Spoken, with harmony the high octave
E
But her evaluation
A
Of my cowboy reputation
E
Had me begging for salvation
A
All night long

E
So I took her out giggin' frogs
A
Introduced her to my old bird dog
Hard stop on "think"
E
And sang her every Willie Nelson song I could think of

And we made love

E
And I saddle up my horse
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty

E

A
On my old stud Leroy

We all have pain we all have sorrow
A D
But if we are wise
A E A
We know that there's always tomorrow

Let an extra measure hang here on the IV

A D
Lean on me, when you're not strong
A
And I'll be your friend
A E
I'll help you carry on
A D
For it won't be long
A
Till I'm gonna need
E A
Somebody to lean on

A D
Please swallow your pride
A A E
If I have things you need to borrow
A D A
For no one can fill those of your needs
E A
That you won't let show

Let an extra measure hang here on the IV

A D A E
You just call on me brother, when you need a
A hand
E A
We all need somebody to lean on

A D A E
I just might have a problem that you'd
A understand

E A
We all need somebody to lean on

Let an extra measure hang here on the IV

A D
Lean on me, when you're not strong
A
And I'll be your friend
E
I'll help you carry on

For it won't be long
A
Till I'm gonna need

**Billy Joel - Keeping the Faith**

*Originally in D, I play in A capo 2.*

**A**

If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my younger days

**D**

Oh, then you should have known me much better
Cause my past is something that never got in my way oh no

**A**

Still I would not be here now if I never had the hunger
And I'm not ashamed to say the wild boys were my friends

**D**

Cause I never felt the desire till their music set me on fire

**E6**

And then I was saved, yeah
That's why I'm keeping the faith

**D**

Yeah, yeah, yeah, yeah

**A**

Keeping the faith

**A**

We wore matador boots
Only Flagg Brothers had them with the Cuban heel
Iridescent socks with the same color shirt
And a tight pair of chinos

**D**

I put on my shark skin jacket
You know the kind with the velvet collar
And ditty-bop shades

I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

**D**

Combed my hair in a pompadour
Like the rest of the Romeos wore

**E6**

A permanent wave yeah

**D**

We were keeping the faith

**D**

Yeah, yeah, yeah, yeah

**A**

Keeping the faith

**Bridge**

You can get just so much from a good thing
You can linger too long in your dreams

**E**

Say goodbye to the oldies but goodies

**Bm7**

Cause the good old days weren't always good

**E7**

And tomorrow ain't as bad as it seems

**A**

Learned stickball as a formal education
Lost a lot of fights but it taught me how to lose O.K.

**D**

I heard about sex but not enough

**A**

I found you could dance and still look tough anyway

I found out a man ain't just being macho
Ate an awful lot of late night drive-in food drank a lot of take-home pay

**D**

I thought I was the Duke of Earl
When I made it with a red-haired girl

**E6**

In a Chevrolet

**D**

We were keeping the faith

**D**

Yeah, yeah, yeah, yeah
Keeping the faith

Originally in Am, I play in Em. Sometimes I capo 2, the highest note is Bb in Am. Mostly muted, be judicious with strumming.

