we'll be there by morning
Bm A
Through the Mississippi darkness, rolling down to the sea

Bm
But all the towns and people seem
F#m7
To fade into a bad dream
A E
The steel rail still ain't heard the news

Bm
The conductor sings his songs again
F#m7
The passengers will please refrain
A D
This train's got the disappearin' railroad blues
Good night America, how are you?
Say don't you know me, I'm your native son
I'm the train they call the City of New Orleans

Big and Rich - Save a Horse (Ride a Cowboy)

Intro, with Mr.-Brownstone-y b3's
E A
x 4

Vox on the 1
E
Well, I walk into the room
A
Passing out hundred dollar bills
E
And it kills, and it thrills, like the horns on my
A
Silverado grill
E
And I buy the bar a double round of Crown
A
And everybody's getting down
E
And this town, ain't never gonna be the same

Vox originally on the b3 the whole line, but easier to do the 1 until "horse"
E
'Cause I saddle up my horse
Vox down to the 1 of the chord on "ride"
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty

E
Riding up and down Broadway
A
On my old stud Leroy
D E G A
And the girls say --> save a horse, ride a cowboy
D E G A
Everybody says --> save a horse, ride a cowboy

Solo on verse chords

More or less spoken
E
I'm a thoroughbred that's what she said
A
In the back of my truck bed
E
As I was gettin' buzzed on suds
A
Out on some back country road
E
We were flying high, fine as wine
A
Having ourselves a big and rich time
And I was going, just about as far as she'd let me go

Spoken, with harmony the high octave

But her evaluation

Of my cowboy reputation

Had me begging for salvation

All night long

So I took her out giggin' frogs

Introduced her to my old bird dog

Hard stop on "think"

And sang her every Willie Nelson song I could think of

And we made love

And I saddle up my horse

And I ride into the city

I make a lot of noise

'Cause the girls they are so pretty

Riding up and down Broadway

On my old stud Leroy

And the girls say --> save a horse, ride a cowboy

Everybody says --> save a horse, ride a cowboy

What? What? --> Save a horse, ride a cowboy

Last two chords implied (on "ride a cowboy"

Everybody says --> save a horse, ride a cowboy

If you think I'm feeling older and missing my younger days

D
Oh, then you should have known me much better

And I'm not ashamed to say the wild boys were my friends

From a town known as Wheeling, West Virginia
Rode a boy with a six-gun in his hand
And his daring life of crime made him a legend in his time
East and west of the Rio Grande

Well, he started with a bank in Colorado
In the pocket of his vest a Colt he hid
And his age and his size
Took the teller by surprise and

The word spread of Billy the Kid

Well he never traveled heavy, yes he always rode alone
And he soon put many older guns to shame

And he never had a sweetheart, and he never had a home
But the cowboy and the rancher knew his name

Well, he robbed his way from Utah to Oklahoma
And the law just could not seem to track him down
And it served his legend well, for the folks they'd love to tell 'bout

When Billy the Kid came to town

Interlude if appropriate

And the judge said string him up for what he did

It doesn't matter what I say

So long as I sing with inflection

That makes you feel that I'll convey

\[G D G A\]

Some inner truth of vast reflection

\[D A Bm7 F#7\]

But I've said nothing so far

\[D A Bm F#7\]

And it don't matter who you are

To familiar heroes from long ago

So desperately I'll sing to thee of

Love, sure but also rage and hate and pain

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Out there in the spotlight, you're a million miles away

Every ounce of energy you try to give away

A
And the sweat pours out your body like the music that you play

Em
Later on that evening, as you lie awake in bed

The echoes of the amplifiers ringin' in your head

And you smoke the day's last cigarette, remembering what she said

Bb

Oh, the shark, babe, has such teeth, dear
And it shows them pearly white
Just a jackknife has old MacHeath, babe
And he keeps it out of sight

You know when that shark bites with his teeth, babe
Scarlet billows start to spread
Fancy gloves, though wears old MacHeath, babe
So there's never, never a trace of red

On a sidewalk, ooh sunny mornin uh-huh
Lies a body just oozin' life
Some, someone's sneakin' 'round a corner
Could that someone be old Mack the Knife?

There's a tugboat down by the river, don't you know
Where a cement bag, just a 'droopin' on down
Oh, that cement is just it's there for the weight, dear
Five'll get you ten old Macky's back in town

Whiskey's gone dry the barkeeper's wig's crooked

Solo on chorus chords, more or less

Now as you close your eyes
Know I'll be thinking about you
While my mistress she calls me
To stand in her spotlight again
Tonight I won't be alone
But you know that don't mean I'm not lonely
I've got nothing to prove for it's you
That I'd die to defend

I wanna lay

I sleep on a bed of nails
Oh, I want to be just as close as

#### Lyrics

- **Everyday seems a little longer**
- **Every way, love's a little stronger**
- **Come what may, do you ever long for**
- **True love from me?**

**D**

Everyday, it's a gettin' closer
Goin' faster than a roller coaster
Love like yours will surely come my way, hey, hey,

Everyday, it's a gettin' closer
Goin' faster than a roller coaster
Love like yours will surely come my way, hey, hey,

Everyday seems a little longer
Every way, love's a little stronger
Come what may, do you ever long for
True love from me?

