Billy Joel - The Downeaster 'Alexa'

Originally in Am, I play in Em.
Sometimes I capo 2, the highest note is Bb in Am.
Mostly muted, be judicious with strumming.

Em

Vox start on I II III (B in G)

Well I'm on the Downeaster Alexa

And I'm cruising through Block Island Sound

I have charted a course to the Vineyard

But tonight I am Nantucket bound

We took on diesel back in Montauk yesterday

And left this morning from the bell in Gardiner's Bay

Like all the locals here I've had to sell my home

Too proud to leave I worked my fingers to the bone

So I could own my Downeaster Alexa

And I go where the ocean is deep

There are giants out there in the canyons

And a good captain can't fall asleep

I've got bills to pay and children who need clothes

I know there's fish out there but where God only knows

They say these waters aren't what they used to be

But I've got people back on land who count on me

So if you see my Downeaster Alexa

And if you work with the rod and the reel

Tell my wife I am trolling Atlantis

And I still have my hands on the wheel

Interlude, lots of ayyy-o and accordion noises

Now I drive my Downeaster Alexa

More and more miles from shore every year

Since they tell me I can't sell no stripers

And there's no luck in swordfishing here

I was a bayman like my father was before

Can't make a living as a bayman anymore

There ain't much future for a man who works the sea

But there ain't no island left for islanders like me

Ay-ay yo, oh
I am the entertainer and I know just where I stand
Another serenader and another long-haired band
Today I am your champion, I may have won your hearts
But I know the game, you'll forget my name
And I won't be here in another year
If I don't stay on the charts
I am the entertainer and I've had to pay my price
The things I did not know at first I learned by doin' twice
Ah, but still they come to haunt me
Still they want their say
So I've learned to dance with a hand in my pants
Let 'em rub my neck and I write 'em a check
And they go their merry way
I am the entertainer, been all around the world
I've played all kinds of palaces and laid all kinds of girls
I am the entertainer, the idol of my age

Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change

A
I was stranded in the combat zone
I walked through Bedford Sty alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane

You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights, don't try to save me
You may be wrong for all I know
But you may be right

Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

Bob Dylan - The Times They Are A-Changin'

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone

If your time to you is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin

And there's no tellin' who that it's namin'
For the loser now
Will be later to win
For the times they are a-changin'

Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled

There's a battle outside
And it's rarin'
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'

Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command

Your old road is rapidly agin'
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'

The curse it is cast

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em  D  Em  Em

Em
On a long and lonesome highway east of Omaha
D
You can listen to the engine, moanin' out its one note song
A
You can think about the woman, or the girl you knew the night before
Em
And your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A
You don't feel much like writing, you just wish the trip was through

D  Em
But here I am, on the road again
D  Em
Here I am, up on stage
D  A
Here I go, playing the star again
C  D  Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away
D
Every ounce of energy you try to give away
A
And the sweat pours out your body like the music that you play
Em
Later on that evening, as you lie awake in bed
D
The echoes of the amplifiers ringin' in your head
A
And you smoke the day's last cigarette, remembering what she said
Em

But here I am, on the road again
Bob Seger - Turn The Page

A screen door slams, Mary's dress waves

Like a vision she dances across the porch as the radio plays

Roy Orbison singing for the lonely
Hey that's me and I want you only
Don't turn me home again, I just can't face myself alone again

Don't run back inside, darlin', you know just what I'm here for

So you're scared and you're thinking that
Maybe we ain't that young any more
Show a little faith, there's magic in the night
You ain't a beauty but hey you're all right
Oh and that's alright with me

You can hide beneath your covers and study your pain
Make crosses from your lovers, throw roses in the rain
Waste your summer praying in vain for a Savior to rise from these streets

Well now I'm no hero that's understood
All the redemption I can offer girl is beneath this dirty hood
With a chance to make it good somehow hey
What else can we do now except

Roll down the window and let the wind blow back your hair
Well the night's busting open these
Two lanes can take us anywhere
We got one last chance to make it real
To trade in these wings on some wheels
Climb in back, heaven's waiting down on the tracks