Em

Vox start on 1 2 3 of the major key

G D Em

Well I'm on the Downeaster Alexa

G D C

And I'm cruising through Block Island Sound

C G Am

I have charted a course to the Vineyard

Em D C

But tonight I am Nantucket bound

C G C

We took on diesel back in Montauk yesterday

C D Em

And left this morning from the bell in Gardiner's Bay

C G C

Like all the locals here I've had to sell my home

C D Em

Too proud to leave I worked my fingers to the bone

G D Em

So I could own my Downeaster Alexa

G D C

And I go where the ocean is deep

C G Am

There are giants out there in the canyons

G D C

And a good captain can't fall asleep

C G C

I've got bills to pay and children who need clothes

C D Em

I know there's fish out there but where God only knows

C D G

They say these waters aren't what they used to be

Em	G D/F# Em

But I've got people back on land who count on me

G D Em

So if you see my Downeaster Alexa

G D C

And if you work with the rod and the reel

C G Am

Tell my wife I am trolling Atlantis

G D C

And I still have my hands on the wheel

Interlude, lots of ayyy-o and accordion noises

Em

G D Em

Now I drive my Downeaster Alexa

G D C

More and more miles from shore every year

C G Am

Since they tell me I can't sell no stripers

G D C

And there's no luck in swordfishing here

C G C

I was a bayman like my father was before

C D Em D/F#

Can't make a living as a bayman anymore

There ain't much future for a man who works the sea

But there ain't no island left for islanders like me

Billy Joel - You May Be Right

A

A

Friday night I crashed your party
Saturday I said I'm sorry

Sunday came and trashed me out again

I was only having fun

Wasn't hurting anyone

And we all enjoyed the weekend for a change

I was stranded in the combat zone

I walked through Bedford Sty alone

Even rode my motorcycle in the rain

And you told me not to drive

But I made it home alive

So you said that only proves that I'm insane

You may be right I may be crazy

But it just may be a lunatic you're looking for

Turn out the lights, don't try to save me

You may be wrong for all I know

But you may be right

A

A

Remember how I found you there

Alone in your electric chair

I told you dirty jokes until you smiled

You were lonely for a man

G

I said take me as I am

'Cause you might enjoy some madness for a while

A

Now think of all the years you tried to

Find someone to satisfy you

I might be as crazy as you say

If I'm crazy then it's true

That it's all because of you

And you wouldn't want me any other way

You may be right I may be crazy

But it just may be a lunatic you're looking for

Turn out the lights it's too late to change me

You may be wrong for all I know

But you may be right

Solo if appropriate on verse chords

You may be right I may be crazy

Hey but it just may be a lunatic you're looking for

Turn out the lights, aww don't try to save me

You may be wrong for all I know

You may be right

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em

Well this hotel bar’s hangover
Whiskey’s gone dry the barkeeper’s wig’s crooked

Tonight

Bridge, quiet again
Bruce Springsteen - Blinded by the Light

Some silicone sister with her manager's mister
told me I got what it takes
She said, "I'll turn you on sonny, to something

strong if you'll play that song with the funky

And Go-cart Mozart was checkin' out the weather
chart to see if it was safe to go outside
And little Early-Pearly came by in her curly-wurly

and asked me if I needed a ride

Loud again

Oh, some hazard from Harvard was skunked on
beer playin' backyard bombardier
Yes and Scotland Yard was trying hard, they sent
some dude with a calling card who said
"Do what you like, but don't do it here"

Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way

back home

He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on your own"

And now in Zanzibar a shootin' star was ridin' in a
side car hummin' a lunar tune
Yes, and the avatar said, "Blow the bar but first
remove the cookie jar
We're gonna teach those boys to laugh too soon"

I am a little bear
So cute with fuzzy hair
Once upon a time I was so nice
Now I'm loved and hugged no more
And I'm stuck here at this store
And nine ninety-nine is my new price
I used to hang around
All glossy black and brown
In a high-rise apartment oh so fancy
But I lost my button eye
And began to slowly die
And now it's up to you to bring me mercy
This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn, old, and pale
And I am for sale
What I need is for someone to pick me
I was put out with the trash

With the fireplace ash
Torn dirty and clean out of luck
But the garbage men were kind
And they sewed up my behind
And put me on the grill of their truck

I lived there for a year
And shed so many tears
'Til one day I fell underneath the tires
Now the only single way
I'll go home with you today
Is if you're desperate for a doll
That's sick and tired

This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone to pick me

You saw that I had stories left to tell
Now your mom is getting used to a
Although she is confused by a
Slightly stinky old bear smell

This little soul of mine

And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone
What I need is for someone
What I need is for someone to pick me

So thanks for making me a fighter

How could this man I thought I knew turn out to
Be unjust so cruel could only see the good in
You pretended not to see the truth

