Big and Rich - Save a Horse (Ride a Cowboy)

Intro, with Mr.-Brownstone-y b3's
E A
x 4

Vox on the 1
E
Well, I walk into the room
A
Passing out hundred dollar bills
E
And it kills, and it thrills, like the horns on my
A
Silverado grill
E
And I buy the bar a double round of Crown
A
And everybody's getting down
E A
And this town, ain't never gonna be the same

Vox originally on the b3 the whole line, but easier to do the 1 until "horse"
E
'Cause I saddle up my horse
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty
E
Riding up and down Broadway
A
On my old stud Leroy
D E G A
And the girls say --> save a horse, ride a cowboy
D E G A
Everybody says --> save a horse, ride a cowboy

Solo on verse chords

More or less spoken
E
I'm a thouroughbred that's what she said
A
In the back of my truck bed
E
As I was gettin' buzzed on suds
A
Out on some back country road
E
We were flying high, fine as wine
A
Having ourselves a big and rich time

A
Long necks down

E
And I wouldn't trade ol' Leroy
A
Or my Chevrolet for your Escalade
E
Or your freak parade
A
I'm the only John Wayne left in this town
E
And I saddle up my horse
A
And I ride into the city
E
I make a lot of noise
A
'Cause the girls they are so pretty
E
Riding up and down Broadway
A
On my old stud Leroy
D E G A
And the girls say --> save a horse, ride a cowboy
D E G A
Everybody says --> save a horse, ride a cowboy

Well I don't give a dang about nothing
E
I'm singing and bling-blinging
While the girls are drinking
Hard stop on "long"
And I was going, just about as far as she'd let me
go

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could
And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy

Billy Joel - Keeping the Faith

Originally in D, I play in A capo 2.

A

A
If it seems like I've been lost in let's remember
If you think I'm feeling older and missing my
  younger days

D
Oh, then you should have known me much better
Cause my past is something that never
  got in my way oh no

A
Still I would not be here now if I never had the hunger
And I'm not ashamed to say the wild boys were my friends

D
Cause I never felt the desire till their music set me on fire

E6  D
And then I was saved, yeah
That's why I'm keeping the faith

A
We wore matador boots
Only Flagg Brothers had them with the Cuban heel
Iridescent socks with the same color shirt
And a tight pair of chinos

D
I put on my shark skin jacket
You know the kind with the velvet collar
And ditty-bop shades

A
I took a fresh pack of Luckies and a mint called Sen-Sen
My old man's Trojans and his Old Spice after shave

Bridge

E D A
You can get just so much from a good thing
E D A
You can linger too long in your dreams
E D A
Say goodbye to the oldies but goodies
E7
Cause the good old days weren't always good
And tomorrow ain't as bad as it seems

A
Learned stickball as a formal education
Lost a lot of fights but it taught me how to lose
O.K.

D
I heard about sex but not enough

A
I found you could dance and still look tough
Anyway
I found out a man ain't just being macho
Ate an awful lot of late night drive-in food drank a lot of take-home pay

D
I thought I was the Duke of Earl
When I made it with a red-haired girl

E6  D
In a Chevrolet
We were keeping the faith

Yeah, yeah, yeah, yeah

Billy Joel - Tell Her About It

Originally in Bb, I play in E capo 2

E E D A
x2

E            D
Listen boy, I don't want to see you let a good
A thing slip away

E
You know I don't like watching anybody make the
D A
same mistakes I made

If you're playing in E, play the G in open voicing here

G#m
She's a real nice girl and she's always there for you

Am E/G#
But a nice girl wouldn't tell you what you should do

E
Oh, listen boy, I'm sure that you think you got it
D A
all under control

E
You don't want somebody telling you the way to
D A
stay in someone's soul

G#m
You're a big boy now and you'll never let her go
Am E/G#
But that's just the kind of thing she ought to know