Oh come take my hand
We're ridin' out tonight to case the promised land
Oh oh thunder Road, oh thunder road, oh thunder road

Lyn' out there like a killer in the sun
Hey I know it's late, we can make it if we run
Oh oh thunder road, sit tight, take hold, thunder road

Well I got this guitar and I learned how to make it talk
And my car's out back if you're ready to take that long walk
From your front porch to my front seat
The door's open but the ride it ain't free
And I know you're hungry for words that I ain't spoken
Tonight we'll be free, all the promises will be broken

There were ghosts in the eyes of all the boys you sent away
They haunt this dusty beach road in the skeleton frames of

Burned-out Chevrolets
They scream your name at night in the street
Your graduation gown lies in rags at their feet

And in the lonely cool before dawn
You hear their engines roaring on
But when you get to the porch, they're gone
On the wind, so Mary climb in
It's a town full of losers, and I'm pulling out of here to win

Dan Morris - Flowers in the Rain

Note that the capo moves around in this song... it was done with the magic of multitracking for recording purposes, but I find I can do it live if I fade into a real quiet chord right before I move the capo, which happens to fit with the song (sort of)...

Yesterday the sun shined but you knew that it wouldn't last
If yesterday was a bucket of seeds then today's just a patch of grass
When you woke up this morning you felt the rain fall on your head
Yesterday you cruised the sky but today you'll stay in bed
You are an unusually blue bluebird I guess you won't fly today
The wind just won't blow your way
But you're an unusually blue bluebird Colors bright and strong
You're an unusually blue bluebird So today you'll sing your song

Solo:

You're an unusually blue bluebird Make the best of the day
You're an unusually blue bluebird You never know what will blow your way

You are an unusually blue bluebird Colors bright and strong
You're an unusually blue bluebird
So today you'll sing your song

Yesterday the sun shined and you couldn't find the shade
Today you've got that nice cool breeze and you know you've got it made
When you woke up this morning you hopped down and took a swim
Yesterday the field was dry but today the rain came in

But you're an unusually blue bluebird
Colors bright and strong
You're an unusually blue bluebird
So today you'll sing your song

You are an unusually blue bluebird
I guess you won't fly today
You are an unusually blue bluebird
The wind just won't blow your way

One Friday night at a football game

The lord's prayer said and the anthem sang

And a man said folks would you bow your head

For a list of local Vietnam dead

Crying all alone under the stand

Was a piccolo player in the marching band

And one name read and nobody really cared

But a pretty little girl with a bow in her hair

I cried

Never gonna hold the hand of another

Guy, too young for him they told her

Waiting for the love of a travelin' soldier

Our love will never end

Waiting for the soldier to come back

Again, never more to be alone

When the letter says a soldier's coming home

I cried

Never gonna hold the hand of another

Guy, too young for him they told her

Waiting for the love of a travelin' soldier

Our love will never end

Waiting for the soldier to come back

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elvis Presley - Fever

Often played in Am, I play in Em capo 3.
Note the vocals ride mostly on IV in this key, i.e. the A in Em.
Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

Never know how much I care

Heart - Alone

The original starts in Bbm. For a male
voice this works okay with the chorus an
octave down. For a human (i.e., non-Heart) female,
Gm is somewhat reasonable, so I play it in Em,
capo 3. A dude singing in Em works pretty well
too. If feeling less-than-great in Em, don't go
up to "got by" (which is a G), just stay on the
E. Similarly, sing the "how do i get you alone?"
on E,F,E--->D instead of G,F,E--->D.