Everyday, it's a gettin' closer
Love like yours will surely come my way, hey, hey,

Buddy Holly - That'll Be The Day

Starts with a little riff in A blues (I usually make it A major) into an E7

Well, that'll be the day, when you say goodbye

You say you're gonna leave, you know it's a lie

Well, you give me all your loving and your turtle doving

All your hugs and kisses and your money too

Well, you know you love me baby, until you tell me, maybe

That some day, well I'll be blue

Well, when Cupid shot his dart he shot it at your heart

So if we ever part and I leave you

You sit and hold me and you tell me boldly

That some day, well I'll be blue

Well, that'll be the day, when you say goodbye

You say you're gonna leave, you know it's a lie

Cuz that'll be the day when I die

Well, that'll be the day, when you say goodbye

Yes, that'll be the day, when you make me cry

You say you're gonna leave, you know it's a lie

Well, you give me all your loving and your turtle doving

All your hugs and kisses and your money too

Well, you know you love me baby, until you tell me, maybe

That some day, well I'll be blue

Well, when Cupid shot his dart he shot it at your heart

So if we ever part and I leave you

You sit and hold me and you tell me boldly

That some day, well I'll be blue

Well, that'll be the day, when you say goodbye

You say you're gonna leave, you know it's a lie

Cuz that'll be the day when I die

Caspar Babypants - 9.99

I am a little bear
So cute with fuzzy hair
Once upon a time I was so nice
Now I'm loved and hugged no more
And I'm stuck here at this store
And nine ninety-nine is my new price

I used to hang around
All glossy black and brown
In a high-rise apartment oh so fancy
But I lost my button eye
And began to slowly die
And now it's up to you to bring me mercy

This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn, old, and pale
And I am for sale
What I need is for someone to pick me

I was put out with the trash
With the fireplace ash
Torn dirty and clean out of luck
But the garbage men were kind
And they sewed up my behind
And put me on the grill of their truck

I lived there for a year
And shed so many tears
'Til one day I fell underneath the tires
Now the only single way
I'll go home with you today
Is if you're desperate for a doll
That's sick and tired

This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone to pick me

You won't stop me

Dion - The Wanderer

Originally in D, I play in D or C. If in C, I use 8x55x fingering so I can (a) be less folk-y and (b) work the 6ths in. Swung, with 6ths if practical

I'm never in one place, I roam from town to town
And when I find myself fallin' for some girl
Yeah, I hop right into that car of mine, I drive around the world

G
I kiss 'em and I love 'em 'cause to me they're all the same
D
I hug 'em and I squeeze 'em, they don't even know my name
A G
They call me the wanderer, yeah the wanderer
D A
I roam around around around around

D
Oh well I'm the type of guy who will never settle down
Where pretty girls are, well you know that I'm around
G
I kiss 'em and I love 'em 'cause to me they're all the same
D
I hug 'em and I squeeze 'em, they don't even know my name
A G
They call me the wanderer, yeah the wanderer
D A
I roam around around around around

D
Oh well there's Flo on my left arm and there's Mary on my right
And Janie is the girl that I'll be with tonight
G
And when she asks me which one I love the best
D
I tear open my shirt and I show her Rosie on my chest
A G
'Cause I'm a wanderer, yeah a wanderer
D
I roam around around around around

D
Oh well I roam from town to town
I go through life without a care
And I'm as happy as a clown
Hang on "two fists"
B7 E
With my two fists of iron, but I'm going nowhere
D
Oh, I'm the type of guy that likes to roam around

Disney - Let it Go

Originally in Ab, written here in G.

I play capo 3 (so in Bb), and sing the verse *above* the original, so I can drop down for the pre-chorus and chorus.

Start quiet, barely strumming
Em C D Amsus4 Am
Em C D Asus4 A

Vox on the 5 (B)
Em Cadd9
The snow glows white on the mountain tonight
D Am
Not a footprint to be seen
Em Cadd9 D
A kingdom of isolation, and it looks like I'm the queen

On "howling", only go up to the 1 of the chord, not the 5
Em C D Amsus4 Am
The wind is howling like this swirling storm inside
Em D A
Couldn't keep it in, heaven knows I've tried

Start to fade strumming in
Vox down to the 5 of the chord (A if the chord is D)
D C
Don't let them in, don't let them see
D
Be the good girl you always have to be
C
Conceal, don't feel, don't let them know
C
Well now they know

G D
Let it go, let it go
Em C
Can't hold it back any more
G D
Let it go, let it go
Em C
Turn away and slam the door
G D

Bm Bb
Let the storm rage on
C
The cold never bothered me anyway

G D

Em C
It's funny how some distance
D Am
Makes everything seem small
Start going down here, to the 5 of the chord on "fears",
down to the 5 of the chord on "get"
Em D
And the fears that once controlled me
A
Can't get to me at all

D C
It's time to see what I can do
D
To test the limits and break through
C
No right, no wrong, no rules for me
C
I'm free

G D
Let it go, let it go
Em C
I am one with the wind and sky
G D
Let it go, let it go
Em C
You'll never see me cry

G D
Here I stand
Em C
And here I stay
Bm Bb
Let the storm rage on

Bridge

The Dixie Chicks play in A.
I play in G capo 5.