B          D#m
Tell her about it, tell her everything you feel

G#m G#m7 C#m7
Give her every reason to accept that you're for

To insure yourself, you've got to provide

communication constantly

G#m G F#m
When you love someone you're always insecure

Am E/G# F#m E F#
And there's only one good way to reassure

B          D#m
Tell her about it, let her know how much you care

G#m G#m7 C#m7
When she can't be with you, tell her you wish you were there

B          D#m
Tell her about it every day before you leave

G#m G#m7 C#m7
Pay her some attention, give her something to believe

'Cause now and then she'll get to worrying
D Em A Bm A/C#
Just because you haven't spoken for so long

And though you may not have done anything
D Em A F#/A# B
Will that be a consolation when she's gone?

E D
Listen boy, it's good information from a man
A
who's made mistakes
Billy Joel - Tell Her About It

E
Just a word or two that she gets from you could
D A
be the difference that it makes
G#m G F#m
She's a trusting soul, she's put her trust in you
Am E/G#
But a girl like that won't tell you what you should
F#m E F#
do

B D#m
Tell her about it, tell her everything you feel

Outro

Tell her about it, the girl don't want to wait too

won't go wrong

You got to tell her about it, before it gets too late

Billy Joel - The Downeaster 'Alexa'

Originally in Am, I play in Em. Sometimes I capo 2, the highest note is Bb in Am. Mostly muted, be judicious with strumming.

Em

Vox start on 1 2 3 of the major key

G D Em

Well I'm on the Downeaster Alexa

G D C

And I'm cruising through Block Island Sound

C G Am

I have charted a course to the Vineyard

Em D C

But tonight I am Nantucket bound

C D G C

We took on diesel back in Montauk yesterday

C D Em

And left this morning from the bell in Gardiner's Bay

C D G C

Like all the locals here I've had to sell my home

C D Em

Too proud to leave I worked my fingers to the bone

G D Em

So I could own my Downeaster Alexa

G D C

And I go where the ocean is deep

C G Am

There are giants out there in the canyons

G D C

And a good captain can't fall asleep

C D G C

I've got bills to pay and children who need clothes

C D Em

I know there's fish out there but where God only knows

C D G

They say these waters aren't what they used to be

C D G C

But I've got people back on land who count on me

G D Em

So if you see my Downeaster Alexa

G D C

And if you work with the rod and the reel

C G Am

Tell my wife I am trolling Atlantis

G D C

And I still have my hands on the wheel

Interlude, lots of ayyy-o and accordion noises

Em

G D Em

Now I drive my Downeaster Alexa

G D C

More and more miles from shore every year

C G Am

Since they tell me I can't sell no stripers

G D C

And there's no luck in swordfishing here

C D G C

I was a bayman like my father was before

C D Em D/F#

Can't make a living as a bayman anymore

C D G

There ain't much future for a man who works the sea

C D G C

But there ain't no island left for islanders like me

G D/F# Em

'Cause you might enjoy some madness for a while

Now think of all the years you tried to
Find someone to satisfy you

I might be as crazy as you say
If I'm crazy then it's true
That it's all because of you
And you wouldn't want me any other way

You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights it's too late to change me
You may be wrong for all I know
But you may be right

Solo if appropriate on verse chords

Hey but it just may be a lunatic you're looking for
Turn out the lights, aww don't try to save me

Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Once upon a midnight dearie
D Gadd9 Em A

About a great many things

But I've been there I can see it cower

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to us as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D Em
But here I am, on the road again
D Em
Here I am, up on stage
D A
Here I go, playing the star again
C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play
Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said
Em

D Em
But here I am, on the road again
Bob Seger - Turn The Page

Here I am, up on stage
Here I go, playing the star again
There I go, turn the page

Now getting loud again...