Mrs. Brown you've got a lovely daughter

Girls as sharp as her are somethin' rare

But it's sad, she doesn't love me now
She's made it clear enough it ain't no good to pine

She wants to return those things I bought her
Tell her she can keep them just the same

Things have changed, she doesn't love me now
She's made it clear enough it ain't no good to pine

Vox on the root (Eb), up a half step from "pine"
Walkin' about, even in a crowd, well
You'll pick her out, makes a bloke feel so proud

If she finds that I've been 'round to see you
Tell her that I'm well and feelin' fine

Don't let on, don't say she's broke my heart
I'd go down on my knees but it's no good to pine

E walkin' about, even in a crowd, well

Originally in D, I play in G

Think of your fellow man, lend him a helping hand
Put a little love in your heart
You see it's getting late, oh please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me, you just wait and see

Another day goes by, still the children cry
If you want the world to know, we won't let hatred grow
Put a little love in your heart

And the world will be a better place
And the world will be a better place
Ah the world will be a better place
For you and me, you just wait and see

Wait and see...

Take a good look around, and if you're looking down
Put a little love in your heart
I hope when you decide kindness will be your guide

Joan Baez - Diamonds and Rust

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The songs is a dirge, so I follow the Priest version, which is a rocking metal gallop.

No hell below us
Above us only sky
Imagine all the people

Welcome to the real world, she said to me
Condescendingly, take a seat, take your life
Plot it out in black and white

Well I never lived the dreams of the prom kings
And the drama queens I'd like to think the best of me
Is still hiding up my sleeve

They love to tell you
Stay inside the lines
But something's better on the other side

I wanna run through the halls of my high school
I wanna scream at the op of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise above

These chords are just like playing F and A bar chords with the top two strings open

I wonder if they've wished for anything better
While in their memories tiny tragedies

As long as I'm alive

So the good boys and girls take the so called right track

And all of our parents they're getting older

On a warm summer's evenin' on a train bound for nowhere
I met up with the gambler, we were both too tired to sleep
So we took turns a-starin' out the window at the darkness
Till boredom overtook us, and he began to speak
He said, son, I've made a life out of readin' people's faces
And knowin' what their cards were by the way they held their eyes
And if you don't mind my sayin', I can see you're out of aces
For a taste of your whiskey I'll give you some advice
So I handed him my bottle and he drank down my last swallow
Then he bummed a cigarette and asked me for a light
And the night got deathly quiet, and his face lost all expression

Said, if you're gonna play the game, boy, ya gotta learn to play it right
You got to know when to hold 'em, know when to fold 'em
Know when to walk away and know when to run
You never count your money when you're sittin' at the table
There'll be time enough for countin' when the dealin's done

Ev'ry gambler knows that the secret to survivin' is knowin' what to throw away and knowing what to keep
'Cause ev'ry hand's a winner and ev'ry hand's a loser
And the best that you can hope for is to die in your sleep
And when he'd finished speakin', he turned back towards the window
Crushed out his cigarette and faded off to sleep
And somewhere in the darkness the gambler, he broke even

Laura Branigan - Gloria

Originally in A, I play in A capo 3, or if I'm feeling like a vocal reach, in D (D is better for the guitar). Highest note is the 4, but it's a long 4 ("caaaaallling"), and there's an awful lot of 3.

In A, play the intro A/E as:

\[-x-\]
\[-2-\]
\[-2-\]
\[-2-\]
\[-4-\]
\[-0-\]

\[A/E \, E \, A/E \, E \, A/E \, E \, A/E \, E\]
\[D/A \, A \, D/A \, A \, D/A \, A \, D/A \, A\]

Vox on 3-->2 of the first chord on "Gloria"

\[A/E \, E \, D/A \, A\]

Gloria, you're always on the run now

\[A/E \, E\]

Running after somebody, you gotta get him somehow

\[A/E \, E\]

I think you've got to slow down

\[D/A \, A\]

Before you start to blow it

\[A/E \, E\]

I think you're headed for a breakdown

\[D/A \, A\]

So be careful not to show it

Vox stay where they were on "you really don't", then up to 3 2 1 of the chord on me-hem-ber

\[F#m \, B7\]

You really don't remember

\[E \, Amaj7\]

Was it something that he said?

\[D \, E \, A\]

Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was

\[A/E \, E \, D/A \, A\]

Gloria, don't you think you're falling?