G

G

Two days past 18
G
He was waiting for a bus in his army greens
C
Sat down at a booth at a cafe there
G
Gave his order to a girl with a bow in her hair
G
He's a little shy so she give him a smile
G
And he said would you mind sitting down for a while
C
And talking to me, I'm feeling a little low?
F C
She said I'm off in an hour and I know where we can go
G

G

So they went down and they sat on the pier
G
He said I bet you got a boyfriend but I don't care,
C
Got no one to send a letter to
F C G
Would you mind if I sent one back here to you?

Em
I cried
C
Never gonna hold the hand of another
G
Guy, too young for him they told her
D
Waiting for the love of a travelin' soldier
Em
Our love will never end
C
Waiting for the soldier to come back
G
Again, never more to be alone
D G
When the letter says a soldier's coming home
G

G

So the letters came from an army camp
G
In California then Vietnam
C
And he told her of his heart, he might be in love
G
And all the things he was so scared of
G
He said when it's getting kinda rough over here
G
I think of that day sitting down at the pier
C G
And I close my eyes and see your pretty smile
F C
Don't worry but I won't be able to write for a while
G

Em

Our love will never end
C
Waiting for the soldier to come back
G
Again, never more to be alone
D G
When the letter says a soldier's coming home

Solo on verse chords if appropriate
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

In a voice that came from you and me
Don McLean - American Pie

And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
C D7 G

The day the music died
C G
We were singin'

G C G D
So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

G Am
Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast

Em D
Now the halftime air was sweet perfume
While sergeants played a marching tune
We all got up to dance

But we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was the feel
The day the music died?
We started singin'

G C G D
So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

G Am
And there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be quick
Jack Flash sat on a candle
Stick, 'cause fire is the devil's only friend

Em D
And as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could bread that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite

Elvis Presley - Fever

Often played in Am, I play in Em capo 3. Note the vocals ride mostly on IV in this key, i.e. the A in Em.

Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D B7 Em
Never know how much I care
Em
When you put your arms around me
B7 Em
I get a fever that's so hard to bear

Em C
You give me fever, when you kiss me
D Em
Fever when you hold me tight
Em C
Fever, in the morning
B7 Em
Fever all through the night

Em
Sun lights up the daytime

Fastball - Out of My Head

Sometimes I feel like I am drunk behind the wheel
The wheel of possibility
However it may roll
Give it a spin, see if it can somehow factor in
You know there's always more than one way
To say exactly what you mean to say

Was I out of my head, was I out of my mind?
How could I have ever been so blind?
I was waiting for an indication
It was hard to find
Don't matter what I say, no matter what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up too

Guitar solo on chorus chords... if there's _anyone_ around to play it
it would push the song over that critical 60-second mark.

Was I out of my head, was I out of my mind?
How could I have ever been so blind?
I was waiting for an invitation
It was hard to find
Don't matter what I say, no matter what I do

Garth Brooks - Papa Loved Mama

E5
Papa drove a truck nearly all his life
A7
You know it drove mama crazy being a trucker's wife
B7
The part she couldn't handle was the being alone
C
I guess she needed more to hold than just a telephone

E5
Papa called Mama each and every night
A7
Just to ask her how she was and if us kids were alright
B7
Mama would wait for that call to come in
C
And when Daddy'd hang up she was gone again

E7
Papa was a good'n but the jealous kind
A7
Papa loved Mama, Mama loved men

A7
Papa came home and it was just us kids
B7
He had a dozen roses and a bottle of wine
C
If he was lookin' to surprise us he was doin' fine
E5
I heard him cry for Mama up and down the hall

A7
Then I heard a bottle break against the bedroom wall
B7
That old diesel engine made an eerie sound
C
When Papa fired it up and headed into town

A7
Well the picture in the paper showed the scene real well
E7
Papa's rig was buried in the local motel

The desk clerk said he saw it all real clear

I gotta have faith, a-faith, a-faith
Gotye - Somebody That I Used to Know

Originally in Dm, I play in Am, which is really low in the verse, so take all opportunities to take the melody up rather than down. Playing in the original key and dropping the chorus an octave is also reasonable.

Grease - Freddy My Love

 Originally in Db, I play in E
 Get the vox ready for “flipped over that gray cashmere sweater”,
 and also think hard about how serious you are about the melody in the bridge. It's rhythmically simple, but melodically wild. Plan on a class-II train wreck in the bridge.