Here I am, up on stage
Here I go, playing the star again
There I go, there I go

That something wasn't right here
Oh baby baby, I shouldn't have let you go
And now you're out of sight, dear

When I'm not with you I lose my mind
Give me a sign, hit me baby one more time

Some silicone sister with her manager's mister
told me I got what it takes
She said, "I'll turn you on sonny, to something
strong if you'll play that song with the funky
And Go-cart Mozart was checkin' out the weather
chart to see if it was safe to go outside
And little Early-Pearly came by in her curly-wurly
and asked me if I needed a ride

Oh, some hazard from Harvard was skunked on
beer playin' backyard bombardier
Yes and Scotland Yard was trying hard, they sent
some dude with a calling card who said
"Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way
back home

He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on your own"

And now in Zanzibar a shootin' star was ridin' in a
side car hummin' a lunar tune
Yes, and the avatar said, "Blow the bar but first
remove the cookie jar
We're gonna teach those boys to laugh too soon"

A screen door slams, Mary's dress waves

Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely

Hey that's me and I want you only

Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin, you know just what I'm here for

So you're scared and you're thinking that

Maybe we ain't that young any more

Show a little faith, there's magic in the night

You ain't a beauty but hey you're all right

Oh and that's alright with me

You can hide beneath your covers and study your pain

Make crosses from your lovers, throw roses in the rain

Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood

All the redemption I can offer girl is beneath this dirty hood

With a chance to make it good somehow hey

What else can we do now except

Roll down the window and let the wind blow back your hair

Well the night's busting open these

Two lanes can take us anywhere

We got one last chance to make it real

To trade in these wings on some wheels

Climb in back, heaven's waiting down on the tracks

Oh come take my hand

We're ridin' out tonight to case the promised land

Oh oh thunder road, oh thunder road, oh thunder road

Lyn' out there like a killer in the sun

Hey I know it's late, we can make it if we run

Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk

And my car's out back if you're

Ready to take that long walk
From your front porch to my front seat
The door's open but the ride it ain't free
And I know you're hungry for words that I ain't spoken
Tonight we'll be free, all the promises will be broken
There were ghosts in the eyes of all the boys you sent away
They haunt this dusty beach road in the skeleton frames of
Burned-out Chevrolets
They scream your name at night in the street
Your graduation gown lies in rags at their feet
And in the lonely cool before dawn
You hear their engines roaring on
But when you get to the porch, they're gone
On the wind, so Mary climb in
It's a town full of losers, and I'm pulling out of here to win

I am a little bear  
So cute with fuzzy hair  
Once upon a time I was so nice  
Now I'm loved and hugged no more  
And I'm stuck here at this store  
And nine ninety-nine is my new price  
I used to hang around  
All glossy black and brown  
In a high-rise apartment oh so fancy  
But I lost my button eye  
And began to slowly die  
And now it's up to you to bring me mercy  
This little soul of mine  
Is nine ninety-nine  
And if you've got some thread  
Then you can fix me  
I'm torn, old, and pale  
And I am for sale  
What I need is for someone to pick me  
I was put out with the trash
Now your mom is getting used to a
Although she is confused by a
Slightly stinky old bear smell

This little soul of mine
Is nine ninety-nine
And if you've got some thread
Then you can fix me
I'm torn old and pale
And I am for sale
What I need is for someone
What I need is for someone

The Dixie Chicks play in A.
I play in G capo 5.

G

G

Two days past 18
G

He was waiting for a bus in his army greens
C

Sat down at a booth at a cafe there
G

Gave his order to a girl with a bow in her hair
G

He's a little shy so she give him a smile
G

And he said would you mind sitting down for a while?
C G

And talking to me, I'm feeling a little low?
F C

She said I'm off in an hour and I know where we can go
G

G

So they went down and they sat on the pier
G

He said I bet you got a boyfriend but I don't care, I've
C G

Got no one to send a letter to
F C G

Would you mind if I sent one back here to you?