Both these phrases go up...

\[A/E \, E \, D/A\]

If everybody wants you, why isn't anybody calling?

\[E\]

You don't have to answer

\[G\]

Leave them hanging on the line, oh-oh-oh, calling

\[D\]

Gloria

Vox start this line where "Gloria" was

\[A/E \, E \, D/A \, A\]

Gloria (Gloria), I think they got your number

\[A/E \, E\]

I think they got the alias (Gloria)

\[D/A \, A\]

Go up on to the 4 on "under"

That you've been living under (Gloria)

Vox stay up where "under" was

\[F#m \, B7\]

But you really don't remember

\[E \, Amaj7\]

Was it something that they said?

\[D \, E \, A\]

Are the voices in your head calling Gloria?

Vox back to where the first verse was, on 3-->2 of the first chord on "Gloria"

\[A/E \, E \, D/A\]

A-ha-ha, a-ha-ha, Gloria, how's it gonna go down?

\[A/E \, E\]

Will you meet him on the main line

\[D/A \, A\]

Or will you catch him on the rebound?

\[A/E \, E\]

Will you marry for the money

\[D/A \, A\]

Take a lover in the afternoon?

\[A/E \, E\]

Feel your innocence slipping away

\[D/A \, A\]

Don't believe it's coming back soon
Laura Branigan - Gloria

And you really don't remember

Is it something that he said?

Are the voices in your head calling Gloria?

Vox start this line where "Gloria" was

Gloria, don't you think you're falling?

If everybody wants you, why isn't anybody calling?

You don't have to answer

Leave them hanging on the line, oh-oh-oh, calling

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down

The foulest stench is in the air the funk of forty thousand years
And grizzy ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
Miranda Lambert - Gunpowder and Lead

If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it.

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.

**Em**    **D**     **C**     **D**
I keep on searching for the reason why we went
        **F**
wrong

Where is our yesterday

**Am**    **Em**    **D**
You and I could use it right now

**D#**    **F**
But if this is goodbye

Just take my heart when you go

I don't have the need for it any more

**Em**    **Am7**    **F**    **Em**    **D**
I'll always love you, but you're too hard to hold

A lot of loose timing between lines, just bopping around on Em and D

I'm all dressed up with nowhere to go
Walkin' with a dead man over my shoulder

I skip the repeats of each verse...

Got my best suit and my tie
Shiny silver dollar on either eye
I hear the chauffeur comin' to my door
Says there's room for maybe just one more

It's a dead man's party
Who could ask for more
Everybody's comin', leave your body at the door
Leave your body and soul at the door

It's only me

Paramore - Still Into You

Originally in F, I play in C capo 5 (down an octave)

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet
Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want
to go up, but you don’t.
I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you
Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
Hard stop on "still"
I’m still into you

C
Recount the night that I first
Met your mother

Am
And on the drive back to my house
I told you that, I told you that I loved ya
C
You felt the weight of the world
Fall off your shoulder
Am
And to your favorite song
We sang along to the start of forever
F
And after all this time
G C

Paul McCartney - Maybe I'm Amazed

Verse originally in Bb, I play in G if I want to work, otherwise C capo 3.

If you’re capo’d, be ready to find those 9’s. And on guitar, just play a 7 instead of the #9.

Intro, the first chord is really just fading in, and the progression really starts at the second chord.

F# B/D# Bm/D C#m7 F#7

Vox on the 5 of the first chord, just up a step on "love"

G D/F# A Maybe I’m amazed at the way you love me all the E/A time

G D/F# A And maybe I’m afraid of the way I love you

This time vox on the 6 of the chord on "pulled"

G D/F# A Maybe I’m amazed at the way you pulled me out E/A of time

G D/F# You hung me on a line

Vox *stay* on the 6 of the chord on "maybe" (A if the chord is D)

F C/E A And maybe I’m amazed at the way I really need you

B Bmaj7 Maybe I’m a man
B9 Maybe I’m a lonely man who's in the middle of something

E B B(#9) That he doesn't really understand

B9 Maybe I’m a lonely man who's in the middle of something

E B B(#9) That he doesn’t really understand
B Bmaj7 Maybe I’m a man
B9 And maybe you’re the only woman who could ever help me