 B7 B6 B+ B7
 Vox start on the 1
 E Emaj7 A
 Freddy my love, I miss you more than words can say
 Vox on the 7 of the chord on “touch”, down to the 3 of the chord on “way”

 then on the 5 on “gray”, which is not awkward.

 Vox on 3 1 of the first chord ("keep your"), then 1 5 of the second ("from me").
 That sets the tone, although this bridge is super-complicated to sing. Just hit the high 3 of the chord on “mind” at the end and it will be OK.

Hear the sound of the falling rain

Coming down like an Armageddon flame (Hey!)

The shame, the ones who died without a name

Hear the dogs howling out of key

To a hymn called "Faith and Misery" (Hey!)

And bleed, the company lost the war today

I beg to dream and differ from the hollow lies

This is the dawning of the rest of our lives

On holiday

Hear the drum pounding out of time

Another protestor has crossed a line (Hey!)

To find, the money's on the other side

Can I get another Amen? (Amen!)

There's a flag wrapped around a score of men (Hey!)

A gag, a plastic bag on a monument

I beg to dream and differ from the hollow lies

This is the dawning of the rest of our lives

Guns and Roses - Sweet Child o' Mine

I usually capo 3 for this, so it's just higher than an octave down from the original.

I usually lead in with a slow rendition of the riff, an octave down (open position).

Was as fresh as the bright blue sky

Now and then when I see her face

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F,E-->D instead of G,F,E-->D.

In a little cafe just the other side of the border

She was just sitting there giving me looks that made my mouth water

So I started walking her way, she belonged to bad man Jose

Hard stop at the end of the line

And I knew, yes I knew I should leave when I heard her say, ay, ay

The IV is implied here

Come a little bit closer

You're my kind of man, so big and so strong

Come a little bit closer

I'm all alone, and the night is so long

So we started to dance, in my arms she felt so inviting

That I just couldn't resist just one little kiss, so exciting

Then I heard the guitar player say, "Vamoose, Jose's on his way"

And I knew, yes I knew I should run, but I heard her say, ay, ay

Solo

\]

Then the music stopped, when I looked the cafe was empty

Then I heard Jose say "an, you know you're in trouble plenty"

So I dropped my drink from my hand and through the window I ran

And as I rode away I could hear her say to Jose

With ad libs

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The songs is a dirge, so I follow the Priest version, which is a rocking metal gallop.

Long riff

Short riff

Play long riff if not rocking

Play short riff if not rocking

They bring diamonds and rust

As I remember, your eyes were bluer than robins' eggs

My poetry was lousy you said, but where are you calling from?

A booth in the mid-west

Ten years ago I bought you some cuff-links

And you bought me something

We both know what memories can bring

They bring diamonds and rust

Play short riff if not rocking, else another chorus

You burst on the scene, already a legend

The unwashed phenomenon, the original vagabond

You strayed into my arms

And there you stayed, temporarily lost at sea

The Madonna was yours for free, the girl on the half-shell

Could keep you unharmed

Well we both know what memories can bring

They bring diamonds and rust

Well we both know what memories can bring

They bring diamonds and rust

Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

D G
On a warm summer's evenin' on a train bound for D nowhere
G D
I met up with the gambler, we were both too A tired to sleep

D G
So we took turns a-starin' out the window at the D darkness
G D A D
Till boredom overtook us, and he began to speak

D G
He said, son, I've made a life out of readin' D people's faces
G D
And knowin' what their cards were by the way A they held their eyes

D G
And if you don't mind my sayin', I can see you're D out of aces
G D A
For a taste of your whiskey I'll give you some D advice

D G
So I handed him my bottle and he drank down my D last swallow
G D
Then he bummed a cigarette and asked me for a A light

D G
And the night got deathly quiet, and his face lost D all expression

G D
Said, if you're gonna play the game, boy, ya gotta A D learn to play it right

D G
You got to know when to hold 'em, know when to D fold 'em
G D A
Know when to walk away and know when to run D A D G
You never count your money when you're sittin' D at the table
G D A
There'll be time enough for countin' when the D dealin's done

Key change
E A E
Ev'ry gambler knows that the secret to survivin' A E Is knowin' what to throw away and knowing what B to keep

E A
'Cause ev'ry hand's a winner and ev'ry hand's a E loser
A E B
And the best that you can hope for is to die in E your sleep

E A
And when he'd finished speakin', he turned back E towards the window
A E B
Crushed out his cigarette and faded off to sleep E A
And somewhere in the darkness the gambler, he E broke even
But in his final words I found an ace that I could keep

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I'm feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it's a long 4 ("caaaaaallling"), and there's an awful lot of 3.