You tried to hide your lies disguise yourself
Through living in denial but in the end you'll see
You won't stop me

A long, long time ago
Am  C

Em  D
Music used to make me smile
G  D  Em7
And I know if I had my chance
Am  C
That I could make those people dance and
Em  C  D
Maybe they'd be happy for a while
Em  Am
But February made me shiver
Em  Am
With every paper I'd deliver
C  G  Am
Bad news on the doorstep
C  D
I couldn't take one more step
G  D  Em
I can't remember if I cried
Am7  D
When I read about his widowed bride
G  D  Em
Something touched me deep inside
C  D7  G  C  G
The day the music died

G  C  G  D
So bye, bye Miss American Pie
G  C  G  D
Drove my Chevy to the levy but the levy was dry
G  C  G  D
And good old boys were drinkin' whiskey and rye
Em  A7
Singin' this'll be the day that I die
Em  D7
This'll be the day that I die

G  Am
Did you write the book of love?
C  Am
And do you have faith in god above
Em  D
If the bible tells you so?

G  D  Em
Do you believe in rock and roll
Am7  C
Can music save your mortal soul
Em  A7  D
And can you teach me how to dance real slow?

Em  D
Well I know that you're in love with him
Em  D
'Cause I saw you dancin' in the gym
C  G  A7
You both kicked off your shoes
C  D7
Man I dig those rhythm and blues
G  D  Em
I was a lonely teenage broncin' buck
Am  C
With a pink carnation and a pickup truck
G  D  Em
But I knew I was out of luck
C  D7  G  C  G
The day the music died, I started singin'

G  C  G  D
So bye, bye Miss American Pie
G  C  G  D
Drove my Chevy to the levy but the levy was dry
G  C  G  D
And good old boys were drinkin' whiskey and rye
Em  A7
Singin' this'll be the day that I die
Em  D7
This'll be the day that I die

G  Am
Now for ten years we've been on our own
C  Am  Em
And moss grows fat on a rolling stone
D
But that's not how it used to be
G  D  Em
When the jester sang for the king and queen
Am7  C
In a coat he borrowed from James Dean
Em  A7  D
In a voice that came from you and me
And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While sergeants played a marching tune
We all got up to dance

But we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was the feel
The day the music died?
We started singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

And there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be quick
Jack Flash sat on a candle
Stick, 'cause fire is the devil's only friend
And as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could bread that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite
Don McLean - American Pie

I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

And they were singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.  
Note the vocals ride mostly on IV in this key, i.e. the A in Em.  
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

George Michael - Faith

Originally somewhere between B and C, I play in A

Intro, skip the whole organ bit

Guitar only, just one measure in original, but wait for vox

A

Bass and drums enter when vox come in, drums still pretty sparse

Well I guess it would be nice if I could touch your body

A

I know not everybody has got a body like you

But I've got to think twice before I give my heart away

Girl I know all the games you play ’cause I play them too

Drums ramping in

Oh but I need some time off from that emotion

Time to pick my heart up off the floor

And when that love comes down without devotion

Hard stop on ’door’

Well it takes a strong man baby but I'm showing you the door

‘Cause I gotta have faith

I gotta have faith

I gotta have faith, a-faith, a-faith

Hard stop on last “faith”

I gotta have faith, a-faith, a-faith

A

Baby I know you're asking me to stay

D

Say please, please, please, don't go away

A

You say I'm giving you the blues

A

Maybe girl you mean every word you say

D

Can't help but think of yesterday

A

And another one who tied me down to loverboy rules

D A

Before this river becomes an ocean

D A

Before you throw my heart back on the floor

Oh baby I'll reconsider my foolish notion

Hard stop on 'more'

Well I need someone to hold me but I'll wait for something more

Gotye - Somebody That I Used to Know

Originally in Dm, I play in Am, which is really low in the verse, so take all opportunities to take the melody up rather than down. Playing in the original key and dropping the chorus an octave is also reasonable.

