Riding on the City of New Orleans
Illinois Central, Monday morning rail
Fifteen cars and fifteen restless riders
Three conductors, and twenty five sacks of mail

All along the southbound odyssey
The train pulls out of Kankakee
And rolls along the houses, farms and fields

Passing trains that have no name
And freight yards full of old black men
And graveyards of the rusted automobiles

Good morning America, how are you?
Say don't you know me, I'm your native son
I'm the train they call the City of New Orleans
I'll be gone five hundred miles when the day is done

Dealing card games with the old men in the club cars
A penny a point, ain't no one keeping score
Pass the paper bag that holds the bottle
And feel the wheels rumbling 'neath the floor

And the sons of Pullman porters
And the sons of engineers
Ride their fathers' magic carpet made of steel

Mothers with their babes asleep
Rocking to the gentle beat
And the rhythm of the rails is all they feel

Good morning America, how are you?
Say don't you know me, I'm your native son
I'm the train they call the City of New Orleans
I'll be gone five hundred miles when the day is done

Nighttime on the City of New Orleans
Changing cars in Memphis, Tennesee
Halfway home, and we'll be there by morning
Through the Mississippi darkness, rolling down to the sea

But all the towns and people seem
To fade into a bad dream
The steel rail still ain't heard the news
The conductor sings his songs again
The passengers will please refrain
This train's got the disappearin' railroad blues
Good night America, how are you?

Say don't you know me, I'm your native son

I'm the train they call the City of New Orleans

I'll be gone five hundred miles when the day is done

I'll be gone five hundred miles when the day is done

As I was gettin' buzzed on suds
A
Out on some back country road

E
Well I don't give a dang about nothing
E
I'm singing and bling-blinging
While the girls are drinking
Hard stop on "long"

Big and Rich - Save a Horse (Ride a Cowboy)
And I was going, just about as far as she'd let me go

Spoken, with harmony the high octave
But her evaluation
Of my cowboy reputation
Had me begging for salvation
All night long

So I took her out giggin' frogs
Introduced her to my old bird dog
Hard stop on "think"
And sang her every Willie Nelson song I could think of

And we made love

And I saddle up my horse
And I ride into the city
I make a lot of noise
'Cause the girls they are so pretty

Riding up and down Broadway
On my old stud Leroy
And the girls say --> save a horse, ride a cowboy
Everybody says --> save a horse, ride a cowboy
What? What? --> Save a horse, ride a cowboy
Last two chords implied (on "ride a cowboy"
Everybody says --> save a horse, ride a cowboy
Bill Withers - Ain't No Sunshine

Ain't no sunshine when she's gone
G Am Em Em/G Am

Billy Joel - Tell Her About It

Just a word or two that she gets from you could
be the difference that it makes
She's a trusting soul, she's put her trust in you
But a girl like that won't tell you what you should do

Tell her about it, tell her everything you feel
Give her every reason to accept that you're for real
Tell her about it, tell her all your crazy dreams
Let her know you need her, let her know how much she means

Outro
Tell her about it, tell her how you feel right now
Tell her about it, the girl don't want to wait too long
You got to tell her about it, tell her now and you won't go wrong
You got to tell her about it, before it gets too late you've got to...

Well I'm on the Downeaster Alexa

I have charted a course to the Vineyard
But tonight I am Nantucket bound

\[

We took on diesel back in Montauk yesterday
And left this morning from the bell in Gardiner's Bay

Too proud to leave I worked my fingers to the bone

\[
\begin{align*}
G & D & Em \\
G & D & C \\

So I could own my Downeaster Alexa
And I go where the ocean is deep
There are giants out there in the canyons
And a good captain can't fall asleep

I've got bills to pay and children who need clothes
I know there's fish out there but where God only knows

But I've got people back on land who count on me
So if you see my Downeaster Alexa
And if you work with the rod and the reel
Tell my wife I am trolling Atlantis
And I still have my hands on the wheel

\[
\begin{align*}
C & D & G & C \\
C & D & Em \\
C & D & C

Now I drive my Downeaster Alexa
More and more miles from shore every year
Since they tell me I can't sell no stripers
And there's no luck in swordfishing here

I was a bayman like my father was before

Billy Joel - You May Be Right

A

Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun
Wasn't hurting anyone
And we all enjoyed the weekend for a change

I was stranded in the combat zone
I walked through Bedford Sty alone
Even rode my motorcycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I'm insane

You may be right I may be crazy
But it just may be a lunatic you're looking for
Turn out the lights, don't try to save me
You may be wrong for all I know
But you may be right

Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man

General's gathered in their masses
Just like witches at black masses
Evil minds that plot destruction
Sorcerers of death's construction
In the fields the bodies burning
As the war machine keeps turning
Death and hatred to mankind
Poisoning their brainwashed minds, oh lord yeah!