In A, play the intro A/E as:

\[
\begin{align*}
-x- \\
-2- \\
-2- \\
-2- \\
-4- \\
-0- \\
\end{align*}
\]

\[
\begin{align*}
D/A & - D/A & - D/A & - D/A & - D/A & - A
\end{align*}
\]

Vox on 3-->2 of the first chord on "Gloria"

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Gloria, you're always on the run now

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Running after somebody, you gotta get him somehow

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

I think you've got to slow down somehow

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Before you start to blow it

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

I think you're headed for a breakdown somehow

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

So be careful not to show it

\[
\begin{align*}
Vox stay where they were on "you really don't", then up to 3 2 1 of the chord on me-hem-ber
\end{align*}
\]

\[
\begin{align*}
F#m & - B7
\end{align*}
\]

You really don't remember

\[
\begin{align*}
E & - Amaj7
\end{align*}
\]

Was it something that he said?

\[
\begin{align*}
D & - E & - A
\end{align*}
\]

Are the voices in your head calling Gloria?

\[
\begin{align*}
Vox start this line where "Gloria" was
\end{align*}
\]

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Gloria, don't you think you're fall-ing?

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Both these phrases go up...

\[
\begin{align*}
A/E & - E & - D/A
\end{align*}
\]

If everybody wants you, why isn't anybody calling?

\[
\begin{align*}
E & - D & - E
\end{align*}
\]

You don't have to answer

\[
\begin{align*}
G & - D & - E
\end{align*}
\]

Leave them hanging on the line, oh-oh-oh, calling

\[
\begin{align*}
A & - A
\end{align*}
\]

Gloria

\[
\begin{align*}
Vox start this line where "Gloria" was
\end{align*}
\]

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Gloria (Gloria), I think they got your number (Gloria)

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

I think they got the alias (Gloria)

\[
\begin{align*}
Go up on to the 4 on "under"
\end{align*}
\]

\[
\begin{align*}
D/A & - A
\end{align*}
\]

That you've been living under (Gloria)

\[
\begin{align*}
Vox stay up where "under" was
\end{align*}
\]

\[
\begin{align*}
F#m & - B7
\end{align*}
\]

But you really don't remember

\[
\begin{align*}
E & - Amaj7
\end{align*}
\]

Was it something that they said?

\[
\begin{align*}
D & - E & - A
\end{align*}
\]

Are the voices in your head calling Gloria?

\[
\begin{align*}
D/A & - A \\
A/E & - E \\
A/E & - E \\
D/A & - A \\
D/A & - A \\
D/A & - A \\
D/A & - A
\end{align*}
\]

Vox back to where the first verse was, on 3-->2 of the first chord on "Gloria"

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

A-ha-ha, a-ha-ha, Gloria, how's it gonna go down?

\[
\begin{align*}
A/E & - E \\
D/A & - A
\end{align*}
\]

Will you meet him on the main line

\[
\begin{align*}
D/A & - A
\end{align*}
\]

Or will you catch him on the rebound?

\[
\begin{align*}
A/E & - E
\end{align*}
\]

Will you marry for the money

\[
\begin{align*}
D/A & - A
\end{align*}
\]

Take a lover in the afternoon?

\[
\begin{align*}
A/E & - E
\end{align*}
\]

Feel your innocence slipping away

\[
\begin{align*}
D/A & - A
\end{align*}
\]

Don't believe it's coming back soon
Laura Branigan - Gloria

Is it something that he said?

Vox start this line where "Gloria" was

If everybody wants you, why isn't anybody calling?

Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7  D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5

Am Am G/B C

D7

Fmaj7 E7sus4 E7

Am7

D7
They're out to get you there's demons closing in on every side
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzly ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it. In E, it’s lots of open pentatonic minor, and E DA D (i.e., ignore all the slash chords and add9’s). And start slow, the chorus is a lot of words.

Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e)a (e)by (a)hi (c)hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

*Originally in E, I play in A*

**Intro, swung with 6ths**

*A*

*A*

We've been together since way back when
Sometimes I never want to see you again
But I want you to know, after all these years
You're still the one I want whisperin' in my ear

**Drop the 6ths and switch to full strum for the chorus**

When winter came, I just wanted to go
Hold a half-beat before "longed", make it one syllable instead of "lo-onged"
Deep in the desert I longed for the snow

You're still the one that makes me laugh
Still the one that's my better half
We're still having fun and you're still the one

Still the one I want to take along
We're still having fun and you're still the one, yes you are

Paramore - Still Into You

Originally in F, I play in C capo 5 (down an octave)

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want
to go up, but you don’t.
I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
No hard stop this time
I’m still into you

C
Recount the night that I first
Met your mother

Am
And on the drive back to my house
I told you that, I told you that I loved ya

C
You felt the weight of the world
Fall off your shoulder
And to your favorite song
We sang along to the start of forever

F
And after all this time
I’m still into you

F G
I should be over all the butterflies
But I’m into you, I’m into you

But I’m into you, I’m into you
And baby even on our worst nights

Paul Simon - Me and Julio Down by the Schoolyard

Originally in G, I play in G capo 2.