I skip the “ooh’s” at the end of this line

E B/D# Bm/D C#m7 F#7 Baby won’t you help me to understand

If I skipped the previous chorus, I’ll do this one with lyrics, else do this on “yeah”

B Bmaj7 Maybe I’m a man

Come on (come on) now
I hear you're feeling down
And get you on your feet again

**Chorus (Bm)**
Relax (relax, relax)
I'll need some information first
Can you show me where it hurts?

**Verse 2 (D)**
There is no pain, you are receding
A distant ship smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I had a fever

**Verse 3 (Bm)**
O.K. (O.K., O.K.) just a little pinprick
There'll be no more aaaaaaaah!
But you may feel a little sick
Can you stand up?
I do believe it's working, good
That'll keep you going for the show
Come on it's time to go

**Chorus (D)**
There is no pain, you are receding
A distant ship smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child, I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown, the dream is gone

Got a bag with a toothbrush and a comb in

And that is how I know
When I try to get through

So when you tell me that you love me, know for sure

I don't wanna be lonely anymore

With ad lib'd "I don't want to be lonely"

Oh, oh, oh, oh --> oh

Sam Cooke
Sara Bareilles - Brave

Originally in Bb, I play in C capo 1
Lowest note is the 1 (on "lack of *love*"
Highest note is the 4 (on "I wanna see you")
That's a whopping Eb in the original key, plus there's a long braaaaave on the 3

Vox on 3 5 on "you can"
C
You can be amazing
C
You can turn a phrase into a weapon or a drug
Am
You can be the outcast
Am
Or be the backlash of somebody’s lack of love
F G
Or you can start speaking up
C
Nothing’s gonna hurt you the way that words do
C
And they settle 'neath your skin
Am
Kept on the inside and no sunlight
Am
Sometimes a shadow wins
F G
But I wonder what would happen if you

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave

Note switch from 1645 to 1465
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you

"G"
I wanna see you be brave
C
I just wanna see you
F
I just wanna see you
Am
I just wanna see you
Hard stop on last "brave"
G
I wanna see you be brave
C
Everybody’s been there, everybody’s been stared down
C Am
By the enemy
Am Am
Fallen for the fear and done some disappearing
Am
Bow down to the mighty
F G
Don’t run, stop holding your tongue
Vox up to 1 on "maybe", down to 3 on "live"
Vox same note on "way" and "out"
C
Maybe there’s a way out of the cage where you live
Same melody, but last note is 4 instead 3
Am
Maybe one of these days you can let the light in
Hard stop around "your brave"
F G
Show me how big your brave is

C
Say what you wanna say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave
C
With what you want to say
Am F
And let the words fall out
G C
Honestly I wanna see you be brave

Note vi on last ‘brave’
Sara Bareilles - Brave

Honesty I wanna see you be brave

Bridge
Vox on the 1 of the minor chord (6 of the key)
And since your history of silence
Won't do you any good
Did you think it would?

Let your words be anything but empty
Why don't you tell them the truth?

No instruments this chorus
Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave
With what you want to say
And let the words fall out
Honestly I wanna see you be braaaaaaave

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

I just wanna see you
I just wanna see you
I just wanna see you
Hard stop on 1
I wanna see you be brave

Sara Bareilles
Savatage - All That I Bleed

Originally in Bb, I play in G. This is really low in the verse, but this song is all about the second chorus, which sits on the 1 and goes up to the 2, so totally worth the low verse.

\[\text{G D C D x 2}\]

\[\text{G D C D}\]
Someone got themselves a letter
In the mail the other day
It's already worn and tattered
And I guess it gives away

\[\text{Am G}\]
All the things we keep inside
\[\text{Am D}\]
All the things that really matter
\[\text{Am G}\]
The face puts on its best disguise
And all is well until the heart betrays

\[\text{G D C D x 2}\]

\[\text{G D C D}\]
She knows as she reads the letter that
Things were bound to stray
The wind blows, she pulls her coat tighter
And the letter flies away