Politicians hide themselves away
They only started the war
Why should they go out to fight?
They leave that role to the poor

I keep going right through this part, though the original has an instrumental here.

Making war just for fun
Treating people just like pawns in chess

Bob Seger - Turn The Page

I like to play this about 1.5x faster than the original, starting with the Em at the 7th fret with the open top string, then going to more like a low E5 in the second part of the verse.

Changing positions keeps this fairly repetitive song from getting stale. Actually I try to use as many voicings with the open high E string as I can.

Em D Em Em

Em
On a long and lonesome highway east of Omaha

D
You can listen to the engine, moanin' out its one note song

A
You can think about the woman, or the girl you knew the night before

Em
And your thoughts will soon be wandering the way they always do

D
When you're riding sixteen hours and there's nothing much to do

A
You don't feel much like writing, you just wish the trip was through

D
But here I am, on the road again

D Em
Here I am, up on stage

D A
Here I go, playing the star again

C D Em
There I go, turn the page

Quiet, let chords ring...

Em
Out there in the spotlight, you're a million miles away

D
Every ounce of energy you try to give away

A
And the sweat pours out your body like the music that you play

Em
Later on that evening, as you lie awake in bed

D
The echoes of the amplifiers ringin' in your head

A
And you smoke the day's last cigarette, remembering what she said

D
But here I am, on the road again

Whoaa, livin' on a prayer

Originally a solo on chorus chords, I just let the i ring for a while
then come back in with slow, hanging chords.

Oooooooooh, we've got to hold on ready or not
F   G

You live for the fight when it's all that you've got

Original goes up 1.5 steps, I usually skip that, and do one half-time, super-melodramatic chorus here.

Whoa, we're halfway there, whoa, livin' on a prayer

Take my hand we'll make it I swear

And some new-mown chaperone standin' in the corner all alone watchin' the young girls dance
D G
And some fresh-sown moonstone was messin' with his frozen zone to remind him of the feeling of romance

And he was blinded by the light

G A D Bm

D Bm
Tonight

Bridge, quiet again
Some silicone sister with her manager's mister
told me I got what it takes
She said, "I'll turn you on sonny, to something
strong if you'll play that song with the funky
And Go-cart Mozart was checkin' out the weather
chart to see if it was safe to go outside
And little Early-Pearly came by in her curly-wurly
and asked me if I needed a ride
Loud again
Oh, some hazard from Harvard was skunked on beer playin' backyard bombardier
Yes and Scotland Yard was trying hard, they sent some dude with a calling card who said "Do what you like, but don't do it here"
Well, I jumped up, turned around, spit in the air,
fell on the ground, asked him which was the way back home
He said, "Take a right at the light, keep goin'
straight until night, and then, boys, you're on your own"
And now in Zanzibar a shootin' star was ridin' in a side car hummin' a lunar tune
Yes, and the avatar said, "Blow the bar but first remove the cookie jar
We're gonna teach those boys to laugh too soon"

And some kidnapped handicap was complainin'
that he caught the clap from some mousetrap he bought last night
Well I unsnapped his skull cap, between his ears I saw a gap and figured he'd be all right
He was just blinded by the light
Cut loose like a deuce another runner in the night
Blinded by the light

Mama always told me not to look into the sights of the sun
Whoa, but mama that's where the fun is, ooh yeah

Stay rubato for this made-up ending that follows neither MM nor BS
I was just blinded by the light
Cut loose like a deuce another runner in the night
Blinded by the light
We got down but we never got tight, we're gonna make it

Yesterday the sun shined but you knew that it wouldn't last
If yesterday was a bucket of seeds then today's just a patch of grass
When you woke up this morning you felt the rain fall on your head
Yesterday you cruised the sky but today you'll stay in bed
You are an unusually blue bluebird
I guess you won't fly today
You are an unusually blue bluebird
The wind just won't blow your way

But you're an unusually blue bluebird

Disney - Let it Go

Originally in Ab, written here in G.