Intro
G C G D
x 2

G
The Mama pajama rolled outta bed
And she ran to the police station
When the papa found out, he began to shout
He started the investigation
It's against the law, it was against the law
What the mama saw, it was against the law

G
Mama look down and spit on the ground
Every time her name gets mentioned
The papa said oy, if I get that boy
I'm gonna stick him in the house of detention

Well I'm on my way, I don't know where I'm goin'
I'm on my way, I'm takin' my time
But I don't know where
Goodbye to Rosie, the queen of Corona
Seein' me and Julio down by the schoolyard
Seein' me and Julio down by the schoolyard
Seein' me and Julio down by the schoolyard

I dig rock and roll music and I'd
Love to get the chance to play (and sing it)
I figure it's about the happiest
Sound going down today

The message may not move me
Or mean a great deal to me
But hey, it feels so groovy to say

I dig the Mamas and the Papas at
"The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

And when they're really wailing
Michelle and Cass are sailing
Hey, they really
Nail me to the wall

I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

And when the Beatles tell you
They've got a word "love" to sell you
They mean exactly what they say

I dig rock and roll music
I could really get it on in that scene

Peter, Paul, and Mary - This Land is Your Land

PPM play this in A, I play in G capo 1.

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream

This land was made for you and me

As I was walking that ribbon of highway
I saw above me, that endless skyway
I saw below me, the golden valley

This land was made for you and me

I roamed and rambled, and followed my footsteps

Through the sparkling sands of her diamond deserts
And all around me this voice kept saying

This land was made for you and me

Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is
all about the second chorus, which sits on the 1 and
goes up to the 2, so totally worth the low verse.

\[ \text{G D C D} \]
\[ \text{x 2} \]

\[ \text{G D C D} \]
Someone got themselves a letter
\[ \text{G D C D} \]
In the mail the other day
\[ \text{G D C D} \]
It's already worn and tattered
\[ \text{G D C D} \]
And I guess it gives away

Am G
All the things we keep inside
Am D
All the things that really matter
Am G
The face puts on its best disguise
Am D G
And all is well until the heart betrays

\[ \text{G D C D} \]
\[ \text{x 2} \]

\[ \text{G D C D} \]
She knows as she reads the letter that
\[ \text{G D C D} \]
Things were bound to stray
\[ \text{G D C D} \]
The wind blows, she pulls her coat tighter
\[ \text{G D C D} \]
And the letter flies away

Am G
With all the things she keeps inside
Am D
All the things that really matter
Am G
The face puts on its best disguise

G D Am C  
Somebody once told me the world is gonna roll me  
I ain't the sharpest tool in the shed  
She was looking kind of dumb with her finger and her thumb  
In the shape of an "L" on her forehead.

Well, the years start coming and they don't stop coming  
Fed to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb  
So much to do, so much to see  
So what's wrong with taking the back streets?  
You'll never know if you don't go  
You'll never shine if you don't glow.

G C C#dim C  
Hey now, you're an all-star, get your game on, go play

Somebody once asked could I spare some change for gas  
I need to get myself away from this place  
I said yep what a concept I could use a little fuel myself  
And we could all use a little change.

Well, the years start coming and they don't stop coming

It's just another Sunday
In a tired old street
Police have got the choke hold
But we just lost the beat

Who counts the money underneath the bar
Who rides the wrecking ball into our guitars
Don't tell us you need us 'cause we're the ship of fools
Looking for America, crawling through your schools

Marconi plays the mamba, listen to the radio
Don't you remember
We built this city
We built this city on

We built this city, we built this city on
We built this city, we built this city on
We built this city, we built this city on

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Beatles - While My Guitar Gently Weeps

I look at you all see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs sweeping
Still my guitar gently weeps

I don't know why nobody told you
How to unfold your love
I don't know how someone controlled you
They bought and sold you

I look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

Solo if appropriate on verse chords

I don't know how you were diverted
You were perverted too
I don't know how you were inverted
No one alerted you

I look at you all see the love there that's sleeping
While my guitar gently weeps
Look at you all...

He was a hard-headed man, he was brutally handsome
And she was terminally pretty
She held him up, and he held her for ransom
In the heart of the cold, cold city

He had a nasty reputation as a cruel dude

They said he was ruthless, they said he was crude

They had one thing in common, they were good in bed

The Eagles - Please Come Home for Christmas

Eagles in A, I play in D capo 4

Vox on 3 5 6 on "bells will be"

Bells will be ringing this sad, sad news

Oh what a Christmas to have the blues

My baby's gone I have no friends

To wish me greetings once again

Crowds will be singing "Silent Night"

Christmas carols by candlelight

Please come home for Christmas, please come

home for Christmas

If not for Christmas, by New Year's night

Friends and relations send salutations

Sure as the stars shine above

But this is Christmas, yeah, Christmas my dear

It's the time of year to be with the one you love

So won't you tell me you'll never more roam

Christmas and New Year's will find you home

There'll be no more sorrow, no grief and pain

And I'll be happy, happy once again

The Eagles - Seven Bridges Road

*Originally in D, I play in A*

**Vox only**

\[ A \ G \ D \ A \]