\[\text{Am G}\]
With all the things she keeps inside
\[\text{Am D}\]
All the things that really matter
\[\text{Am G}\]
The face puts on its best disguise
And all is well until the heart betrays

\[\text{G Em C D x 2}\]

\[\text{G C}\]
Lord bring on the night
\[\text{G D}\]
Wrap it all around me
\[\text{G C}\]
Let it hold me tight
\[\text{G D}\]
Soak up all that I bleed

\[\text{G C D}\]
Lord bring on the night
\[\text{G D}\]
Wrap it all around me
\[\text{G C}\]
Let it hold me tight
\[\text{G D}\]
Soak up all that I bleed

\[\text{G C D}\]
And I'll fly away
\[\text{G C D}\]
Yea I'll fly away
\[\text{G C D}\]
Lord I'll fly away, watch me

*Raging solo with *lots* of fast triplets...*

\[\text{G C}\]
Lord bring on the night
\[\text{G D}\]
Wrap it all around me
\[\text{G C}\]
Let it hold me tight
\text{Hanging stop on "bleed"}
\[\text{G D}\]
Soak up all that I bleed

\[\text{G}\]
I bleed
\[\text{G D C D}\]

*Interlude, band enters on last chord in second phrase*

G C Em D

Those times I waited for you seem so long ago
I wanted you far too much to ever let you go
You know you never got by I feel it too
And I guess I never could stand to lose
It's such a pity to say

Goodbye to you, goodbye to you
How could I have loved someone like the one I see in you
I remember the good times baby now, and the bad times too
These last few weeks of holding on
The days are dull, the nights are long
Guess it's better to say

Goodbye to you, goodbye to you
Goodbye to you, goodbye to you

### Simon and Garfunkel - Homeward Bound

**Verse**

```
I'm sitting in a railway station
Got a ticket for my destination, mmmmm
On a tour of one-night stands
My suitcase and guitar in hand
And every stop is neatly planned
For a poet and a one-man band
```

**Chorus**

```
Homeward bound
I wish I was homeward bound
Home, where my thoughts are 'scaping
Home, where my music's playing
Home, where my love lies waiting silently for me
```

**Bridge**

```
Everyday's an endless stream
Of cigarettes and magazines, mmmmm
And each town looks the same to me
The movies and the factories
And every stranger's face I see
Reminds me that I long to be
```

**Chorus**

```
Homeward bound
I wish I was homeward bound
Home, where my thoughts are 'scaping
Home, where my music's playing
Home, where my love lies waiting silently for me
```

**Verse**

```
I need someone to comfort me
```

**Chorus**

```
Silently for me, mmmmm
```

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets?
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid

I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Sugar Ray
Someday, when my life has passed me by
I'll lay around and wonder
Why you were always there for me

One way, in the eyes of a passer by
I'll look around for another try
And fade away

Just close your eyes and I'll take you there
This place is warm, without a care
We'll take a swim in the deep blue sea
I go to leave but you reach for me

Some say, better things will come our way
No matter what they try to say
You were always there for me

Some way, when the sun begins to shine
I hear a song from another time
And fade away
And fade away

Just close your eyes and I'll take you there
This place is warm, without a care

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am
I stay out too late

C
Got nothing in my brain

G
That's what people say, mmm

About the liars and dirty, dirty cheats of the world
You could've been gettin' down to this sick beat

Through the hamburger stand now

Seems she forgot all about the library

Like she told her old man now

And with her radio blastin' goes cruisin'

Just as fast as she can now

And she'll have, fun, fun, fun till her daddy

Takes the T-Bird away

Well, the girls can't stand her cause she

Walks, looks, and drives like an ace now (you walk like an ace)

She makes the Indy 500 look like a Roman Chariot race now (you look like an ace)

A lotta guys try to catch her but she leads 'em

On a wild goose chase now (you drive like an ace)

And she'll have, fun, fun, fun till her daddy

Takes the T-Bird away

Well, you knew all along that your dad was gettin'

Wise to you now (you shouldn't a' lied)

And since he took your set of keys you've been thinkin'

That your fun is all through now (you shouldn't a' lied)