I play capo 3 (so in Bb), and sing the verse *above* the original, so I can drop down for the pre-chorus and chorus.

Start quiet, barely strumming
Em    C    D    Amsus4    Am
Em    C    D    Asus4    A

Vox on the 5 (B)
Em    Cadd9
The snow glows white on the mountain tonight
D    Am
Not a footprint to be seen
Em    Cadd9    D
A kingdom of isolation, and it looks like I’m the queen

On “howling”, only go up to the 1 of the chord, not the 5
Em    C    D    Amsus4    Am
The wind is howling like this swirling storm inside
Em    D    A
Couldn’t keep it in, heaven knows I’ve tried

Start to fade strumming in
Vox down to the 5 of the chord (A if the chord is D)
D    C
Don’t let them in, don’t let them see
D
Be the good girl you always have to be
C
Conceal, don’t feel, don’t let them know
C
Well now they know

G    D
Let it go, let it go
Em    C
Can’t hold it back any more
G    D
Let it go, let it go
Em    C
Turn away and slam the door
G    D
I don’t care

Em    C
What they’re going to say
Bm    Bb
Let the storm rage on
C
The cold never bothered me anyway
G    D

Em    C
It’s funny how some distance
D    Am
Makes everything seem small
Start going down here, to the 5 of the chord on “fears”,
down to the 5 of the chord on “get”
Em    D
And the fears that once controlled me
A
Can’t get to me at all
D    C
It’s time to see what I can do
D
To test the limits and break through
C
No right, no wrong, no rules for me
C
I’m free

G    D
Let it go, let it go
Em    C
I am one with the wind and sky
G    D
Let it go, let it go
Em    C
You’ll never see me cry

G    D
Here I stand
Em    C
And here I stay
Bm    Bb
Let the storm rage on

Bridge
C
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast

I'm never going back
The past is in the past

Let it go, let it go
When I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone

Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

A long, long time ago

Em D
Music used to make me smile
G D Em7
And I know if I had my chance

That I could make those people dance and
Em C D

But February made me shiver
Em Am
With every paper I'd deliver
C G Am
Bad news on the doorstep
C D
I couldn't take one more step
G D Em
I can't remember if I cried
Am7 D
When I read about his widowed bride
G D Em
Something touched me deep inside
C D7 G C G
The day the music died
G C G D
So bye, bye Miss American Pie
G C G D
Drove my Chevy to the levy but the levy was dry
G C G D
And good old boys were drinkin' whiskey and rye
Em A7
Singin' this'll be the day that I die
Em D7
This'll be the day that I die

G Am
Did you write the book of love?
C Am
And do you have faith in god above
Em D

G D Em
Do you believe in rock and roll
Am7 C
Can music save your mortal soul
Em A7 D
And can you teach me how to dance real slow?

Em D
Well I know that you're in love with him
Em D
'Cause I saw you dancin' in the gym
C G A7
You both kicked off your shoes
C D7
Man I dig those rhythm and blues
G D Em
I was a lonely teenage broncin' buck
Am C
With a pink carnation and a pickup truck
G D Em
But I knew I was out of luck
C D7 G C G
The day the music died, I started singin'
G C G D
So bye, bye Miss American Pie
G C G D
Drove my Chevy to the levy but the levy was dry
G C G D
And good old boys were drinkin' whiskey and rye
Em A7
Singin' this'll be the day that I die
Em D7
This'll be the day that I die

G Am
Now for ten years we've been on our own
C Am Em
And moss grows fat on a rolling stone
D
But that's not how it used to be
G D Em
When the jester sang for the king and queen
Am7 C
In a coat he borrowed from James Dean
Em A7 D
In a voice that came from you and me
And while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While sergeants played a marching tune
We all got up to dance

But we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was the feel
The day the music died?
We started singin'

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

And there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be quick
Jack Flash sat on a candle
Stick, 'cause fire is the devil's only friend
And as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could bread that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite
Don McLean - American Pie

I saw Satan laughing with delight
The day the music died
He was singin'

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And good old boys were drinkin' whiskey and rye
Singin' this'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

But in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died

Elvis Presley - Fever

Often played in Am, I play in Em capo 3. Note the vocals ride mostly on IV in this key, i.e. the A in Em.