There are stars in the southern sky

\[ A \ G \ D \ A \]

Southward as you go

\[ A \ G \ D \ A \]

There is moonlight and moss in the trees

\[ A \ G \ D \ A \]

Down the seven bridges road

**Instruments in**

\[ A \ G \ D/F# \ A \]

\[ A \ G \ D \ A \]

Now I have loved you like a baby

\[ A \ G \ D \ A \]

Like some lonesome child

\[ A \ G \ D \ A \]

And I have loved you in a tame way

\[ A \ G \ D \ A \]

And I have loved you wild

**Vox to the 5 of the chord**

\[ G \ A \]

Sometimes there's a part of me

\[ G \ A \]

Has to turn from here and go

\[ G \ A \]

Running like a child from these warm stars

\[ A \ G \ D \ A \]

Down the seven bridges road

**Instruments out**

\[ A \ G \ D \ A \]

There are stars in the southern sky

\[ A \ G \ D \ A \]

And if ever you decide you should go

\[ A \ G \ D \ A \]

There is a taste of time-sweetened honey

\[ A \ G \ D \ A \]

Down the seven bridges road
The Eagles - Take It Easy

Well I'm a runnin' down the road tryin' to loosen my load
I've got seven women on my mind
Four that wanna own me, two that wanna stone me
One says she's a friend of mine

Take it easy, take it easy

Well I'm a standin' on a corner in Winslow, Arizona
Such a fine sight to see
It's a girl my lord in a flatbed Ford
Slowin' down to take a look at me

I gotta know if your sweet
Love is gonna save me
We may lose and we may win
Though we will never be here again
So open up, I'm climbin' in, so take it easy

Don't let the sound of your own wheels drive you crazy
Come on by, don't say maybe

Oooh... Oooh...

Oh, we got it easy
The Eagles - Take It Easy

The Foundations - Build Me Up Buttercup

Originally in C, I play in G.

G B C D

Vox on 1 6 5 of the key (4 2 1 of the chord) on "why do you".

Why do you build me up Buttercup, baby

Just to let me down and mess me around

And then worst of all you never call, baby

When you say you will but I love you still

I need you more than anyone, darling

So build me up buttercup, don't break my heart

The first chord here is just one beat

G D

I'll be over at ten, you told me time and again

But you're late, I wait around and then

I run to the door, I can't take any more

It's not you, you let me down again

Hey, hey, hey!

Baby, baby, try to find

Hey, hey, hey!

A little time, and I'll make you happy

I'll be home

A little time, and I'll make you happy

I'll be home

Why do you treat me so?

Hey, hey, hey!

Baby, baby, try to find

Hey, hey, hey!

A little time, and I'll make you happy

I'll be home

Why do you treat me so?

The Indigo Girls - Closer to Fine

Originally in G capo 2, so really A, I play in G.

G   Am7sus4   Cadd9   D

Melody on the 5 (D)
G   Am7sus4   Cadd9   D
I'm trying to tell you something about my life
G   Am7sus4   Cadd9   D
Maybe give me insight between black and white
D11   C
The best thing you've ever done for me
D11   C
Is to help me take my life less seriously
It's only life
G   Am7sus4   Cadd9   D
After all

Harmony enters on the 1 (G)
G   Am7sus4   Cadd9   D
Well the darkness has a hunger that's insatiable
G   Am7sus4   Cadd9   D
And the lightness has a call that's hard to hear
D11   C
I wrap my fear around me like a blanket
D11   C
I sailed my ship of safety till I sank it

G   C   G
I'm crawling on your shore

High part on F#, low on A
D   Cadd9   G
I went to the doctor, I went to the mountains
D   Cadd9   G
I looked to the children, I drank from the fountain
D11   C
There's more than one answer to these questions
C   G
Pointing me in a crooked line

Low part on A, high on D
D11   C
The less I seek my source for some definitive

High part on E, low on C. It's actually the low part
that shoots up to high G, but usually easier to have the
high singer do that.
G   Am7sus4   Cadd9   D
The closer I am to fine
G   Am7sus4   Cadd9   D

D   knee
D11   C
He never did marry or see a B-grade movie
D11   C
He graded my performance, he said he could see
through me
G   Am7sus4   Cadd9
I spent four years prostrate to the higher mind,
D   got my paper
C   G
And I was free

D   Cadd9   G
I went to the doctor, I went to the mountains
D   Cadd9   G
I looked to the children, I drank from the fountain

G   Am7sus4   Cadd9   D

Bridge over pre-chorus chords
D11   C   D11   C   G

G   Am7sus4   Cadd9   D
I stopped by the bar at 3 a.m
G   Am7sus4   Cadd9   D
To seek solace in a bottle or possibly a friend
I woke up with a headache like my head against a board.

Twice as cloudy as I'd been the night before

And I went in seeking clarity.

I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountain

We go to the doctor, we go to the mountains

We look to the children, we drink from the fountain

We go to the bible, we go through the workout

Let ring on "stand up" and "lookout"

We read up on revival and we stand up for the lookout.