Em

I cried
C

Never gonna hold the hand of another
G

Guy, too young for him they told her
D

Waiting for the love of a travelin' soldier
Em

Our love will never end
C

Waiting for the soldier to come back
G

Again, never more to be alone
D G

When the letter says a soldier's coming home

G

G

So the letters came from an army camp
G

In California then Vietnam
C

And he told her of his heart, he might be in love
G

And all the things he was so scared of

G

He said when it's getting kinda rough over here
G

I think of that day sitting down at the pier
C G

And I close my eyes and see your pretty smile
F C

Don't worry but I won't be able to write for a while
G
One Friday night at a football game
The lord's prayer said and the anthem sang
And a man said folks would you bow your head
For a list of local Vietnam dead

Crying all alone under the stand
Was a piccolo player in the marching band
And one name read and nobody really cared
But a pretty little girl with a bow in her hair

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back
Again, never more to be alone
When the letter says a soldier's coming home

I cried
Never gonna hold the hand of another
Guy, too young for him they told her
Waiting for the love of a travelin' soldier
Our love will never end
Waiting for the soldier to come back

A long, long time ago

Em     D
Music used to make me smile
G     D     Em7
And I know if I had my chance
Am     C
That I could make those people dance and
Em     C     D
Maybe they'd be happy for a while

Em     Am
But February made me shiver
Em     Am
With every paper I'd deliver
C     G     Am
Bad news on the doorstep
C     D
I couldn't take one more step
G     D     Em
I can't remember if I cried
Am7     D
When I read about his widowed bride
G     D     Em
Something touched me deep inside
C     D7     G     C     G
The day the music died

G     Am
Did you write the book of love?
C     Am
And do you have faith in god above
Em     D
If the bible tells you so?

G     D     Em
Do you believe in rock and roll
Am7     C
Can music save your mortal soul
Em     A7     D
And can you teach me how to dance real slow?

Em     D
Well I know that you're in love with him
Em     D
'Cause I saw you dancin' in the gym
C     G     A7
You both kicked off your shoes
C     D7
Man I dig those rhythm and blues
G     D     Em
I was a lonely teenage broncin' buck
Am     C
With a pink carnation and a pickup truck
G     D     Em
But I knew I was out of luck
C     D7     G     C     G
The day the music died, I started singin'

G     C     G     D
So bye, bye Miss American Pie
G     C     G     D
Drove my Chevy to the levy but the levy was dry
G     C     G     D
And good old boys were drinkin' whiskey and rye
Em     A7
Singin' this'll be the day that I die
Em     D7
This'll be the day that I die

G     Am
Now for ten years we've been on our own
C     Am     Em
And moss grows fat on a rolling stone
D
But that's not how it used to be
G     D     Em
When the jester sang for the king and queen
Am7     C
In a coat he borrowed from James Dean
Em     A7     D
In a voice that came from you and me
And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While sergeants played a marching tune
We all got up to dance

But we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was the feel
The day the music died?
We started singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

And there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be quick
Jack Flash sat on a candle
Stick, 'cause fire is the devil's only friend
And as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could bread that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite
Don McLean - American Pie

I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Em
Never know how much I love you
D  B7  Em
Never know how much I care
Em
When you put your arms around me
B7  Em
I get a fever that's so hard to bear

Em  C
You give me fever, when you kiss me
D  Em
Fever when you hold me tight
Em  C
Fever, in the morning
B7  Em
Fever all through the night

Em
Sun lights up the daytime
D  B7  Em
Moon lights up the night
Em
I light up when you call my name
B7  Em
And you know I'm gonna treat you right

Em  C
You give me fever, when you kiss me
D  Em
Fever when you hold me tight
Em  C
Fever, in the morning
B7  Em
Fever all through the night

Em
Ev'rybody's got the fever
D  B7  Em
That is something you all know

Fever isn't such a new thing
B7  Em
Fever started long ago

Em
Romeo loved Juliet
D  B7  Em
Juliet she felt the same
Em
When he put his arms around her, he said
B7  Em
Julie, baby, you're my flame

Em  C
Thou givest fever, when we kisseth
D  Em
Fever when thy flaming youth
Em  C
Fever I'm afire
B7  Em
Fever, yea I burn forsooth

Em
Captain Smith and Pocahantas
D  B7  Em
Had a very mad affair
Em
When her Daddy tried to kill him, she said
B7  Em
"Daddy-o don't you dare."