Crazy chromatic key changes are also common, but I skip that when doing it acoustic. This is fun to do with just bass and vox, in which I case I go up a half-step after every chorus.

\[ \text{Em} \]

Never know how much I love you
\[ \text{D} \quad \text{B7} \quad \text{Em} \]

Never know how much I care
\[ \text{Em} \]

When you put your arms around me
\[ \text{B7} \quad \text{Em} \]

I get a fever that's so hard to bear

\[ \text{Em C} \]

You give me fever, when you kiss me
\[ \text{D} \quad \text{Em} \]

Fever when you hold me tight
\[ \text{Em C} \]

Or on a four-wheel drive tailgate
A
I've got posters on my wall of Skynyrd, Kid, and Strait

E7
Some people look down on me, but I don't give a rip

D
I'll stand bare-footed in my own front yard
Hard stop on "baby"
With a baby on my hip

'Cause I'm a redneck woman
I ain't no high-class broad
I'm just a product of my raising
I say hey y'all and yee-haw

D
And I keep my Christmas lights on
On my front porch all year long
A
And I know all the words to Every Charlie Daniels song

E7
So here's to all my sisters
Out there keeping it country

A
Victoria's Secret, well their stuff's real nice
Oh but I can buy the same damn thing
On a Walmart shelf half-price
D
And still look sexy, just as sexy, as those models on TV

A
No, I don't need no designer tag
To make my man want me

E7
You might think I'm trashy, a little too hard-core
D
But in my neck of the woods, I'm just the girl next door

A
Hey I'm a redneck woman
I ain't no high-class broad
I'm just a product of my raising
I say hey y'all and yee-haw

D
And I keep my Christmas lights on
On my front porch all year long
A
And I know all the words to Every Tanya Tucker song

Guns and Roses - Don't Cry

Originally in Am tuned down to Abm, I play in Am capo 3.

Am Dm G C G/B
Am Dm G Am
Am Dm

Talk to me softly
There's something in your eyes
Don't hang your head in sorrow
And please don't cry

I know how you feel inside I've been there before
Something is changin' inside you
And don't you know

Don't you cry tonight I still love you, baby
Don't you cry tonight
Don't you cry tonight
There's a heaven above you, baby
And don't you cry tonight

Give me a whisper
Give me a kiss before you
Tell me goodbye

Don't you take it so hard now

And please don't take it so bad
I'll still be thinkin' of you
And the times we had, ba - by

Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
Don't you cry tonight

This is not a typo; the chord progression turns around a little here

And please remember
That I never lied
And please remember
How I felt inside now, honey
You gotta make it your own way
But you'll be alright now, sugar
You'll feel better tomorrow
Come the morning light now, baby

Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
Don't you cry tonight
There's a heaven above you, baby
And don't you cry
Don't you ever cry
And don't you cry
Tonight baby, maybe, someday
And don't you cry
Don't you ever cry
And don't you cry
Tonight

Skip solo, just repeat intro

So the little got more and more

So the little got more and more

B7
I just keep tryin' to get a little better

D E
He's been knockin', he won't leave me alone
Let the "alone" hang fot a bit
E
No, no, no, he won't leave me alone

E E G A A A G E
He won't leave me a lone

*Don't go up to the high octave here*

Stuck it in the middle and I shot it in the middle

And it, it drove outta my mind

I should've known better, said I wish I never met

I leave it all behind, yowsa
When I look into your eyes
I can see a love restrained
But darling when I hold you
Don't you know I feel the same
Cause nothin' lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold november rain
We've been through this such a long, long time
Just tryin' to kill the pain, oh yeah
But lovers always come and lovers always go
And no one's really sure who's lettin' go today, walkin' away
If we could take the time to lay it on the line
I could rest my head
Just knowin' that you were mine, all mine
So if you want to love me
Then darlin' don't refrain
Or I'll just end up walkin'
In the cold november rain
Do you need sometime on your own?
Do you need sometime all alone?
Everybody needs sometime on their own
Don't you know you need sometime all alone
I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal a broken heart
Wouldn't time be out to charm you, whoa...
I usually skip this part
Sometimes I need sometime on my own
Sometimes I need sometime all alone
Everybody needs sometime on their own
Don't you know you need sometime all alone
And when your fears subside
And shadows still remain, oh yeah
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
Cause nothin' lasts forever
Even cold november rain
Ending on Cm is my nod to the outro that doesn't work in a solo performance...