**Grease - Freddy My Love**

Originally in Db, I play in E
Get the vox ready for "flipped over that gray cashmere sweater", and also think hard about how serious you are about the melody in the bridge. It's rhythmically simple, but melodically wild. Plan on a class-II train wreck in the bridge.

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don't go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F, E→D instead of G,F,E→D.

And when he'd finished speakin', he turned back towards the window.

Crushed out his cigarette and faded off to sleep.

And somewhere in the darkness the gambler, he broke even.

```
Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

D  G
On a warm summer's evenin' on a train bound for nowhere
G  D
I met up with the gambler, we were both too tired to sleep
D  G
So we took turns a-starin' out the window at the darkness
G  D  A  D
Till boredom overtook us, and he began to speak
D  G
He said, son, I've made a life out of readin' people's faces
G  D
And knowin' what their cards were by the way they held their eyes
D  G
And if you don't mind my sayin', I can see you're out of aces
G  D  A
For a taste of your whiskey I'll give you some advice
D  G
So I handed him my bottle and he drank down my last swallow
G  D
Then he bummed a cigarette and asked me for a light
D  G
And the night got deathly quiet, and his face lost all expression
```

Said, if you're gonna play the game, boy, ya gotta learn to play it right.

You got to know when to hold 'em, know when to fold 'em.

Know when to walk away and know when to run.

You never count your money when you're sittin' at the table.

There'll be time enough for countin' when the dealin's done.
Kenny Rogers - The Gambler

But in his final words I found an ace that I could keep

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

You got to know when to hold 'em, know when to fold 'em

Know when to walk away and know when to run

You never count your money when you're sittin' at the table

There'll be time enough for countin' when the dealin's done

Michael Jackson - Beat It

Originally in Ebm, I play in Em capo 3.
The fourth D in a phrase can be B7.

Em    D    C D

They told him don't you ever come around here
Don't wanna see your face you better disappear
The fire's in their eyes and their words are really clear
So beat it, just beat it

Em    D
You better run, you better do what you can
Don't wanna see no blood, don't be a macho man
You wanna be tough, better do what you can
So beat it, but you wanna be bad

Em    D
Just beat it, beat it
No one wants to be defeated
Showin' how funky strong is your right
It doesn't matter who's wrong or right
Just beat it, beat it

Em    D
They're out to get you better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive, better do what you can
So beat it, just beat it

Em    D
You have to show 'em that you're really not scared
Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7   D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

D7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

You're paralyzed

Vox on 1 7 on "thriller", can also do 7 5 or #6 5 Am Am G/B C

Am7

D7
They're out to get you there's demons closing in Am7 on every side
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

End on "thrill you tonight", or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzly ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it.

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's). And start sloooow, the chorus is a lot of words.

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.

Peter, Paul, and Mary - El Salvador

Originally in E, I prefer it in E on guitar, but D vocally.

A B G#m C#m A B E

Little Latin flourish on the 3rd and 4th strings, roughly

E

There's a sunny little country south of Mexico
F#7
Where the winds are gentle and the waters flow
A Am
But breezes aren't the only things that blow in El Salvador
E

If you took the little lady for a moonlight drive
F#7
Odds are still good you'd come back alive
A Am
But everyone is innocent until they arrive in El Salvador
E E7

If the rebels take a bus on the grand highway
G#m C#m
The government destroys a village miles away
A
The man on the radio says
Go down to the 1 instead of up to the 3 on "border"
B E E7
Now we'll play South of the Border
A B
And in the morning the natives say

G#m C#m
We're happy you have lived another day
A
Last night a thousand more
B E
Passed away in El Salvador
C#m B
Oooh Oooh

E
There's a television crew here from ABC

F#7
Filming Rio Lempe and the refugees
A Am
Calling murdered children the tragedy of El Salvador
E

Before the government camera twenty feet away
F#7
Another man is asking for continued aid
A Am
Food and medicine and hand grenades for El Salvador
E E7