Em  C
He gives me fever, with his kisses
D  Em
Fever when he holds me tight
Em  C
Fever, I'm his missus
B7  Em
Oh daddy won't you treat him right

Em
Now you've listened to my story
D  B7  Em
Here's a point that I have made
Em
Chicks were born to give you fever
B7  Em
Be it Fahrenheit or Centigrade
They give you fever, when you kiss them
Fever if you live and learn
Fever, till you sizzle
What a lovely way to burn
What a lovely way to burn

Evita - Don't Cry For Me Argentina

This follows the Me First and the Gimme Gimmes arrangement.
I pretty much play this as straight 8ths, punk-style, maybe opening up a little in the chorus
Me First in G, I play in D capo 2
In D, play Gadd9 as 30020x

A Gadd9 D/F# Gadd9 D

D G
It won't be easy, you'll think it strange
A
When I try to explain how I feel
D
That I still need your love after all that I've done

Bm
You won't believe me
E7
All you will see is a girl you once knew
E7
Although she is dressed to the nines
A
At sixes and sevens with you

A Gadd9 D/F# Gadd9 D

D G
I had to let it happen, I had to change
A
Couldn't stay all my life down at heel
D
Looking out of the window, staying out of the sun

So I chose freedom
E7
Running around, trying everything new
E7
But nothing impressed me at all
A
I never expected it to

A Gadd9 D/F# Gadd9

The truth is I never left you

Grease - Freddy My Love

Originally in Db, I play in E
Get the vox ready for “flipped over that gray
cashmere sweater”,
and also think hard about how serious you are about
the melody in
the bridge. It’s rhythmically simple, but melodically
wild. Plan
on a class-II train wreck in the bridge.

Vox start on the 1

No I can’t swig that sweet champagne

Oh but I can buy the same damn thing
On a Walmart shelf half-price
D
And still look sexy, just as sexy, as those models on TV

A
No, I don’t need no designer tag
To make my man want me

E7
You might think I’m trashy, a little too hard-core
D
But in my neck of the woods, I’m just the girl next door

A

Guns and Roses - Sweet Child o' Mine

I usually capo 3 for this, so it's just higher than an octave down from the original.

I usually lead in with a slow rendition of the riff, an octave down (open position).

She's got a smile that it seems to me
Reminds me of childhood memories
Where everything
Was as fresh as the bright blue sky

Now and then when I see her face
She takes me away to that special place
And if I'd stare too long
I'd probably break down and cry

Soft, crescendo through the chorus

She's got eyes of the bluest skies
As if they thought of rain
I'd hate to look into those eyes
And see an ounce of pain
Her hair reminds me of a warm safe place
Where as a child I'd hide
And pray for the thunder and the rain

To quietly pass me by

Woah, oh, sweet child o' mine
Woah, oh, sweet love of mine
Woah, oh, sweet child o' mine, oooh yeah
Woah, oh, sweet love of mine

Chaa!

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don’t go up to “got by” (which is a G), just stay on the E. Similarly, sing the “how do i get you alone?” on E, F, E--->D instead of G, F, E--->D.

Jay and the Americans - Come a Little Bit Closer

Originally in Eb, I play in C

In a little cafe just the other side of the border

She was just sitting there giving me looks that made my mouth water

So I started walking her way, she belonged to bad man Jose

Hard stop at the end of the line

And I knew, yes I knew I should leave when I heard her say, ay, ay

The IV is implied here

Come a little bit closer

You're my kind of man, so big and so strong

Come a little bit closer

I'm all alone, and the night is so long

So we started to dance, in my arms she felt so inviting

That I just couldn't resist just one little kiss, so exciting

Then I heard the guitar player say, "Vamoose, Jose's on his way"

And I knew, yes I knew I should run, but I heard her say, ay, ay

Solo

Then the music stopped, when I looked the cafe was empty

Then I heard Jose say "an, you know you're in trouble plenty"

So I dropped my drink from my hand and through the window I ran

And as I rode away I could hear her say to Jose

With adlibs

Joan Baez - Diamonds and Rust

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The songs is a dirge, so I follow the Priest version, which is a rocking metal gallop.