Heart - Alone

The original starts in Bbm. For a male voice this works okay with the chorus an octave down. For a human (i.e., non-Heart) female, Gm is somewhat reasonable, so I play it in Em, capo 3. A dude singing in Em works pretty well too. If feeling less-than-great in Em, don’t go up to "got by" (which is a G), just stay on the E. Similarly, sing the "how do i get you alone?" on E,F, E→D instead of G,F,E→D.

Joan Baez - Diamonds and Rust

This is adapted loosely from the Judas Priest version. The originals are in Em, I play in Em capo 5. As a duet, I sing a 3rd below the lead and play in Em. The songs is a dirge, so I follow the Priest version, which is a rocking metal gallop.

Well we both know what memories can bring

They bring diamonds and rust

Vox on the 5 of the chord

Now I see you standing with brown leaves falling all around

And snow in your hair

Now you're smiling out of the window of that crummy hotel

Over Washington Square

Our breath comes out of white clouds

Mingles and hangs in the air

Speaking strictly for me

We both could have died then and there

Play long riff if not rocking

Now you're telling me you're not nostalgic

Then give me another word for it you who are so good with words

And at keeping things vague

'Cause I need some of that vagueness now

It's all come back too clearly

Yes I loved you dearly, and if you're offering diamonds and rust

I've already paid

Midnight, and I'm a-waiting on the 12:05

Hoping it'll take me just a little farther down the line

Moonlight, you're just a heartache in disguise
Won't you keep my heart from breaking

If it's only for a very short time

Playing with the queen of hearts
Knowing it ain't really smart
The joker ain't the only fool
Who'll do anything for you

Laying out another lie
Thinking about a life of crime
'Cause that's what I'll have to do
To keep me away from you

Solo if appropriate on chorus chords

Lovers, I know you've had a few
But how you hide your heart beneath the covers

And you tell 'em they're the only one
And others they know just what I'm going through

And it's so hard to be your lover
When you say you only do it for fun

Playing with the queen of hearts
Knowing it ain't really smart
The joker ain't the only fool

Why is everybody telling everybody what you have done

And baby, I know it makes you sad
But when they're handing out the heartaches

You know you got to have you some

I met up with the gambler, we were both too tired to sleep
D G
So we took turns a-starin' out the window at the darkness
G D A D
Till boredom overtook us, and he began to speak
D G
He said, son, I've made a life out of readin' people's faces

Led Zeppelin - Stairway to Heaven

There's a lady who's sure all that glitters is gold
And she's buying a stairway to heaven
When she gets there she knows, if the stores are all closed
With a word she can get what she came for
Ooh, ooh, ooh, and she's buying a stairway to heaven

There's a sign on the wall but she wants to be sure
'Cause you know sometimes words have two meanings
In a tree by the brook, there's a songbird who sings
Sometimes all of our thoughts are misgiven

There's a feeling I get when I look to the west
And my spirit is crying for leaving

In my thoughts I have seen rings of smoke through the trees
And the voices of those who stand looking

There's still time to change the road you're on
There's still time to change the road you're on
There's still time to change the road you're on
There's still time to change the road you're on

Your head is humming and it won't go, in case you don't know
The piper's calling you to join him

Michael Jackson - Thriller

Originally in C#m, I play in Am
Be sure to work out the melody ahead of time for the chorus and bridge

Am7   D7

The original does i --> IV for the first half of each verse,
I'm following an arrangement that's IV --> i for the whole verse.

D7
It's close to midnight and something evil's lurking in the dark

Am7
Under the moonlight you see a sight that almost stops your heart

D7
You try to scream but terror takes the sound before you make it

D7
You start to freeze as horror looks you right between the eyes

C
You're paralyzed

\[ \text{Vox on 1 7 on "thriller", can also do 7 5 or #6 5} \]
\[ \text{Am} \quad \text{Am G/B} \quad \text{C} \]

'Cause this is thriller, thriller night

D7
You feel the cold hand and wonder if you'll ever see the sun

D7
You close your eyes and hope that this is just imagination

D7
But all the while you hear the creature creepin' up behind you

C
You're out of time

\[ \text{Am} \quad \text{Am G/B} \quad \text{C} \]