There's a thump, a rumble, and the buildings sway
G#m C#m
A soldier fires the acid spray
A
The public address system
B E E7
Starts to play South of the Border
A B
You run for cover and hide your eyes
G#m C#m
You hear the screams from paradise
A B
They've fallen further than you realize
C#m
In El Salvador

A F#7 B
La, la, ooh

Pause and ease into the next verse rubato

E
Just like Poland is protected by her Russian "friends"
F#7
The junta is assisted by Americans
A Am
And if sixty million dollars seems too much to spend in El Salvador
E
They say for half a billion they could do it right...
Bomb all day, burn all night
Until there's not a living thing upright in El Salvador

They'll continue training troops in the USA
And watch the nuns that got away
And teach the military bands
To play South of the Border
And kill the people to set them free
Who put this price on their liberty?
Don't you think it's time to leave El Salvador?

Don't you think it's time to leave El Salvador?

Peter, Paul, and Mary - I Dig Rock and Roll Music

I think I could say somethin'
If you know what I mean

_Bm_    _G_
But if I really say it

_Bm_    _G_
The radio won't play it

_Bm_    _E_    _A_
Unless I lay it between the lines

_D7_

I dig rock and roll music and I'd
Love to get the chance to play (and sing it)
I figure it's about the happiest
Sound going down today

_Bm_    _G_
The message may not move me

_Bm_    _G_
Or mean a great deal to me

_Bm_    _E_    _A_
But hey, it feels so groovy to say

_D7_
I dig the Mamas and the Papas at
"The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

_Bm_    _G_
And when they're really wailing

_Bm_    _G_
Michelle and Cass are sailing

_Bm_
Hey, they really

_E_    _A_
Nail me to the wall

_D7_
I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

_Bm_    _G_
And when the Beatles tell you

_Bm_    _G_
They've got a word "love" to sell you

_Bm_    _E_    _A_
They mean exactly what they say

_D7_
I dig rock and roll music
I could really get it on in that scene

Pink Floyd - Comfortably Numb

**Verse 1**

\[Bm\] A
Hello, is there anybody in there?

\[G\] \[Em\]
Just nod if you can hear me

\[Bm\]
Is there anyone home?

\[Bm\]
Come on (come on) now

\[A\]
I hear you're feeling down

\[G\] \[Em\]
I can ease your pain

\[Bm\]
And get you on your feet again

\[Bm\]
Relax (relax, relax)

\[A\]
I'll need some information first

\[G\] \[Em\]
Just the basic facts

\[Bm\]
Can you show me where it hurts?

\[D\] \[A\]
There is no pain you are receding

\[D\] \[A\]
A distant ship smoke on the horizon

\[C\] \[G\]
You are only coming through in waves

\[C\] \[G\]
Your lips move but I can't hear what you're saying

\[D\] \[A\]
When I was a child I had a fever

\[D\] \[A\]
My hands felt just like two balloons

\[C\] \[G\]
Now I've got that feeling once again

\[C\]
I can't explain, you would not understand

\[G\]
This is not how I am

\[A\] \[C\] \[G\] \[D\]
I have become comfortably numb

---

**Verso 2**

\[A\] \[C\] \[G\] \[D\]
I have become comfortably numb

\[Bm\] \[A\]
O.K. (O.K., O.K.) just a little pinprick

\[G\] \[Em\]
There'll be no more aaaaaaaaah!

\[Bm\]
But you may feel a little sick

\[Bm\]
Can you stand up?

\[A\]
I do believe it's working, good

\[G\] \[Em\]
That'll keep you going for the show

\[Bm\]
Come on it's time to go

\[D\] \[A\]
There is no pain, you are receding

\[D\] \[A\]
A distant ship smoke on the horizon

\[C\] \[G\]
You are only coming through in waves

\[C\] \[G\]
Your lips move but I can't hear what you're saying

\[D\] \[A\]
When I was a child, I caught a fleeting glimpse

\[D\] \[A\]
Out of the corner of my eye

\[C\] \[G\]
I turned to look but it was gone

\[C\]
I cannot put my finger on it now

\[G\]
The child is grown, the dream is gone

\[A\] \[C\] \[G\] \[D\]
I have become comfortably numb

The world will never ever be the same

And you're to blame

Hey there Delilah you be good and don't you

Portal - Still Alive

Originally in D, I play in E capo 2

Let ring, vox enter on the 4 on "this"