John Denver - Leaving on a Jet Plane

All my bags are packed I'm ready to go
But the dawn is breakin' it's early morn
Already I'm so lonesome I could cry
So kiss me and smile for me
There's so many times I've let you down
So many times I've played around
Every place I go I'll think of you
When I come back I'll wear your wedding ring

I hate to wake you up to say goodbye
The taxi's waitin' he's blowin' his horn
Already I'm so lonesome I could cry
Tell me that you'll wait for me
So many times I've played around
I tell you now, they don't mean a thing
Every place I go I'll think of you
When I come back I'll wear your wedding ring

I'm standin' here outside your door
But the dawn is breakin' it's early morn
The taxi's waitin' he's blowin' his horn
Tell me that you'll wait for me
I tell you now, they don't mean a thing
Every place I go I'll think of you
When I come back I'll wear your wedding ring

Hold me like you'll never let me go
Hold me like you'll never let me go
Hold me like you'll never let me go
Tell me that you'll wait for me
Tell me that you'll wait for me
Tell me that you'll wait for me

Don't know when I'll be back again
Don't know when I'll be back again
Don't know when I'll be back again

Ah, I hate to go
To leave you
I'll be on my way
About the times I won't have to say

Let all chords ring for this verse
Let all chords ring for this verse
Let all chords ring for this verse
Tell me that you'll wait for me

Kenny Rogers - The Gambler

Originally in E, I play in D capo 2

D G
On a warm summer's evenin' on a train bound for nowhere

G D
I met up with the gambler, we were both too tired to sleep

D G
So we took turns a-starin' out the window at the darkness

G D A D
Till boredom overtook us, and he began to speak

D G
He said, son, I've made a life out of readin' people's faces

G D
And knowin' what their cards were by the way they held their eyes

D G
And if you don't mind my sayin', I can see you're out of aces

D G
For a taste of your whiskey I'll give you some advice

D G
So I handed him my bottle and he drank down my last swallow

G D
Then he bummed a cigarette and asked me for a light

D G
And the night got deathly quiet, and his face lost all expression

G D
Said, if you're gonna play the game, boy, ya gotta learn to play it right

A D
You got to know when to hold 'em, know when to fold 'em

G D
Know when to walk away and know when to run

D A D G
You never count your money when you're sittin' at the table

G D A
There'll be time enough for countin' when the dealin's done

Key change

E A E
Ev'ry gambler knows that the secret to survivin'

A E
Is knowin' what to throw away and knowing what to keep

E A
'Cause ev'ry hand's a winner and ev'ry hand's a loser

A E B
And the best that you can hope for is to die in your sleep

E A
And when he'd finished speakin', he turned back towards the window

A E B
Crushed out his cigarette and faded off to sleep

E A
And somewhere in the darkness the gambler, he broke even
Kenny Rogers - The Gambler

Lorde - Royals

A
I've never seen a diamond in the flesh
A
I cut my teeth on wedding rings in the movies
A
And I'm not proud of my address
A
In the torn up town, no postcode envy

But every song is like

Gold teeth, grey goose, trippin' in the bathroom

Blood stains, ballgowns, trashin' the hotel room
G
D
We don't care, we're driving Cadillacs in our dreams

A
But everybody's like Cristal, Maybach, diamonds on your timepiece
A
Jet planes, islands, tigers on a gold leash
G
D
We don't care, we aren't caught up in your love affair

A
And we'll never be royals, it don't run in our blood
G
That kind of lux just ain't for us
D
We crave a different kind of buzz
A
Let me be your ruler, you can call me queen bee
G
And baby I'll rule (I'll rule, I'll rule, I'll rule)