'Cause this is thriller, thriller night

D7
There ain't no second chance to kill the thing with forty eyes girl

Am   Am G/B   C
Thriller, thriller night

D7
You're fighting for your life inside a killer, thriller, tonight

Am7
Vox up to the 5 of the first chord

\[ \text{Can also do 3 2 1 on the first chord on "night creatures"} \]

D7
Night creatures call and the dead start to walk in their masquerade

Am7   Am7/G   F#m7b5
There's no escapin' the jaws of the alien this time

Fmaj7   E7sus4   E7
This is the end of your life

Am7

D7
They're out to get you there's demons closing in

Am7
nowhere left to run
They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together

All through the night I'll save you from the terror on the screen

I'll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller, ow!

I'm gonna thrill you tonight

For no mere mortal can resist the evil of the thriller

End on “thrill you tonight”, or keep going if appropriate...

Darkness falls across the land the midnight hour is close at hand
Creatures crawl in search of blood to terrorize y'all's neighborhood
And whosoever shall be found without the soul for getting down
Must stand and face the hounds of hell and rot inside a corpse's shell
The foulest stench is in the air the funk of forty thousand years
And grizzly ghouls from every tomb are closing in to seal your doom
And though you fight to stay alive your body starts to shiver
If I play in G, which sounds better on guitar, I go down an octave for the chorus. Or I play in E, which sounds better for my voice, and go up to the chorus (which is a monster of E, but worth it).

In E, it's lots of open pentatonic minor, and E D A D (i.e., ignore all the slash chords and add9's).

And start slooooow, the chorus is a lot of words.

Misc - Over the Rainbow (hybrid)

This is a hybrid of the modern and traditional arrangements, and my personal preference. It's basically the traditional verse with the modern chorus.

Vocal note: starts on the I.
Vocal note: lull(e) by (a) hi (c) hi. I find the first 'e' easy to find, but my instinct is to move right up. The 'by' is the same note.

Paramore - Still Into You

Originally in F, I play in C capo 5 (down an octave)

C
Can’t count the years one hand
That we’ve been together
I need the other one to hold you
Make you feel, make you feel better

C
It’s not a walk in the park
To love each other
But when our fingers interlock
Can’t deny, can’t deny you’re worth it

Quiet

Cause after all this time
I’m still into you

Loud, but not higher than the verse... it feels like you want
to go up, but you don’t.

I should be over all the butterflies
I’m into you, I’m into you
And baby even on our worst nights
I’m into you, I’m into you

Let ’em wonder how we got this far
Cause I don’t really need to wonder at all
Yeah after all this time
No hard stop this time
I’m still into you

Some things just make sense
And one of those is you and I

Recount the night that I first
Met your mother

Peter, Paul, and Mary - El Salvador

Originally in E, I prefer it in E on guitar, but D vocally.

A B G#m C#m A B E

Little Latin flourish on the 3rd and 4th strings, roughly

E There's a sunny little country south of Mexico
F#7 Where the winds are gentle and the waters flow
A Am But breezes aren't the only things that blow in El Salvador
E E7 If you took the little lady for a moonlight drive
F#7 Odds are still good you'd come back alive
A Am But everyone is innocent until they arrive in El Salvador
E E7 If the rebels take a bus on the grand highway
G#m The government destroys a village miles away
A Am The man on the radio says
G#m C#m Go down to the 1 instead of up to the 3 on "border"
B E E7 Now we'll play South of the Border
A B And in the morning the natives say
G#m C#m We're happy you have lived another day
A E Last night a thousand more
B E Passed away in El Salvador
C#m B Oooh Oooh
E There's a television crew here from ABC

Tricky to get this to sound not stupid without percussion.
I try to mix up the D7 in as many positions as I can and be percussive about it, and mix in D9's and D7#9's.