This was a triumph

I'm making a note here

HUGE SUCCESS

It's hard to overstate my satisfaction

Aperture Science

We do what we must because we can

For the good of all of us except the ones who are dead

But there's no sense crying over every mistake

You just keep on trying until you run out of cake

And the science gets done and you make a neat gun

For the people who are still alive

I'm not even angry

I'm being so sincere right now

Even though you broke my heart and killed me

And tore me to pieces

And threw every piece into a fire

As they burned, it hurt because I was so happy for you

Now these points of data make a beautiful line

And we're out of beta, we're releasing on time

So I'm GLaD I got burned, think of all the things we learned

For the people who are still alive

Let ring

Go ahead and leave me

I think I prefer to stay inside

Maybe you'll find someone else to help you

Maybe Black Mesa

That was a joke, haha, fat chance

Anyway, this cake is great, it's so delicious and moist

Look at me, still talking when there's science to do

And I look out there, it makes me GLaD I'm not you

I've experiments to run, there is research to be done

On the people who are still alive

And believe me, I am still alive

I'm doing science and I'm still alive

Some situation somewhere, somehow

That triggers your memory

G

And do you ever wonder

What became of all the time?

Honey, do I ever, ever cross your mind?

Do you ever want to know

Do all dreams go on endlessly?

Or do they just run down somehow

And gradually become a custody

Of that melancholy jailer

For all the time, oh no

Do I ever, darlin', ever cross your mind

Do I ever cross your mind

When you're lonely

Or does it only happen to me

Sam Cooke - Cupid

I like to strum the chorus but play the verse in a reggae style

E C#m E C#m

Cupid, draw back your bow

And let, your arrow go
E B7 E B7
Straight to my lover's heart for me, nobody but me

E C#m
Cupid, please hear my cry

E B7 A E
Straight to my lover's heart for me

E B7
Now, I don't mean to bother you, but I'm in distress

B7 E
There's danger of me losin' all of my happiness

For I love a girl who doesn't know I exist
A B7 E
And this you can fix, so

Sara Bareilles - Brave

Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of *love*")
Highest note is the 4 (on "I wanna see you")
That's a whopping Eb in the original key, plus
there's a long braaaaave on the 3

Vox on 3 5 on "you can"
C
You can be amazing
C
You can turn a phrase into a weapon or a drug
Am
You can be the outcast
Am
Or be the backlash of somebody's lack of love
F    G
Or you can start speaking up
C
Nothing's gonna hurt you the way that words do
C
And they settle 'neath your skin
Am
Kept on the inside and no sunlight
Am
Sometimes a shadow wins
F    G
But I wonder what would happen if you
C
Say what you wanna say
Am    F
And let the words fall out
G    C
Honestly I wanna see you be brave
C

Vox up to 1 on "maybe", down to 3 on "live"
Vox same note on "way" and "out"
C
Maybe there's a way out of the cage where you live
Same melody, but last note is 4 instead 3
Am
Maybe one of these days you can let the light in
Hard stop around "your brave"
F    G
Show me how big your brave is
C
Say what you wanna say
Am    F
And let the words fall out

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets?
You'll never know if you don't go
You'll never shine if you don't glow

G     C     C#Mb5     C
Hey now, you're an all-star, get your game on, go play

It's a cool place and they say it gets colder
You're bundled up now, wait till you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The water's gettin' warm so you might as well swim

My world's on fire, how about yours?
That's the way I like it and I never get bored

Taylor Swift - Shake it Off

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late". Am I stay out too late C Got nothing in my brain G That's what people say, mmm Am I go on too many dates C But I can't make 'em stay G At least that's what people say, mmm Am But I keep cruisin' C Can't stop won't stop moving G It's like I got this music in my mind No hard stop this time G Saying it's gonna be alright