The foulest stench is in the air the funk of forty thousand years
And grizzly ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver

I play in E capo 3 with fast swung 8ths and 6ths
I'm also partial to skipping the first chorus
Vox on 5 1 6 on "you are my", 3 on "sunshine"

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

The other night, dear as I lay sleeping
I dreamed I held you in my arms
When I awoke, dear I was mistaken
So I hung my head and cried

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear how much I love you
Please don't take my sunshine away

I've always loved you and made you happy
And nothing else could come between
But now you've left me to love another
You have shattered all of my dreams

You are my sunshine my only sunshine
You make me happy when skies are grey
You'll never know, dear

Paramore - Still Into You

*Originally in F, I play in C capo 5 (down an octave)*

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want

to go up, but you don’t.

I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let 'em wonder how we got this far
Cause I don’t really need to wonder at all

Yeah after all this time
Hard stop on "still"
I’m still into you

C
Recount the night that I first
Met your mother

Am
And on the drive back to my house
I told you that, I told you that I loved ya

C
You felt the weight of the world
Fall off your shoulder
And to your favorite song
We sang along to the start of forever

And after all this time

Paul McCartney - Maybe I'm Amazed

Verse originally in Bb, I play in G if I want to work, otherwise C capo 3.

If you're capo'd, be ready to find those 9's. And on guitar, just play a 7 instead of the #9.

Intro, the first chord is really just fading in, and the progression really starts at the second chord. F# B/D# Bm/D C#m7 F#7

Vox on the 5 of the first chord, just up a step on "love" G D/F# A Maybe I'm amazed at the way you love me all the time E/A

G D/F# You hung me on a line Vox *stay* on the 6 of the chord on "maybe" (A if the chord is D) F C/E A And maybe I'm amazed at the way I really need you

B Bmaj7 Maybe I'm a man B9 Maybe I'm a lonely man who's in the middle of something E B B(#9) That he doesn't really understand B Bmaj7 Maybe I'm a man B9 And maybe you're the only woman who could ever help me E B/D# Bm/D C#m7 F#7 Baby won't you help me to understand

I dig rock and roll music and I'd love to get the chance to play (and sing it)
I figure it's about the happiest sound going down today

The message may not move me
Or mean a great deal to me
But hey, it feels so groovy to say

I dig the Mamas and the Papas at "The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

And when they're really wailing
Michelle and Cass are sailing
Hey, they really
Nail me to the wall

I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

And when the Beatles tell you
They've got a word "love" to sell you
They mean exactly what they say

I dig rock and roll music
I could really get it on in that scene

Peter, Paul, and Mary - This Land is Your Land

PPM play this in A, I play in G capo 1.

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me

As I was walking that ribbon of highway
I saw above me, that endless skyway
I saw below me, the golden valley
This land was made for you and me

I roamed and rambled, and followed my footsteps
Through the sparkling sands of her diamond deserts
And all around me this voice kept saying
This land was made for you and me

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me

As the sun was shining, and I was strolling
Through the wheat fields waving and the dust clouds rolling
I could feel inside me and see all around me
This land was made for you and me

This land is your land, this land is my land
From California to the New York island
From the redwood forests to the Gulf Stream
This land was made for you and me
In A, play this E/A in open position
When you're alone
And life is making you lonely
In A, play the C#m with open B and E
You can always go downtown

When you've got worries
All the noise and the hurry
Seems to help, I know, downtown

Just listen to the music of the traffic in the city
Linger on the sidewalk where the neon signs are pretty

How can you lose?
Chords follow vocal rhythm
The lights are much brighter there
You can forget all your troubles, forget all your cares and go

Downtown, things'll be great when you're
Downtown, no finer place for sure
Hang on "everything"
Downtown, everything's waiting for you

Possible solo on verse chords, in the youtube arrangement I'm following
this sounds great without a lead guitar.