I dig rock and roll music and I'd love to get the chance to play (and sing it)
I figure it's about the happiest Sound going down today

The message may not move me
Or mean a great deal to me
But hey, it feels so groovy to say

I dig the Mamas and the Papas at "The Trip," Sunset Strip in L.A.
And they got a good thing going
When the words don't get in the way

And when they're really wailing
Michelle and Cass are sailing
Hey, they really
Nail me to the wall

I dig Donovan in a dream-like, tripped out way
His crystal images tell you 'bout a brighter day

And when the Beatles tell you
They've got a word "love" to sell you
They mean exactly what they say

I dig rock and roll music
I could really get it on in that scene

Peter, Paul, and Mary - Puff, the Magic Dragon

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honalee

Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff Oh

Together they would travel on boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow whene'er they came

Painted wings and giant's rings make way for other toys
A dragon lives forever, but not so little boys

One grey night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave

So, Puff that mighty dragon
Sadly slipped into his cave, but

Puff the magic dragon lives by the sea
And frolicks in the autumn mist
In a land called Honalee

Puff the magic dragon lives by the sea
And frolicked in the autumn mist
In a land called Honalee

Puff the magic dragon lives by the sea
And frolicked in the autumn mist

I've got a little black book with my poems in

Got a bag with a toothbrush and a comb in

When I'm a good dog, they sometimes throw me a bone

I got elastic bands keeping my shoes on

Got those swollen hand blues

Got thirteen channels of shit on the TV to choose from

I've got electric light

And I've got second sight

And amazing powers of observation

And that is how I know

When I try to get through

Not a typo: this is really D Fm, but I play as F Fm.

On the telephone to you

There'll be nobody home

I've got the obligatory Hendrix perm

And the inevitable pinhole burns

All down the front of my favorite satin shirt

I've got nicotine stains on my fingers

Sky above and the sea below
And a little white whale on the go
You're just a little white whale on the go

Baby beluga, baby beluga
Is the water warm? Is your mama home with you? So happy...

Way down yonder where the dolphins play
Where you splash and dive all day
The waves roll in, and the waves roll out
See the water squirtin' out of your spout

Baby beluga, baby beluga
Sing your little song, sing for all your friends
We like to hear you

When it's dark and you're home and fed
Curled up snug in your Water bed
The moon is shining and the stars are out
Goodnight little whale goodnight

Simon and Garfunkel - The Boxer

I am just a poor boy though my story's seldom told
I have squandered my resistance
For a pocket full of mumbles, such are promises
All lies and jest, still a man hears what he wants to hear
And disregards the rest

When I left my home and my family, I was no more than a boy
In the company of strangers
In the quiet of a railway station, running scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Lookin' for the places only they would know

Asking only workman's wages I come
Looking for a job but I get no offers
Just a come-on from the whores on Seventh Avenue

I do declare, there were times when I was so lonesome I took some comfort there
Going home where the New York City winters aren't bleeding me
Leading meeeeee going home

In the clearing stands a boxer and a fighter by his trade
And he carries a reminder of ev'ry glove that laid him down
Or cut him till he cried out in his anger and his shame
I am leaving, I am leaving
But the fighter still remains, mmm mmm mmm

This is like four minutes in the original, if no harmonies, keep it to one chorus.

Smash Mouth - All Star

Originally in F#, I play in G (6th-string power chords)
This is maybe the only song where I'm not writing out all the chords; it would be 3 pages for 4 chords.

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Bridge
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

My world's on fire, how about yours?
That's the way I like it and I never get bored

Hey now, you're an all-star, get your game on, go play

Taylor Swift - Shake it Off

Originally in G, I play in G and sing down an octave.

Vox go from the low 1 up to the 5 1.5 octaves above, so I don't go down all the way on the chorus.

Intro percussion only, though playing the root helps find the first vocal line.

Vox on the 5 of the key on "I", and the 3 on "late"

Am I stay out too late
C Got nothing in my brain
G That's what people say, mmm
That's what people say, mmm

Am I go on too many dates
C But I can't make 'em stay
G At least that's what people say, mmm
That's what people say, mmm

Am But I keep cruisin'
C Can't stop won't stop moving
G It's like I got this music in my mind
No hard stop this time
G Saying it's gonna be alright

In the low octave, start going back up on the third "play"

Am 'Cause the players gonna play, play, play, play,
C And the haters gonna hate, hate, hate, hate, hate baby
G I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

Am Heartbreakers gonna break, break, break, break
C And the fakers gonna fake, fake, fake, fake, fake baby
G I'm just gonna shake, shake, shake, shake, shake
Shake it off, I shake it off

The Beatles - Something

After the first 'I don't know' in each chorus, 
I do a descending A --> Ab --> G --> Gb --> F --> E 
I also generally ignore all the slash chords on guitar.