In the low octave, start going back up on the third "play" Am 'Cause the players gonna play, play, play, play C And the haters gonna hate, hate, hate, hate baby G I'm just gonna shake, shake, shake, shake, shake Shake it off, I shake it off

Taylor Swift - Shake it Off

Am Heartbreakers gonna break, break, break, break C And the fakers gonna fake, fake, fake, fake, fake baby G I'm just gonna shake, shake, shake, shake, shake Shake it off, I shake it off

Percussion out Am I never miss a beat C I'm lightning on my feet

Percussion back in G And that's what they don't see, mmm Am I'm dancing on my own (dancing on my own) C I make the moves up as I go (moves up as I go) G And that's what they don't know, mmm Am But I keep cruisin' C Can't stop won't stop groovin' G It's like I got this music in my mind Hard stop on "it's" Saying it's gonna be alright

Am 'Cause the players gonna play, play, play, play C And the haters gonna hate, hate, hate, hate baby G I'm just gonna shake, shake, shake, shake, shake Shake it off, I shake it off
Am
Heartbreakers gonna break, break, break, break,

Am
Shake it off, I shake it off, I I
C
I shake it off, I shake it off, I I
G
I shake it off, I shake it off, I I
I shake it off, I shake it off

Percussion only in the original, but way less awkward acoustic to keep the chords going. Talk over the first part, sing the second part on the chorus melody.

Am
Hey, hey, hey, just think
While you've been gettin' down and out
C
About the liars and dirty, dirty cheats of the world
G
You could've been gettin' down instead

Words are flowing out like endless Rain into a paper cup They slither while they pass They slip away across the universe Pools of sorrow, waves of joy Are drifting through my opened mind Possessing and caressing me

Images of broken light which Dance before me like a million eyes They call me on and on across the universe Thoughts meander like a restless Wind inside a letterbox They tumble blindly as they make Their way across the universe

Originally in C, I play in A.
I do the opening chorus super slow, then break into a syncopated triplet beat.
The first vocal note is the root (C in C), so the first 'love' is the 5 above that (G in C), i.e. the third of the opening minor chord.

The Beatles - Let It Be

Original in C, I play in A, or maybe Bb on piano

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken hearted people

Living in the world agree

There will be an answer, let it be

But though they may be parted

There is still a chance that they will see

There will be an answer, let it be

Interlude, which I usually play even when there’s no solo.

And when the night is cloudy

There is still a light that shines on me

Shine until tomorrow, let it be

Molly is the singer in a band
Desmond says to Molly, girl I like your face
And Molly says this as she takes him by the hand

Desmond takes a trolley to the jeweller's store
Buys a twenty carat golden ring
Takes it back to Molly, waiting at the door
And as he gives it to her she begins to sing

The Beatles - Something

After the first 'I don't know' in each chorus, I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' on guitar; that F always feels like a rocky start. Sometimes I just skip the 'intro'. When I play that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Please Come Home for Christmas

Eagles in A, I play in D capo 4

Vox on 3 5 6 on "bells will be"

Bells will be ringing this sad, sad news

Oh what a Christmas to have the blues

My baby's gone I have no friends

To wish me greetings once again

Crowds will be singing "Silent Night"

Christmas carols by candlelight

Please come home for Christmas, please come

home for Christmas

If not for Christmas, by New Year's night

Friends and relations send salutations

Sure as the stars shine above

But this is Christmas, yeah, Christmas my dear

Hang on "love"

It's the time of year to be with the one you love

So won't you tell me you'll never more roam

Christmas and New Year's will find you home

There'll be no more sorrow, no grief and pain

And I'll be happy, happy once again

Tom Petty - Free Fallin'

There's always some debate about whether the second chord in this song is Dsus4 or G. The bass clearly plays G. I like to split the difference and play Dsus4 in the verse, G in the chorus.

Originally in D, capo 3, so really in F. I play in D or D capo 1.