And you may find somebody kind to help and understand you
Someone who is just like you and needs a gentle hand to

Guide them along

Sara Bareilles - Brave

Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of love")
Highest note is the 4 (on "I wanna see you")
That's a whopping Eb in the original key, plus there's a long braaaaave on the 3

Vox on 3 5 on "you can"
C
You can be amazing
C
You can turn a phrase into a weapon or a drug
Am
You can be the outcast
Am
Or be the backlash of somebody's lack of love
F G C
Or you can start speaking up
C
Nothing's gonna hurt you the way that words do
C
And they settle 'neath your skin
Am
Kept on the inside and no sunlight
Am
Sometimes a shadow wins
F G
But I wonder what would happen if you

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave

Note switch from 1645 to 1465
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you

G
I wanna see you be brave
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you

Am
Hard stop on last "brave"
G
I wanna see you be brave
C
Everybody's been there, everybody's been stared down
C Am
By the enemy
Am Am
Fallen for the fear and done some disappearing
Am
Bow down to the mighty
F G
Don't run, stop holding your tongue

Vox up to 1 on "maybe", down to 3 on "live"
Vox same note on "way" and "out"
C
Maybe there's a way out of the cage where you live
Same melody, but last note is 4 instead 3
Am
Maybe one of these days you can let the light in
Hard stop around "your brave"
F G
Show me how big your brave is

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out

Savatage - All That I Bleed

Originally in Bb, I play in G.
This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

\[
\begin{align*}
G & \quad D \quad C \quad D \\
& \quad \times 2
\end{align*}
\]

Someone got themselves a letter
In the mail the other day
It's already worn and tattered
And I guess it gives away

Am G
All the things we keep inside
Am D
All the things that really matter
Am G
The face puts on its best disguise
Am D G
And all is well until the heart betrays

\[
\begin{align*}
G & \quad D \quad C \quad D \\
& \quad \times 2
\end{align*}
\]

She knows as she reads the letter that
Things were bound to stray
The wind blows, she pulls her coat tighter
And the letter flies away

Am G
With all the things she keeps inside
Am D
All the things that really matter
Am G
The face puts on its best disguise
Am D G
And all is well until the heart betrays

Interlude, band enters on last chord in second phrase

\[
\begin{align*}
G & \quad Em \quad C \quad D \\
& \quad \times 2
\end{align*}
\]

Lord bring on the night
Wrap it all around me
Let it hold me tight
Soak up all that I bleed

G C
Lord bring on the night
G D
Wrap it all around me
G C
Let it hold me tight
G D
Soak up all that I bleed

G C D
And I'll fly away
G C D
Yea I'll fly away
G C D
Lord I'll fly away, watch me

Raging solo with *lots* of fast triplets...

G C
Lord bring on the night
G D
Wrap it all around me
G C
Let it hold me tight
Hanging stop on "bleed"
G D
Soak up all that I bleed

G
I bleed

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

The Beatles - Something

After the first 'I don't know' in each chorus, I do a descending A --> Ab --> G --> Gb --> F --> E. I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' on guitar; that F always feels like a rocky start. Sometimes I just skip the 'intro'. When I play that riff on guitar, I try to be super-soft on the Eb.

The Beatles - With a Little Help From My Friends
The Beatles - Yellow Submarine

Vocals start with “town” on I (D)

In the town where I was born
Lived a man who sailed the sea
And he told us of his life

In the land of submarines
So we sailed up to the sun
Till we found a sea of green
And we lived beneath the waves

We all live in a yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

I usually skip the weird instrumental
The Beatles - Yes It Is

Vox on 1 6 5 of the key (4 2 1 of the chord)

So build me up buttercup, don't break my heart

The first chord here is just one beat

Tom Petty - Free Fallin'

There's always some debate about whether the second chord in this song is Dsus4 or G. The bass clearly plays G. I like to split the difference and play Dsus4 in the verse, G in the chorus.

Originally in D, capo 3, so really in F. I play in D or D capo 1.