And I play a measure or two of C before the 'intro' 
on guitar; that F always feels like a rocky start. 
Sometimes I just skip the 'intro'. When I play 
that riff on guitar, I try to be super-soft on the Eb.

The Eagles - Hotel California

*Originally in Bm, I play in Am*

Am E
On a dark desert highway, cool wind in my hair
G D
Warm smell of colitas, rising up through the air
F C
Up ahead in the distance, I saw a shimmering light

Dm
My head grew heavy and my sight grew dim
E
I had to stop for the night

The Eagles - Take It To The Limit

Originally in B, I play in G, or in E if I'm not feeling it
Highest note is the 1 ("take *it*")

\[G\ C\ G\ D\ C\]

All alone at the end of the evening
And the bright lights have faded to blue
I was thinking 'bout a woman who might have loved me
But I never knew

\[D/A\ G\]

You know I've always been a dreamer (spent my life runnin' round)
And it's so hard to change (can't seem to settle down)
But the dreams I've seen lately keep on turnin' out
And burnin' out and turnin' out the same

\[C\ G\ C\ G\]

So put me on a highway and show me a sign
And take it to the limit one more time

\[G\ C\ G\ D\ C\]

You can spend all your time making money
Or you can spend all your love making time
If it all fell to pieces tomorrow
Would you still be mine?

\[D/A\ G\]

And when you're looking for your freedom
(nobody seems to care)
And you can't find the door (can't find it anywhere)
When there's nothing to believe in still you're coming back
You're running back, you're coming back for more

\[C\ G\ C\ G\]

So put me on a highway and show me a sign
And take it to the limit one more time

Repeat to fade

\[C\ D\ C\ D\ G\]

Take it to the limit, take it to the limit
Take it, to the limit one more time

The Foundations - Build Me Up Buttercup

Originally in C, I play in G.

\[ G \quad B \quad C \quad D \quad x2 \]

Vox on 1 6 5 of the key (4 2 1 of the chord) on "why do you".

Why do you build me up Buttercup, baby

Just to let me down and mess me around

And then worst of all you never call, baby

When you say you will but I love you still

I need you more than anyone, darling

You know that I have from the start

So build me up buttercup, don't break my heart

The first chord here is just one beat

I'll be over at ten, you told me time and again

But you're late, I wait around and then

I run to the door, I can't take any more

It's not you, you let me down again

Hey, hey, hey!

Vox on the third of the chord on "baby baby"

Baby, baby, try to find

Hey, hey, hey!

A little time, and I'll make you happy

I'll be home

I'll be beside the phone waiting for you-oo-hoo, you-oo-hoo

Why do you build me up Buttercup, baby

Just to let me down and mess me around

And then worst of all you never call, baby

When you say you will but I love you still

I need you more than anyone, darling

You know that I have from the start

So build me up buttercup, don't break my heart

The first chord here is just one beat

To you I'm a toy but I could be the boy you adore

Although you're untrue, I'm attracted to you all

Why do you treat me so?

Hey, hey, hey!

Baby, baby, try to find

Hey, hey, hey!

A little time, and I'll make you happy

I'll be home

I'll be beside the phone waiting for you-oo-hoo, you-oo-hoo

Toad the Wet Sprocket - Walk on the Ocean

Originally in G capo 4, I play in G

Vox on #4 5 #4 on "spotted the"

We spotted the ocean

At the head of the trail

Where are we going

That's so far away?

Somebody told me

This is the place

Where everything's better

And everything's safe

I take a line that puts me on the 5 of the chord on "ocean"

Walk on the ocean

Step on the stones

Flesh becomes water

Wood becomes bone

Solo if appropriate on chorus chords

Now back at the homestead

Where the air makes you choke

And people don't know you

And trust is a joke

Don't even have pictures

Just memories to hold

They grow sweeter each season

As we slowly grow old

I have climbed highest mountain
I have run through the fields

only to be with you, only to be with you

I have run, I have crawled
I have scaled these city walls

These city walls, only to be with you

But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing fingertips

It burned like fire, this burning desire

I have spoke with the tongue of angels
I have held the hand of the devil

It was warm in the night, I was cold as a stone

Solo if appropriate on verse chords

I believe in the kingdom come
Then all the colors will bleed into one
Bleed into one, well yes I'm still running

You broke the bonds and you loosed the chains

Carried the cross of my shame
Of my shame, you know I believed it

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for