There's more than one answer to these questions

Pointing me in a crooked line.

The less I seek my source for some definitive

The closer I am to fine.

The closer I am to fine.

The closer I am to fine.

The closer I am to fine.

The closer I am to fine.

Highest note is the I
All the D's in the chorus are originally Bm's
I play the verse D as D11/A, the verse C as C/G, and the verse B7 as Bsus4 @ the 7th fret (799600), and the chorus

G as G6.

Em

Imagine me and you, I do
I think about you day and night, it's only right
To think about the girl you love and hold her tight
So happy together

If I should call you up, invest a dime
And you say you belong to me and ease my mind
Imagine how the world could be so very fine
So happy together

I can't see me lovin' nobody but
You for all my life
When you're with me baby the skies'll be
Blue for all my life

Me and you and you and me
No matter how they toss the dice it had to be
The only one for me is you and you for me
So happy together...

Me and you and you and me
No matter how they toss the dice it had to be
The only one for me is you and you for me
So happy together...

How is the weather?
So happy together...

Now back at the homestead

Where the air makes you choke

And people don't know you

And trust is a joke

Don't even have pictures

Just memories to hold

They grow sweeter each season

As we slowly grow old

Tom Petty - Free Fallin'

There's always some debate about whether the second chord in this song is Dsus4 or G. The bass clearly plays G. I like to split the difference and play Dsus4 in the verse, G in the chorus.

Originally in D, capo 3, so really in F. I play in D or D capo 1.

They said, "Dad, we wanna see the biggest ball of

C G

D Minnesota

D
So the very next day we loaded up the car
G
With potato skins and pickled wiener's
D
Crossword puzzles, Spider-Man comics
A
And mama's home made rhubarb pie
D D7 G
Pulled out of the driveway and the neighbors
Weird Al - The Biggest Ball of Twine in Minnesota

Of course, we stopped for more pickled wieners now and then

The scenery was just so pretty, boy I wish the kids could've seen it

But you can't see out of the side of the car

Because the windows are completely covered

With the decals from all the places where we've already been

Like Elvis-O-Rama, the Tupperware Museum

The Boll Weevil Monument and Cranberry World

The Shuffleboard Hall Of Fame, Poodle Dog Rock

And the Mecca of Albino Squirrels

We've been to ghost towns, theme parks, wax museums

And the place where you can drive through the middle of a tree

We've seen alligator farms and tarantula ranches

But there's still one thing we gotta see

Well, we crossed the state line about 6:39

And we saw the sign that said, "Twine Ball exit, fifty miles"

Oh, the kids were so happy they started singing

"99 Bottles Of Beer On The Wall" for the twenty-seventh time that day

So, we pulled off the road at the last chance gas station

Got a few more pickled wieners and a diet chocolate soda

On our way to see the biggest ball of twine in Minnesota

We're gonna see the biggest ball of twine in Minnesota

Finally, at 7:37 early Wednesday evening

As the sun was setting in the Minnesota sky

Out in the distance, on the horizon

It appeared to me like a vision before my unbelieving eyes

I parked the car and walked with awe-filled reverence

To-ward that glorious, huge majestic sphere

I was just so overwhelmed by its sheer immensity

I had to pop myself a beer
Weird Al - The Biggest Ball of Twine in Minnesota

G
Yes, on these hallowed grounds, open ten to
C eight on weekdays

D
In a little shrine, under a makeshift pagoda

C G D
There sits the biggest ball of twine in Minnesota
C G I tell you, it's the biggest ball of twine in
D Minnesota

D C G
Oh, what on Earth would make a man decide to
D C G do that kind of thing?

D C G
Oh, windin' up twenty-one thousand, one
D C G hundred forty pounds of string

Let ring
D C G
What was he trying to prove? Who was he trying
D C G to impress?

D
Why did he build it? How did he do it? It's
G anybody's guess

D
Where did he get the twine? What was goin'
G through his mind?

C G A
Did it just seem like a good idea at the time?

D
Well, we walked up beside it and I warned the
G kids

"Now, you better not touch it, those ropes are
D there for a reason"

D
I said, "Maybe if you're good, I'll tie it to the back
G of our car

D
And we can take it home", but I was only teasin'

D
Then we went to the gift shop and stood in line
C G Bought a souvenir miniature ball of twine
D G Some window decals and anything else they'd sell us

D
And I bought a couple postcards

D A7
"Greetings from the twine ball, wish you were here"

D
Won't the folks back home be jealous?

D G
I gave our camera to Bernie and we stood by the
D ball

A D
And we all gathered 'round and said "cheese"

D
Then Bernie ran away with my brand new
G D Instamatic

E A
But at least we got our memories

D
So we all just stared at the ball for a while
G
And my eyes got moist but I said with a smile

D A
"Kids this here's what America's all about"

D
Then I started feelin' kinda gooey inside
G
And I fell on my knees and I cried and cried