But you can come along with me cause we got a lotta

Things to do now (you shouldn't a' lied)

And we'll have, fun, fun, fun now that daddy

Took the T-Bird away

And we'll have, fun, fun, fun now that daddy

Took the T-Bird away

The Beatles - A Day in the Life

I read the news today oh boy

About a lucky man who made the grade

And though the news was rather sad

Well I just had to laugh

I saw the photograph

He blew his mind out in a car

He didn't notice that the lights had changed

A crowd of people stood and stared

They'd seen his face before

Nobody was really sure

If he was from the House of Lords

I saw a film today oh boy

The English Army had just won the war

A crowd of people turned away

But I just had to look

Having read the book

I'd love to turn you on

Messy instrumental, really a lot of NC's...

The Beatles - Paperback Writer

I usually skip the wild intro, and when it happens again later,
I just sing it over G
I stole the clever Bb,C from a YouTube cover,
the verse is all G until 'writer'

Dear Sir or Madam, will you read my book?
It took me years to write, will you take a look
It's based on a novel by a man named Lear
And I need a job so I want to be a paperback writer

Paperback writer

It's a dirty story of a dirty man
And his clinging wife doesn't understand
His son is working for the Daily Mail
It's a steady job but he wants to be a paperback writer

Paperback writer

It's a thousand pages, give or take a few
I'll be writing more in a week or two
I can make it longer if you like the style
I can change it 'round and I want to be a paperback writer

Paperback writer

If you really like it you can have the rights
It could make a million for you overnight
If you must return it you can send it here
But I need a break and I want to be a paperback writer

The Beatles
The Beatles - Something

After the first 'I don't know' in each chorus,
I do a descending A --> Ab --> G --> Gb --> F --> E
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro'
on guitar; that F always feels like a rocky start.
Sometimes I just skip the 'intro'. When I play
that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Already Gone

\[ G \quad D \quad C \quad C \]

\( \times 2 \)

Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you
And you'll soon find out it's true
And then you'll have to eat your lunch all by yourself

'Cause I'm already gone, and I'm feeling strong
I will singing this vict'ry song
Woo-hoo-hoo, my my, woo-hoo-hoo

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

'Cause I'm already gone, and I'm feeling strong
I will singing this vict'ry song
Woo-hoo-hoo, my my, woo-hoo-hoo

Solo on verse chords

Well, I know it wasn't you who held me down
Heaven knows it wasn't you who set me free
So oftentimes it happens that we live our lives in chains
That we never even know we have the key

Me I'm already gone, and I'm feeling strong
I will singing this vict'ry song
'Cause I'm already gone

I don't usually do the key change when I'm singing

Hold the first two chords

I will singing this vict'ry song
Hold all three chords

The Eagles
On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway, I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle and she showed me the way

There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year, you can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys, that she calls friends

We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain

We go to the bible, we go through the workout

The Who - Behind Blue Eyes

No one knows what it's like, to be the bad man
To be the sad man, behind blue eyes
No one knows what it's like to be hated
To be fated, to telling only lies
But my dreams, they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance that's never free

No one knows what it's like to feel these feelings
Like I do, and I blame you
No one bites back as hard on their anger
None of my pain and woe, can show through
But my dreams, they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance that's never free

When my fist clenches crack it open
Before I use it and lose my cool
When I smile tell me some bad news
Before I laugh and act like a fool
And if I swallow anything evil

Tom Petty - Into the Great Wide Open

In Em, play the mM7 with the M7 on the 4th string, but the m7 and the mM6 with the 7/6 on the 2nd string.

Eddie waited till he finished high school
He went to Hollywood, got a tattoo
He met a girl out there with a tattoo too
The future was wide open

They moved into a place they both could afford
He found a nightclub he could work at the door
She had a guitar and she taught him some chords
The sky was the limit

Into the great wide open
Under them skies of blue
Out in the great wide open
A rebel without a clue

The papers said Ed always played from the heart
He got an agent and a roadie named Bart
They made a record and it went in the charts
The sky was the limit

His leather jacket had chains that would jingle
